

3 Books in Heaven Are Opening [Episode 101]

November 6, 2019

Hey everybody, Doug Addison here! Welcome to *Spirit Connection*. It's November 6, 2019, and I have a prophetic word for the month of November. But also, it goes way beyond this. It's the Jewish New Year that happened in September. And so, I'm gonna be releasing a prophetic word that applies to this next coming year. And as well, I'll be updating it in January like I do every year. But right now, this is something that God had given me during Rosh Hashanah–Yom Kippur, the Days of Awe. And I'll just get it going here.

Lord, we thank You for Your goodness. We thank You that You're releasing new things from Heaven. "On Earth as it is in Heaven" is what Jesus said to pray. So Lord, we pray for those aspects of Heaven to come to Earth right now. No matter what time we're listening to this, You're outside of time, Lord. You can impact us through the internet. I pray right now for the same download, the same power, the same anointing that was released to me during this time when I received these words. I pray for that over each person listening right now in Jesus' name. Amen.

Well, it was the start of the Jewish New Year, which is a new spiritual season this year. The Lord is releasing favor for those who have suffered. Now, it's gonna go way beyond that. And even though it seems like, you know, things have been delayed, the Lord said He's fulfilling things, promises to you, that He has made. Or maybe if you've never heard any promises, He's gonna release new ones to you.

And I keep hearing the Lord say right now, that over and over I keep hearing Habakkuk 2:3, "For the revelation awaits the appointed time; it speaks of the end and will not prove false. Though it linger, wait on it;" says the Lord, "for it will surely come without delay."

And there are some prophetic words that God has spoken that might be null and void. It's possible. People may have said no, or that was a previous season. But I'm talking about things that He's promised us at a greater level. And there's some life callings that are gonna be released right now.

Well, there's three books in Heaven opening. And I got this during Rosh Hashanah–Yom Kippur, which was in September 2019. And if you know me, I don't celebrate any Jewish holidays, you know, we're no longer under the Law. But God still speaks, He still

uses that .. the Jewish calendar as far as things that you can position yourself for. That's what I do.

And it was during this time that I saw three Books of Heaven opened. One was called the Book of Purpose ... more than one book, actually ... Books of Purpose, Books of Understanding and Books of the Plans of the Enemy Revealed. God is releasing greater understanding into your purpose. He's revealing the plans of Satan. And He's gonna give you strategies to overcome obstacles and roadblocks that have held us back in past seasons.

Well first of all, just a real brief overview of the Books of Heaven. If you've ever heard me talk about it, they're not physical books, obviously, it's spiritual. And they contain our callings, our assignments, prophetic instructions. And throughout the Bible, we see books and scrolls. Jesus talks about it in Luke 10:20. He says, He talks about the Book of the Lamb, and you know, the people's names are written in Heaven.

And this time of year, the Books of Heaven are opened over you. Psalm 139:16 talks about this. You can look it up on your own. It talks about all the days of your life have been written in the Lord's book before one of them come to pass. Now that's not saying that predestination at all because you still have a choice. These are God's plans, His intentions for you. You know, you can align yourself to this. And I wanna just release this over you right now.

First of all, I saw Books of Understanding. Daniel 12:8–10. Daniel said, "I heard, but I did not understand. So I asked, "My Lord, what is it, the outcome of these things?" He'd had these visions, he had these things happen. And an angel said to him, Gabriel said, "Go your way, Daniel, because the words are rolled up and sealed until the times of the end." Verse 10: "But those who are wise will understand."

All right. Now we're entering into a time right now where there's understanding. Daniel didn't understand. He saw these visions ... There's a lot of revelation that, I don't wanna call it "end times" because there might be some baggage and some, you know, a lot of stuff attached to those words. And you think that it's about the rapture and, you know, the mark of the beast and that type of thing.

Oh boy, the Lord is releasing things right now that are actually the Book of Understanding into things. Very similar. We're using Daniel 12 as an example for this. I'm not saying it's "the" Book of Daniel, the Book of Truth. I'm saying, let's use this as a prophetic type, that God is opening books right now. He's opening revelation that was previously sealed and previously not understood.

And then the Lord took me to Isaiah 29:11, "*For the whole vision is nothing but words sealed in a scroll; but if the scroll was given to someone who could read, they could not read it.*" In other words, this is a time where we have the book. We have the Bible, and there's many things in here. There's prophecies in the Bible that talk about things that

we don't understand. And that's why we see some of the, you know, the misinterpretations of the timing of the second coming of Christ and things like that because we need these Books of Understanding. But it's also why there's just delays coming in our own personal prophetic promises that God has for us.

And so, the Lord showed me. I experienced this. I'm a ... kind of a signs prophet. What happens to me, I live out these prophetic words. And so, I walked through this. The Book of Understanding was sealed away. I had some things that I didn't quite understand. The Lord had spoken to me previously about them, over and over, that suddenly it got sealed up. And it seemed like there was that Habakkuk 2:3 delay. But the Lord says, *"Though it linger, it will surely come."*

So again, what I'm talking about here is not the actual Book of Truth from Daniel 12. I'm using this as a prophetic sign to you that what God is saying, He wants to open revelation. Listen to me. He's opening revelation to you. Might be through the Bible. Might be through the prophetic or, you know, there's different ... It's probably both combined. But He's releasing things that have been previously sealed. And I got some, myself. And things that maybe you didn't understand, like the Isaiah 29:11 that what wasn't understood, it's suddenly gonna be understood.

I got one of those today. I had a download of things that happened to me last December that I didn't understand. I thought I missed something somewhere. And then today He gave me understanding. As I was about to release this prophetic word, He gave it to me so I could release this anointing over you. So watch for the Lord to reveal to you things that have been hidden or unseen in the past. This is called the Book of Understanding, or the Books of Understanding, that are gonna open.

Now, the second book I saw opening is called the Books of the Plan of the Enemy. Or the Books of the Plans of Satan. Jeremiah 11:18, "Then the Lord told me the plots of my enemies were making against me." I had a vision in the night in which I was shown a large book that contained things that Satan had against me and also other people. And I also saw that there were Books of the Enemy and plans against many people, I mean, almost everyone, but they were not opened. In other words, there was things that the enemy has, but he's been hiding these things and sealed them.

So from a biblical standpoint ... Some people ask me, "Where's that in the Bible?" Well, we do see Psalm 139:16 about the Book of Life over each person. And Satan also counterfeits the things of God, so we will see, you know ... Like an example is Satan can't create a thing, so he counterfeits that what already is out there that is from God. So that when you see ... The prophetic is something from the Tree of Life, you know, from the Lord. But the psychic gift, or the soulish side of that, can be a counterfeit. I'm just giving you this example for the Books of the Plans of the Enemy. So we see the Books of Life, and the Plan of the Enemy is also there.

So I had a vision about the Books of the Plan of the Enemy. And I saw this one against me. It was very large. And I was not able to read it. I couldn't see the details. It opened up, but it was blurry. And then I felt the justice of God rise up, or the injustice, you know, I felt it was an injustice. I felt the justice of God rise up in me in this encounter. And so I stood before the Courtroom of Heaven.

By the way, you can do this too. It's called the Throne of Grace. It's called the Place of Prayer. And I pleaded my case, but I was in a vision, and I was pleading my case. And I asked the Lord to show me what Satan has against me. And it was an injustice and a violation of the Bible for myself, many people everywhere, as darkness and senseless killings, and violence, and all this stuff is on the rise right now. I pleaded my case in the Courts of Heaven, and asked the Lord to move. And something shifted.

Now, this original encounter happened in 2017. But at the time, I even made a note in my Heavenly Journal, I felt that it was incomplete. That there was some more that was gonna happen. I had forgotten about it until the month of October. And the Lord took me back, and I stepped into that vision as if it was happening real time, right now, because God's outside of time. Daniel 2:22, *"He reveals deep and hidden things, and He knows what lies in darkness, and light dwells in Him."*

The Lord said to me, "I'm now ..." He's saying to you right now as well, "I'm now revealing the plans of the enemy that were previously hidden in darkness that were unknown." So the Book of Understanding is opening so that you can understand what God's doing. Also, the Books of the Plans of the Enemy are opening. And it's over people. It's over businesses, and churches, and cities and nations.

I saw a third book, and this was the most important and the most powerful one of my encounter this year. I saw the Book of Purpose, the Lord's purposes, and it was from Isaiah 61. And I saw this golden scroll unrolling in Heaven. And this is the very place, anyway, the scroll that Jesus read from in Luke 4:18–19 when He proclaimed the start of His ministry on Earth. And the books ... So in other words, this was Jesus' Book of Purpose.

Isaiah 61, for me, personally, was the first prophetic word I ever heard from the Lord back in 1987 or ... 1988 I believe it was. I heard the Lord speak, "Isaiah 61." I didn't even know that there was an Isaiah 61. I looked it up, and I read it. And it's, *"The Spirit of the Lord is upon me because He's anointed me to preach the good news to the poor."* Now this was Jesus' introduction into ministry. He got up and read this. Read it for yourself. Luke 4:18. He gets up, and He opens the scroll, reads it in front of everybody. Says, "Today this has been fulfilled before your very eyes." And that was like, uh oh, this is the Messiah! That's what they ... They were like, wait a minute. And so Jesus declared His purpose out of the Book of Isaiah 61.

And the Book of the Lord's Purpose over you right now is opening as well. This is the year that things are gonna open on a greater level over your purposes. Why you came

to Earth and the things to fulfill are now gonna be made clear because these other two books have opened as well. The plans of the enemy and the understanding into things that were once hidden.

Now, this is the main prophetic word for the coming year, right now, is Isaiah 61, the entire chapter. You can ... I'd recommend reading this over and over, praying over ... I recommend printing it out. I'd recommend if you have not heard God at all, ask Him to speak to you. If you have a purpose, that you have not understood your purpose, here is your purpose. And if it was Jesus' purpose, it's also what He can give you.

So I'm gonna read this, how the Lord spoke to me. And it's all the verses, but each one has ... every couple verses has a powerful promise and an activation key for you. So Isaiah 61:1.

The Spirit of the Sovereign Lord is upon me because He's anointed me to preach the good news to the poor, proclaim freedom for the captives and the release of darkness the prisoners. To proclaim the year of the Lord's favor and the day of vengeance of our God, and comfort those who mourn ...

Now I was in this encounter I was having. I heard the Lord speak words, and I saw these visions taking place. But the Lord is bringing about a new power to release people from darkness. I saw people who were, themselves, in a dark time, maybe a dark night of the soul, dark night of the spirit, the wilderness, whatever you wanna call it. Some people right now are in prisons of addiction. Maybe a cycle that you can't break. But I saw people coming out of this uncertainty. I saw the brokenhearted. And I saw that God is restoring people right now.

Starting this month, you're gonna see a restoration happen. The Lord is throwing open the doors for you to come out of that dark night, to come out of that wilderness time. Come out of that prison. Some people are in a "house arrest." You haven't been able to even move in the house of God or even your own house. It's gonna end. As you do this, God is going to release to you a new assignment, new anointing to help others. Now I'm gonna go on. Verse 3. I'm gonna go step-by-step how God showed me. Verse 3 ...

... and provide for those who grieve in Zion, to bestow on them a crown of beauty instead of ashes, and the oil of joy or gladness instead of mourning, and a garment of praise instead of a spirit of despair. And they will be called oaks of righteousness, a planting of the Lord's favor to display His splendor.

So your grieving time. People are coming out of a time of mourning and grieving this year. The time where it's been uncertain. That crown of beauty is gonna replace the ashes of the previous season. And the Lord is going to plant you. A planting of the Lord's splendor. He's gonna plant you in places and position you to display His splendor. And I tell ya, I saw this happening. I saw like a map opening, and people being positioned and repositioned. And some moving, some not. You know, some

moving or just, you know, becoming part of a new season that ... it's gonna happen. But I tell ya, there's an anointing that's being released right now. Verse 4 ...

But they will rebuild the ancient ruins and restore places long devastated. And they will renew the ruined cities that have been devastated for generations.

Now watch God bring the callings and assignments that have been discarded. Maybe generationally or maybe people within your family, or the tribe that you come from in ... religiously or spiritually. But there's discarded assignments that are now being placed upon you. And many people are going to get these promises. I have had these for a long time. I've been holding onto mine. But many cities. It's gonna be citywide as well because it says about the cities, you know, that have been ruined. So cities are gonna suddenly get rid of violence.

And I wanna pray over this. The awakening of the Lord's love this year. Isaiah 61:4, I'm prophesying over your city. I'm prophesying over your church. I'm prophesying over you, that you would step into this new season. That the ancient ruins would be restored and the devastation would come to an end. And I tell you right now, verse 5, the presence of God's increasing. Verse 5 ...

Strangers will shepherd your flocks, and foreigners will work your fields and vineyards. And you will be called the priests of the Lord. You will be named ministers of God, and you will feed on the wealth of the nations, and in their riches you will boast.

The Lord is now shifting, financially. Things are gonna shift on strategies for you to do Kingdom projects. I've been talking about this for a while. If you ever heard me talk about it, we need Kingdom finances because of the superstorms that are going on, and earthquakes and devastations. You cannot rely on the support of your country or, I mean it's great to have it, but don't get mad if suddenly they can't get to you, or there's not enough money and your house was destroyed.

We need Kingdom. We need churches and businesses to step up right now and do these projects. The Lord's calling them Kingdom projects. Finances are gonna shift. Favor is gonna shift. And there will be a shifting start to take place this year. It's gonna go on for the next few years. But the Lord is moving right now. Verse 7 ...

Instead of shame, you will receive a double portion. [Get this!] Instead of disgrace, you will rejoice in your inheritance, and your inheritance will be a double portion in the land. And everlasting joy will be yours.

Verse 7, write this down. Receive the double portion this year. This is the year of the double blessing, the double portion of the Lord coming because you have suffered. You've suffered double. He's gonna release double repayment over you. Verse 8 ...

For I, the Lord, love justice. I hate robbery, I hate wrongdoings, and in My faithfulness I will reward My people. And I will make an everlasting covenant with them, and their descendants will be known among the nations and their offspring among the peoples. And ... [Oh my goodness, here it comes] ... And you will be acknowledged for what God has done. You will be called, "Blessed."

In other words, the Lord is now ... He's stepping up because of these injustices. That's why it's so important not to take revenge. "*Vengeance is Mine,*" says the Lord. It's important not to take revenge on your own. Ask the Lord to repay you. Ask Him because He's moving right now. And we can be known, us and our children, and our children's children can be known among the nations as a blessed people. And I tell ya, I am pressing in for that for my family line also. Not just my generationally, my family line for those who follow my ministry, InLight Connection. You are part of our tribe.

I pray that, Lord, You would bless those who have been pressing in, and going on those negativity fasts and stepping away from the swirl that's out there. The whirlwind of negativity. And blessing and not cursing, as You've said. Verse 10 ...

I delight greatly in the Lord, and my soul rejoices in my God. For He has clothed me with the garments of salvation and arrayed me with the robe of righteousness. As a bridegroom ador[n]s his head as a priest, and as a bride ador[n]s herself with jewels.

So, this is the time God is going to sprout something new in your garden that causes your seeds to grow. So, the sovereign Lord will make your righteousness spring up before the nations. So now, notice this, this is a really powerful part. There's a new level of intimacy coming. There's a new level with the Lord. He's talking about grooms and brides. Yeah, there might be marriages coming, but you know what? Better of a marriage is being married to the Lord! It means you don't have to ... I mean, that doesn't mean you have to become a priest or a monk or something or go celibate. You don't have to. You can get into this deep relationship. That's what's happened to me. I went into this deep relationship with intimacy with the Lord, and I began to move at a deeper level of revelation.

And so, in verse 11, for He is gonna suddenly make your "soil," everything around you, whether you're a farmer or not, doesn't matter. He's gonna make everything around you fertile. And people are gonna start coming to us, I tell you, coming to us to hear the voice of the Lord. Coming to us to be blessed. And this is the time that God's shifting. This year, He's shifting things so that people will come to us to hear the word of the Lord. Come to us because we're blessed. We can, you know, give financially. Come to us because they need encouragement. Because they need to the real word of the Lord.

And on Yom Kippur itself, that's the Day of Atonement. I forgot the date, it was in September. I had an encounter which I was prophesying into the government. And I

prophesy in the government already, but I was ... I had some specific words, you know, in the government, and I was releasing them. And that lines right up with what God's saying here in Isaiah 61.

The three books are opening right now, and I want you to listen to this. Get this in your spirit, and go back and invite people who need this encouragement right now. And ask the Lord to release the Book of Understanding to you. In fact, I activate this right now.

In the name of Jesus, I pray for the Book of Understanding—the books, the spiritual Books of Understanding—to be opened so that we have eyes to see. We have ears to hear. We have the understanding that can happen when You call us to something new. I ask for the refreshment of our soul, right now, and their spirits to be encouraged. I ask, too, for the plans of the enemy—the Book of the Plans of the Enemy—to be opened so that we can know how to respond. I pray, too, for the Book of Your Purpose from Isaiah 61.

And it's gonna be an amazing time. I heard the Lord say from Isaiah 61:3 about the oaks of righteousness, a planting of the Lord's splendor. And He said that there are ... there has been people who were planted into Heaven. In other words, people who had gone to Heaven either prematurely or at a ripe age. But the Lord said because of the planting of them, that the gifts and inheritances for this year are now being reassigned. It's not like you're gonna carry a mantle. Maybe you will, but most of the time, it's an assignment.

And so Lord, I ask now for these things to come. I pray, activate this prophetic word. And I pray for the amazing strategies, the refreshment of our souls and spirit that we need. In Jesus' name. Amen.

I wanna answer maybe just a question or two. This is the prophetic word for the year, and I know that we're shifting the way we do things. The Lord told me to move to a weekly show, and that's what I'm doing. It's a weekly web show called *Spirit Connection Podcast*. That's what I do every week, and the first one of every month has been, for over 10 years now, is the prophetic word for the month. And then after that, it's a prophetic teachings and things like that. So just watch for it each week.

Most people been asking me about the Books of Heaven and about the books of their purpose. And that it feels like things have not opened up. And that you've pressed in. And maybe some people are frustrated and even angry at God. And I just wanna say right now is, if you are in that place where you've given up, that I wanna call you back right now. Maybe you even wanna receive Jesus, or maybe you never have, or you're gonna rededicate your life to Jesus. Very easy. You just ask Him into your heart. Ask forgiveness of your sins. Ask the Holy Spirit to come into your life.

You wanna get healed, this is the year to get healed of anger. And especially anger, disappointments of the Lord. That's what was holding me back for the longest time. Held me back from my full healing is because I was holding things in there. God is not the one who did all the bad things, or is doing the bad things. He gets the bad rap. But I believe you're gonna see something shift. You're gonna see something happen. And the new things are coming this year. I wanna encourage you to not be angry at the Lord, not be angry at other people.

Love God with all your heart, all your soul, all you mind. Love your neighbor as yourself. Jesus said this was the most important laws of the entire Bible. He says about the Old Testament, and He said it in the New. And once I aligned with loving God, forgiving Him, I aligned with loving other people, you know, bringing healing to that, loving myself and getting through low self-esteem and all that. Then things, I tell you, they lined up perfectly. And that's what's called, "perfect love"—write this down and look it up—1 John 4:18 talks about perfect love. Perfect love casts out fear. Perfect love can actually cast the tormentors that might be assigned to your life.

So Lord, I pray that You would do that right now. Release revelation from this prophetic word. I pray that You would release us from any kind of fear, anything that's holding us back, in Jesus' name.
