

Season of New Hope and Mysteries Revealed [Episode 97]

October 2, 2019

Hey friends, Doug Addison here, welcome to *Spirit Connection*. This is October 2, 2019, and it is the prophetic word that I'm gonna be releasing for this month, and more! It's gonna be an exciting half hour as we dive into the deep end of what God is doing right now.

And you can follow me on social media: Facebook (theDougAddison), Instagram and Twitter (@dougaddison), and also my website (DougAddison.com) where you can find things. Don't forget about the *Daily Prophetic Words* (#dailyprophetic), and also you can get those delivered to your email box. That's what I do. Just to go my website and click on that; it makes it easier to follow.

Or you can get it through my new app (Doug Addison App) on the Apple App Store or Google Play Store. You can download that. I call it the "negative-free environment." If you wanna get away from the negativity on social media and everything, you can always get my app. It's got all the prophetic words, the *Daily Prophetics* delivered right there. All right, if you turn on your notifications, you can actually have a pop-up on your phone right when you get up in the morning. So it's some fun things. Well, let's get going on this word.

Lord, we thank You for Your goodness. We thank You that You're speaking all the time, and especially during this season. This is a special season to hear Your voice. So I pray right now for the people who need a breakthrough. I pray that this prophetic word would go around the world and accomplish way more than what could happen in such a short time. I felt this, it's like a slingshot that is happening. God's pulling us back right now, about to propel us forward. In Jesus' name. Amen.

People ask me why I pray with my eyes open. I don't know about you, but I like seeing what God is doing. I'm a seer, and I was trained to do that years ago as a part of prayer teams and stuff like that. So, it's my tradition as a Vineyard guy.

Alright, here's the word. October 2019. Get ready to hear God's voice more clearly. And watch as He brings you out of a time of hiddenness. It's an obscurity in some cases. Some people have been tucked away, waiting for this next move of God. Well, I had several encounters with the Lord where I keep seeing the books of Heaven opening containing strategies, assignments and also things in the Courts of Heaven.

A couple months ago, I saw books opening that said what was intended for evil, God is now gonna use for good. So, there's a balancing of the books in Heaven, as well as bringing out the new things. So, this month, watch for these things to start.

Matthew 13:35. Jesus actually says this about Himself, and it was a fulfillment of the prophecy: "I will open My mouth in parables, and utter things hidden since the creation of the world."

Well, I wanna tell you, this is a time right now, the Lord is opening books of revelation very similar to that one in Matthew 13. These things were previously hidden or sealed, and God's now going to do some major changes to start getting things aligned on Earth as it is in Heaven. Things that were previously hidden—both personal and at a greater level—that would impact churches, businesses, cities and nations. But let's start personal.

I had an encounter, several of them over the last couple of months, and then also this particular one. The Lord took me back into one of my encounters from 2017 when I had 50 days in Heaven. And I saw Him again picking up this book. He was reading from the Book of Isaiah, chapter 49. And here's what it says, and then I'm gonna unpack this a little bit as we go here. "Listen to me, you islands, hear this you distant nations. Before you were born the Lord called your name. From my mother's womb He has spoken my name, and he's made my mouth like a sharpened sword. And in the shadow of His hand He hid me." And this is it, this is this time where He's bringing you out of hiddenness. And, "He's kept me like a polished arrow in his quiver." Wow.

Well, I had the encounter in which I was observing the Lord. I was there, as well, but I was watching as a great number of people who would come out of a long, difficult process. In other words, there was a weariness in a lot of the people there. There'd been a battle going on, and the Lord was speaking the words of Isaiah 49. And as He spoke, it was almost like things rumbled. Because it just ... make it real. And a lot of times when I hear the Lord speak, it's the word for "breath," like the breath that came when Ezekiel ... when the Lord said "speak" in Ezekiel 37 ... "prophecy to the breath." And the "breath" is the word, ... [*ruach*].

And the Lord was speaking this creative word that was reviving people ... at the same time it was also a heaviness. And I heard Him speak specific things. I heard Him calling people's names, like Isaiah 49:1–2. Also, He went on in verse 3—went on and says, "But you my servant Israel ..." He's just talking to you as well. "... in whom I display my

splendor. But you said, ‘I’ve labored in vain, and I’ve spent my strength for nothing at all. Yet, what is due me is in the Lord’s hand, and his reward is with my God.’”

Many people right now, maybe you felt this, is that you’ve labored in vain or that you’ve missed the Lord. That’s far from the truth because these difficult times were designed to prepare us for what’s lying ahead. This is a time the Lord was sharpening us like that quiver that He talked about in Isaiah 49. Like an arrow, He’s sharpened us right now. Iron sharpens iron. Difficult times will also do that for us. But I wanna tell you that you made it through this season. And maybe it’s this time where, you know, nothing seems to work. And you feel like hidden ... you know, no one pays attention to you ... I’m just trying to give you some examples here. But I just wanna say this. God’s repayment is in His hand. Read this again. Write down Isaiah 49:1–4 and begin to pray and speak that in for this month.

I went on into another encounter out of Zechariah 9:11–12. “As for you, because of the blood of my covenant with you, I will free your prisoners from the waterless pit. Return to your fortress the prisoners of hope. Even now I have announced this and I will restore twice as much to you.” Whoa! I want you to write this one down too. Zechariah 9:11–12. The Lord is freeing people from this time of darkness. Some call it the dark night of the soul or the spirit. Some call it the wilderness, maybe a time of despair. And in this case, some people have felt like you’ve been in prison.

I’ve been talking about maybe, you know, people felt like you’ve been in a time ... I call it “house arrest,” is where you’re in the ... you’re still in God’s house but you feel like, you know, you have an ankle bracelet on. You don’t really have the ability to move at these new levels. I tell you, this is gonna change. Starting this month, people who’ve been suffering from despair, and God’s sending help to you. We’re going to see this angelic help starting to come. Power, the new power to overcome the things that have overcome you. And out of Zechariah, listen, expect to get double blessing. That’s what He said. There’s a double blessing for all you’ve walked through. God is paying, or repaying, for those times that you’ve walked through these times.

Now here’s another experience, a little, mini experience. I heard the Lord speak starting this month, I saw the Lord. I heard the words, “fixing the watches and the watchers.” The Lord spoke to me, He says ... Listen, Ezekiel 3:17, this talks about the watchmen or the watchwomen—it’s the watch people, but these are intercessors or people who pray. You don’t have to be an intercessor to pick up on this. They’re gonna listen to the Holy Spirit, get up and pray, or whatever. You’re gonna get a routine ... Something’s gonna happen. Prophetic intercession’s going to an entirely new level starting this month. It’s already started, but this month it’s gonna go up to a new level.

And He also said this. He’s releasing the new wave of anointing of the Issachar ability. Now 1 Chronicles 12:32, the sons of Issachar, and we know that also includes the daughters because the prophetess Deborah of the Old Testament, she was one of the

judges. She was a member of the tribe of Issachar, and she understood God's timings. This is a ... this isn't limited to men. Men and women both are gonna start stepping into this Issachar ability. And the sons of Issachar understood the times and the seasons. That's the type of gift that I have. I am officially an Issachar-type of prophet where I understand the timing. That's why I can do a daily word, a weekly word, that type of thing.

And in the past, I've had trouble with it. You know, to me, these types of ... *Daily Prophetic Words* are like ... they're like manna. They go away the next day. But you know, the Lord has shown me how He's increased my ability. He's fixed my watch, so to speak. I have a watch gift, a watchman gift, and also the watchers where I'm able to speak the words to people. And now this is gonna be going everywhere. If you felt called to do this, I pray right now that you would pick up on what I'm saying. And I pray that you would ... I'll just activate this.

Lord, activate the watch, the watch of the Lord and the watchers, and the Issachar anointing. The times and seasons. We aren't lacking the ability to hear God right now. My goodness, there's so many prophetic words. What we're lacking is the understanding of the timing, when to apply them and what to apply them to. And so that's what's gonna be fixed right now, is the understanding of the timing and wisdom.

I also had an encounter in which I saw two things come together: Favor and Union. I saw this out of Zechariah 11:4. Pasture, I wasn't pastor, but "pasture the flock marked for slaughter." And then verse 7, "Then I took two staffs. One was called Favor and the other was called Union." And the Lord says, "I'm now bringing together people ..." you know, two are better than one. You don't have to be married to do this. He's bringing together, you know, anointings and business abilities, ministry abilities right now. Favor and Union are coming together. Some people are gonna suddenly get favor, and then the unity's gonna come together, so that what you can do together would be far greater than what you could do alone. And so watch for Favor and Unity.

I also saw angels of favor and unity being dispatched right now. And they're being assigned to people to be able to operate at this new level. This is what's gonna help you come out of that time of obscurity, the time of the wilderness. Watch for angels to start to show up. You might not see them, but the presence will come, and you'll see the fruit of their presence in your life as the Lord's beginning to open new things up right now.

Here's three little things that, for right now, I felt really clear. That there's gonna be some new medical breakthroughs coming. Also discoveries of inventions and business strategies coming. Watch for these things coming in the new year. The Jewish New Year starts in October, and so some people will be shown how to make a million dollars overnight. But you've gotta humble yourself with this prophetic word.

So, wow, I'm feeling the presence of these strategies. See these are written in these books that are coming from Heaven. But first you gotta get set free. I talked about the prisoners of hope, you now, being set free. And there is a ... just that, a real strong powerful presence. Let the Lord bring you out of this time to get set free. And there's been some uncertainty, there's been some, you know, starts and stops. Maybe you've stepped out in the past and, you know, nothing happened, or maybe you got hit or something like that. But don't let that hold you down.

The Lord's gonna start to move. I'm not saying to step out on your own power, but sometimes you gotta do ... I do this. I'll step out and see what's going on. It's called activation. I'll say hey, I knew God had been calling me to do this certain thing. Then I'll take a few steps to see what's going on ... and see if the door opens.

And that's what we're in right now. Because we're in a time of turnaround. I tell you, out of all the prophetic words ... when I got it ... I get a lot of 'em ... But this particular one that I got on Friday the 13th in September. And I was speaking at a church with my friends, and the presence of the Lord shows up. And suddenly the Lord spoke to me Haggai 2:17–19. Write this down, Haggai 2:17–19. He said that, now first of all, I want you to know that the Lord didn't strike people, but in the verse it says, "I struck the work of your hands with blight and mildew and hail, yet you did not return to me," declares the Lord. Listen, the Lord said that the enemy has struck us. And many people have been struck right now with mildew. And it's almost like old messages, old things that don't work. Blight and mold and mildew.

And then hail, you know, the things that happen like the storms we're seeing right now, and the enemy has come against. But verse 18, I want you to get this in your spirit, "From this day on, on the 24th day of the 9th month ..." Now, I do realize that the Jewish calendar was different, and it might not have been September 24. But the Lord told me, He says don't ... right now, starting in September 24, 2019, you're gonna see this happen. He says, "Give careful thought to this: is there any seed left in the barn? Until now, the vine and the fig tree, and the pomegranate and olive tree have not borne fruit." And so, what He's saying is that we have not been able to bear fruit, we haven't seen revival, there's been a lot of prophetic words that haven't come about. And this is because the enemy has been coming against you. But verse 19, write this down, Haggai 2:19, "But from this day on I will bless you."

Now, that happened to me. I got this on September 13. And then on the 24th (which I'm prerecording this, but it just passed), and so on the 24th, I got a turnaround. It was almost like the confirmation or fulfillment of the prophetic word I had gotten for the month of September. And that was, the Lord's gonna give you the strategy to subdue your storm. For me, I got two things in that strategy. The Lord showed me how to pray in the Court of Heaven, and then this particular word on the 24th which, by the way. I'm prerecording this, so that was yesterday.

But the Lord, I tell you, He opened up my understanding, and He showed me the plans of the enemy against me. And I'm still cleaning some things up, you know, that I saw. But how great is that, when you don't know what it is that you're dealing with, it really helps! I say that you want revelation. You want it to get revealed so that you can heal, and you can bring healing. "But from this day on," the Lord says, "I will bless you."

We shifted on September 24, and this is really important because we are now entering into the month that's a strategic time to hear God's voice. The 10 Days of Awe, it's called. And it's between the Jewish New Year—Rosh Hashanah—and Yom Kippur, which is the Day of Atonement. But now listen, we're no longer under the Law of Moses, but God still operates on the Jewish calendar. He operates on all the calendars, whatever you'll pay attention to, but particularly for how He speaks.

And this is the time of year when the Books of Heaven are opened over you. And it varies every year because the Jewish year is 360 days, it's based on the lunar calendar, not the solar like the Gregorian, the calendar that most of us are used to. It's not saying that you can't use the regular calendar. I do, I use them both. And the only thing that I really do during this time, I don't really celebrate the feasts or anything like that. I just listen during these certain times, like this time called the Days of Awe.

So this year it starts at sundown September 30th through sundown October 1st. That's called the Jewish New Year. Then within 10 days, the next 10 days, well it's a week later, is Yom Kippur which is the Day of Atonement. It's considered the most holy holiday on the Jewish calendar, October 8th at sundown to October 9th, sundown. Now don't get all gear-headed on me, you know, don't get legalistic here, God can only speak on those days and at that time. He's speaking all the time.

But get ready to hear God's voice more clearly. Get ready for dreams and visions. I tell you, it's not limited to these dates, the entire month of October, or God's outside of time. If you watch this later on, you can pick this up. It doesn't matter. Don't worry if you don't get things lined up exactly on those dates. Or don't worry if you didn't hear God, you know, or maybe it didn't come in the way you thought it would come.

My problem that I've had for a number of years is the Lord told me, He said, "Doug, you have too high of an expectation. A lot of My people have too high of an expectation. You're expecting Me to walk in the room or an angel to come in." And the Lord says, "I speak in many ways." Job ... Book of Job talks about God may speak in one way or another in dream and visions. He does this. And what's very important to understand is it doesn't matter if it came to you dramatically or not. What matters is that God does speak.

So again, I don't celebrate the Jewish holidays myself, but I make myself available. And the 10 Days of Awe, the Jewish New Year, are starting right now. Right now, the month of October, we're gonna see things. And it's a time of year that God examines our life

for the purposes of promotion. Even though we're no longer under that Jewish Law, the Law of Moses, God still uses this calendar. And our lives are actually ... if you wanna know more about it, Wikipedia.org, just put in "Days of Awe," and you'll see this. He says ... this is right from Wikipedia ... Our lives are examined each year. Historically, Jewish people believe God examines our lives during the time between Rosh Hashanah and Yom Kippur to see if we are ready for spiritual advancement or promotion to a new level of maturity. And whether you know it or not, this is a time when God can make clear ... I wasn't quoting from there yet, actually, Wikipedia, that was my recap of it. But Wikipedia says this: According to Jewish tradition, God inscribes each person's fate for the coming year into a book called the Book of Life.

And we know the Book of Life. We see it in Psalm 139:15. We know that we have a Book of Life, we see this. So this is the time that God inscribes what we should be doing for the following year on Rosh Hashanah. And then He waits until Yom Kippur to seal that verdict. And then He opens that Book of Life for you. In other words, these are assignments, and it happens later on during the Feast of Tabernacles. That's the full recap of it. And I'm just telling you this. I don't teach a lot on it because, you know, it's tradition. It's not really laid out clearly in the Bible, but we do see it in operation. We see people listening to the Lord. We see that Jesus even did things, you know, He got up and spoke specifically, and the apostle Paul did as well, during some of these Jewish holidays.

And so the process is God examines our life at Rosh Hashanah. Then 10 days later, you know, Day of Atonement ... We don't need the Day of Atonement because Jesus atones for our sins. But it is interesting. I'm just laying it out for you. Again, I'm not legalistic about this. This is a time—we have about 22 days or the entire month, actually, of October, that God is speaking in all kinds of ways.

If you wanna know more about these holidays I was just talking about, Leviticus 16, Leviticus 23:23–40, Numbers 29, Deuteronomy 16:13–15 talk about these specific holidays. But the times around the Days of Awe are very, very important as it prophetically sets the course for the coming year. And it's depending on when you read this, you know, that you are not limited at all.

Now here's another book that opens. In Daniel 7:10, we see that the Courts of Heaven, the books are open, the Court is seated and the books are opened. You can look at it for yourself. And I mentioned it before, Psalm 139:16 talks about your personal book. Jesus had a book, it's mentioned in Hebrew, the Lamb's Book of Life. So we do see this in operation. Plus, we see in Ezekiel chapter 3, we see that it was a book given to him that he ate. In other words, he was digesting, getting something spiritually, and it gave him prophetic words. So these are things that happen already. I'm just trying to bring you up to speed.

And so last year on Yom Kippur, I had a major encounter. And it was September 20th, I think it was, and the 21st. And it was called, the prophetic word called the Ancient Paths and Time of Transition. Now I want you to take a look at it because the Lord said to me, "Not everyone has received this yet because the enemy came against you with storms." One of the more powerful ... well, probably the second most powerful word that I've had in 10 years. And the first one was back 10 years ago ... which, by the way, I'm gonna do another *Spirit Connection* this month. I'm gonna do a teaching on both of those and unpack them more.

But because not everyone has gotten a hold of the Ancient Paths word yet (that's what the Lord said), I want you to do an internet search right now, if you could write this down, Ancient Paths Doug Addison. And you'll see two things. You'll see one is the prophetic word I released last year on it, right after Yom Kippur. The other is a *Spirit Connection* webcast I did, and you can listen to the audio of that. Get it in your spirit. I'm also gonna be releasing another *Spirit Connection* this month where I'm gonna update you on this prophetic word because it was one of the more powerful times I've had.

So the Lord wants you to move forward this time of year. And I wanna give you a simple prayer strategy that I use.

First of all, make yourself available. Don't get too high of an expectation. Don't think that unless the Lord walked in or an angel spoke your name that it's not real. It is. Just lower that bar ... and be ready and open. Now I recommend, for at least the 10 Days of Awe, between September 30th and October 9th, I believe it is. At least during this time, consider this. Consider taking communion every day. I do it, anyway. And then decree or pray Psalm 139:23, "Search me O God, know me and test my heart; see if I have any anxious thoughts and see if there's an offensive way in me, and lead me in the way everlasting." It's important that you do this.

Second one. Show me what the enemy doesn't want me to see. I use Jeremiah 11:18, "The Lord told me the plots of the enemy against me." Each day that I get ready to write down anything during the day. It might not be at that moment, but it might be later on. And so you pull out your cell phone or whatever, text yourself, you know make a note as God is speaking. And I've never felt more hopeful with the busyness that's going on in Heaven right now. I wanna pray and activate this word.

Lord, I thank You for Your goodness. I thank You that You're opening the heavens right now. This is the time that You're gonna speak. And I ask that You would increase dreams and visions. I ask, Lord, that You would increase angelic activity. I pray that the Books of Heaven would be apparent. They're already open whether you know it or not. But I pray that it would be apparent what You're doing in us, Lord.

We pray now for those who've been stuck in that time of darkness that, who have been stuck in the wilderness. We pray, Lord, that You would move on Earth as it is in Heaven, in Jesus' name. Amen.

Well ... website: DougAddison.com, and consider giving if you feel called to what we do. Just go to DougAddison.com/Give. We have some options there. And we also have job openings I have to mention. One is a Visual Media Designer, it's like a graphic designer. And the other is an Executive Assistant that we need for our ministry. Just go to DougAddison.com/Jobs.

Also, consider giving to the vision that the Lord gave us. This is a specific thing that God's calling us to right now. DougAddison.com/Vision, and this is to help us move into the new year and start some things that we need to start, that Lord told me to do. So you watch the video there.

You'll wanna get a new, free ebook that I've put out. It's called, *6 Courtrooms of Heaven and Which One You Need*. And if you'd like to get that ebook, just go to DougAddison.com/6courts.

Also wanna let you know, coming very soon, we're gonna reopen the enrollment to *Dive Deeper*. Now we did it twice this year, last year. *Dive Deeper* is a 4-week special online mentoring with me and my team. Well, this is, it's recorded. It gets delivered to you every week. But we do have some interaction on our web site, and then a live call with me. And so, right now because Rosh Hashanah, the New Year, everything's open right now. Watch for this to reopen as well. And you can get that at my web site.

All right, I wanna do a couple of questions. And by the way, I forgot to mention it at the beginning, if you're watching this live, you can actually type in your questions and we track some of them, and like an example right now. Let me just do a couple minutes of Q&A for you. And I want you also consider watching my *Spirit Connection*, we're doing a weekly show now. The first Wednesday of every month is always live where you can type things in, you get questions answered. The others are just simply released every Wednesday. And the Lord told me if you do this ... and so watch for that.

Here's a question that someone had:

Q. Why do you need the Courts of Heaven? Then you talk about this all the time. And we have Jesus, we have the blood of Jesus, we have the Bible, we have the New Covenant of Jesus. Why do you also need the Courts of Heaven?

A. Well, actually, if everything's working for you, if your prayers are being answered, and you don't have any issues going on ... In other words, you're not having any holdbacks, you're not under warfare ... If you could read Jeremiah 29:11, and if everything lines up with "I know the plans for you, says the Lord, plans to prosper you

and to not harm you, plans to give you a hope and a future.” Plans. Also in the next verse, in verse 12 it says to answer your prayers.

If you’re having success right now with all that, you don’t need the Courts of Heaven. You’re already operating in them anyway because when you come before the throne boldly, it’s the Throne of Grace, you’re actually operating in the Courts of Heaven. But what we’re finding is the Lord is releasing things right now because the enemy has overplayed his hand against us. And so we need that Courts of Heaven. I’ve done some teachings on it, and we just did a webinar on it, an online training, as well.

Here’s another question:

Q. Why do you say that Rosh Hashanah is a time to hear God? I thought we could hear God all the time.

A. Absolutely true, you can actually hear God any time, all the time, 24/7. There are times, though, that God speaks more clearly. There’s also places that God speaks more clearly. Remember Jesus went up on the Mount of Olives. Well, why didn’t He just stay down and hear God at the, you know, where He was? Or some of the prophets went up to a certain place, a Mount Horeb. So sometimes, there are certain times and seasons to position yourself to hear the Lord.

And I didn’t make myself available for this for a number of years. Then, you know, I, because I thought, you know, I wasn’t getting visitations from the Lord, so I didn’t really give it much thought. And then one day, the Lord said why don’t you go back and look up, and do an internet search and look up the Days of Awe or Rosh Hashanah, just look up those dates, previously, before I started tracking them myself now. And this is why I do it now. And He said go back and look in your journal. I journal every day now, since 2006. And prior to that, I journaled, but I looked and sure enough, the Lord was speaking to me. I was having dreams and visions. Might not have been, you know, on those exact dates, but definitely was.

So now, I make myself available. I’m intentional on listening to the Lord during these seasons. And another season, Rosh Hashanah-Yom Kippur, which is during this time of year, but also during Passover and during Pentecost. To me, Passover, I usually get more revelation during Passover than I do now. But, you know, it’s just certain times. Yes, God speaks all the time. But right now is an important time because of the Books of Heaven being opened over you.

Here’s another question:

Q. I’m so discouraged with prophetic words. It seems that every time God speaks to me, nothing happens. What can I do?

A. Well, I know exactly how you feel. I mean, I know somewhat, anyway. I've had a lot of prophetic words that don't come about. Proverbs 13:12 is a condition. Hope deferred makes the heart sick, but a longing fulfilled is a tree of life. We wanna break off that hope-deferred condition. Now if you've gotten prophetic words that haven't come about, ask the Lord to be clear, which ones are for now, which ones are for later.

Maybe like, especially, some people get a prophetic word about marrying someone. And, you know, if that person ... maybe it was the will of the Lord. But if that person says no, they said no to God, then your word would be null and void. It is possible that you could break through, but it's poss ... what I'm trying to say is, it is possible some words like that might have been seasonal. Someone else may have said no and- to a business agreement, and then you need to move forward now.

Again, I'm not saying this is with everything. But there are times when God will speak more clearly. And then you need to actually try to learn to discern.

Here's a question:

Q. I hear you talking about getting healed of Lyme disease and multiple chemical sensitivity. What did you do to do that because I know people who have this.

A. Well first of all, I had a horrible season of my life, and I walked through four years of affliction, you know, with things. And the medicine didn't really ... they really couldn't put their finger on it. They kept telling that, you know, I had ... and maybe they've said this to you ... I wanna say, don't believe the diagnosis. They said, well it must have come, you know, of course, being bit by a tick and maybe it went to ... way deeper. But I was also struggling during that time, and I had heavy metal toxicity in my body. And I had mold in my body. I had all these different things.

But you know what? We poured probably \$75,000 into trying to find treatment. I even went over to Germany and, you know, people actually donated to my healing sabbatical back in 2015, trying to help me. Now all those things helped a little bit here and there, but it wasn't until I got a hold of this. And listen to me. This was the very thing that God brought the healing because I found that most stuff is a spiritual root.

So there was a healing of three things. Jesus said love God with all your heart, all your soul and all your mind; love your neighbor as yourself. It wasn't until I got those three things in line. Those loves. I had to get over some things that had happened that, you know, I was wounded with the Lord even because I had so many deaths in my family over diseases and sicknesses. I wish those things didn't happen. Hope deferred set in. I was upset at the Lord, I had to get healed of that. I ... unforgiveness towards others. Jesus said, you know, love God, love others, love yourself. Love your neighbor as yourself. I had to go through some inner healing with myself with forgiving others. And those three things actually is what lined me up for this breakthrough.

Now, I heard Dr. Henry Wright say these things, and I had to actually go on the quest to ... He's the guy who wrote the book, *A More Excellent Way: The Spiritual Root to Disease*. And I actually did something, once I got a hold of this message, I did an online training. It's out there right now. You can go to my website and buy this. I recommend it. It's a 2-hour training where I pull all this stuff together. It's called, *Accelerating Your Time to Heal*. And this is right when I got healed, I am fully healed, Lyme disease, my blood test actually came back positive, it went away. My multiple chemical sensitivity. Forget about the molds. Forget about what they said. I'm back in my garage, and I didn't do any more of the healing or anything for chemicals.

I just wanna say that the Lord did this because when I got a hold of 1 John 4:18–19, “There is no fear in love, but perfect love casts out fear because fear involves torment, and he who fears has not been made perfect in love. And we love Him because He first loved us.” Did you know that it's possible that tormentors can get assigned to you if you have chronic fear?

And so that was the case with me. I had to kick out the tormentors. I had to move into perfect love, and when I did that, things lined up for the perfect healing. You ever hear of the perfect storm? Well, the Lord is sending the perfect solution in this season. The Books of Life are gonna be opened to you. Watch as God is opening things on Earth as it is in Heaven.

Lord, I pray for the download of Heaven. I pray for the strategies that's needed. I pray for those who have been sick and been pushed back, pushed down. I pray, Lord, that You would bring the healing strategies. That You would bring the financial healing strategies. The emotional healing strategies. I pray for hope deferred that makes the heart sick, but that longing fulfilled is the tree of life. I pray in Jesus' name. Amen.

All right. God bless you. See you soon.
