

It's Time for a Backlog of Blessings to Flow

Doug Addison [Episode 105]

December 4, 2019

Hey friends, Doug Addison here! Welcome to another *Spirit Connection*.

It is December 4, 2019. And I've got a prophetic word for the month of December, and this moves on to 2020. And I want you to stay tuned to the end because I do this powerful activation prayer that's gonna change things over your life, and shift the spiritual atmosphere, as well. I have a special invitation that I wanna extend at the end of this broadcast that's gonna help you moving into the 2020 season or the year.

DougAddison.com is my website. You can follow me on social media: theDougAddison on Facebook; Twitter and Instagram, DougTAddison. Remember my *Daily Prophetic Words*, #dailyprophetic. Or if you if you want ... it's what I do, is I get it delivered to my own email address. Just go to my website, click on Daily Prophetic. Yeah, I know, I prophesy over myself. I'm just as surprised as anybody, the way God speaks. And I'm excited for what's coming, so let's get this going.

Lord, we thank You for the good things that are coming. I really believe this is a pivotal month. It's been a messy time, and it's been a painful year in many ways for many people. And it's been a trying time, but the Lord is moving right now. So we just ask to come into agreement on Earth as it is in Heaven, in Jesus' name. Amen.

Well, if you felt like you've been laboring, maybe the pain of suffering or there's some world events going on, there's tragedies happening everywhere. I'm not here to bring you the bad news. I'm here to bring you the good news. The Gospel means good news! And the typical season that many of us have been in is about to pay off.

Jesus said in John 16:20, He said, "Very truly I say to you, you will weep and mourn while the world rejoices; you will grieve, but your grief will turn to joy. A woman giving birth to a child has pain because the time has come; but, when the baby is born, she forgets the anguish because of her joy that the child brings into the world." This is a prophetic word right now because just as we're celebrating in the month of December

the birth of Christ, the coming of the baby Jesus, so God is birthing new things right now. He's bringing something new. This is the very thing that many people were created for.

And many people have been struggling. Right now, God's shifting something over your life. The very reason you came to Earth is about to be revealed. And these are the Books of Purpose, the Book of Life, the Book of Purpose that are opening over us. I prophesied that last month. I'll give you some more on that just a bit here. But the Books of Purpose, of your life purpose, are opening. And we're gonna be into a time of birthing.

So even though it may look and feel messy right now, trust God. He has your best interest. He's covering you right now, during this transitional season that we're in. And there's also gonna be a start of this settling down. The start of the settling is what I felt. Into the new year, you're gonna see things start to even out, and the waves won't be as intense. But the birthing pains of what's happening right now is going to turn to joy like Jesus said.

It's important that you get peace. Get your eyes on the Lord during this season right now. And God is doing something new, and it's so important not to focus on the bad. Focus on the good things. I don't know how that looks for you, but I know that I've walked through some rough times. And I just have to force myself at times to, you know, sing a song of joy or look at the good things God's doing. Look up the answered prayers, begin to speak what is not as though it is, and it shifts things over your life.

Romans 8:28 is happening right now. And all things will work together for good according to God's purpose. Now notice, this month is about purpose. Watch for the Lord's purpose to come into greater view over the next few months. And things that have been a distraction and a roadblock in the past are suddenly gonna resolve or suddenly not be a problem anymore.

You know, I released the prophetic word I just mentioned, and it was in the month of November. You can go back and look it up on the internet. It's called, *God is Revealing Your Book of Purpose*. And I talk about three books I saw. Spiritual books. They're not physical. But three books opening right now. And that's why this prophetic word this month is a little bit more into that. And I've experienced a little bit more.

The three the books this year:

- The Book of Understanding, where God is gonna give you understanding into your attacks, into your life, into your life calling. I'm already, I tell you, the Books of Understanding have opened. I'm getting understanding so much. I'm taking notes every day, making changes every single day.
- The second book was the Book of the Plans of the Enemy.
- And the third one is the greater purpose over your life, which is the Book of Your Life Purpose.

Now again, these aren't just one book. And it's not like you will miss anything here. I'm saying, God's doing this whether you realize it or not. He's releasing a greater understanding into your purpose. He's revealing the plans of the enemy. And He's giving you strategies to overcome the obstacles. That's what those three books represent, and that's what I've been busy doing right now.

So, let me tell ya, it's a time of acceleration. Amos 9:13, and this is in *The Message*. It's my favorite translation of this verse. "Yes indeed, it won't be long. God's decree: Things are going to happen so fast it will make your head swim. One thing's gonna happen on the heels of another. You won't be able to keep up ..." I love that! You know, when God begins to do something new, everything will begin to happen all at once. "... And everywhere you look, blessings. Blessings are like wine pouring over the mountain hills." Amos 9:13 in *The Message*. Write that down. Look it up. Begin to pray that in because that's where we're at right now.

Things are gonna start moving quickly. Not quite yet, but first of the year you're gonna see a shift happen. And things might start off looking, you know, a little bit slow. But watch for God to pick up the pace. Expect some exciting surprises. I just keep seeing the logjams. You know, the Lord's removing the logjam over many people right now. And things are gonna flow, including blessings financially. Also spiritual advancement, and relationships are gonna start to come together over the next few months.

God is opening a new pathway. And I saw this last year, right around this time. I think it was at Yom Kippur last year, 2018, I saw the Pathway of Life. And I helped people, I began to train people on how to open your Book of Life and how to do some things and interact with that. But this year, the Lord says get ready! Because Psalm 16:11 is happening. Look this verse up: "You made known to me the pathway of life, and you fill me with joy in your presence, with eternal pleasures at your right hand."

Now, notice this: God is gonna make known the path for your life this year and the next year. It's not limited to time, of course. But here's how you do it. Get into His presence. Get into the joy. Write down, print out Psalm 16:11. Get into the joy. Get into His presence. Begin to ask Him to reveal the path of life. And it says, "at His right hand." That means authority. So authority is gonna come for you to get the breakthrough in your storm. And you can start right now by asking God what is your path of life for this year or even overall. Also, ask Him to show you those blocks. Like I said before, ask ... I do this every day, I say, "Lord, show me what Satan doesn't want me to see." And then I ask Him to show me what my pathway looks like. What do I need to know each day. Take some notes. Get ready, because God often speaks over time.

And so, over the next few days and months, you can do this. If possible, I recommend taking communion daily. Maybe your belief system theologically doesn't line up with that, but I tell you, I started to move into perfect health, perfect peace when I started ... I started getting revelation at greater levels. Because it's the body and the blood of

Jesus. You don't have to do it ... to be, you know, you don't wanna become legalistic about it in any way. But if you can possibly do it, I tell ya, it'll open things up for you.

All right. Here. I got this. I'm gonna release this over you. And it's gonna release you from a previous season. And this is from the Lord, not from me. I'm the messenger here. But I wanna share a heavenly encounter that I had a couple of years ago, 2017 ... Actually it was December 2017, it was part of my prophetic word for 2018. But I saw it happening again right now. I had a vision in which I saw people all over the world stuck in previous seasons. And there were people who didn't know how to move forward. Many I was watching felt like they weren't released from the old, but the new hasn't opened, and they, so they were stuck in this place. Or there were things like chains, like in a house arrest. I talk about it sometimes.

And in the encounter, an angel came with silver keys and unlocked the chains that were on people. And as the angel unlocked these chains, I saw another angel holding a stack of contracts and agreements that had been holding people back. These were restraints from the past. And there had been, you know, maybe some agreements that people had made previously that didn't work out. Or maybe there was things placed upon you that you didn't understand. Maybe people became jealous with authority, or maybe people started praying against you, you know, or you started ... Like me, I get, you know, Christians praying against me because they don't like my free, loving lifestyle. That I mean, even though I'm not immoral in any way. My theology hasn't changed in any way bad. But I just love everybody, like Jesus did.

So I get Christians praying against me. Then I get the occult praying against me. And so these things can cause contracts and agreements in the spiritual realm. And maybe you've gotten used to operating with those limits that have been placed on you. I call it "house arrest." And in Psalm 118 ... This is still the encounter I was having because it's gonna release something. It's gonna release these angels. It's gonna release the keys to open up your situation. Psalm 118:15, "Shouts of joy and victory resound from the tents of the righteous. The Lord's right hand has done mighty things; the Lord's right hand is lifted high. And the Lord's right hand ..." That means authority. "... has done mighty things, and I will not die but live, and I will proclaim what the Lord has done."

Now in the encounter, suddenly the people shout as the Lord stood up. He raised His hand and began to declare these things. And the people began to shout. Some had been so distressed, they were at the point of giving up. I saw many people doing this. Don't do this, but if you have we're gonna do a release right now. But many people were on the point of giving up, and they were asking God to take them to Heaven early. Don't do that! That's coming into agreement with death. You don't wanna do that! We're gonna break that off here. And I know that I had gone through, you know, a 4-year affliction. When I actually had this encounter, I was still sick. And I'm totally healed now, and I'm releasing this.

And I watched as the people began to worship God. They stood up, and they raised their hands. And then the Lord raised His hands, and He yelled, "Open the gates of righteousness!" And the Psalm 118:19, "Open the gates of the righteous. I will enter the gates and give thanks to the Lord, for the gates of the Lord which the righteous may enter."

And Jesus said, "I tell you, I will fulfill the promises that I've made to you. The things that I have spoken to you ..." He's speaking to you right now. "... are going to come about." Now some of them might be null and void. Maybe it was a person that you thought you would marry, that ... He's gonna release something new! There's gonna be some new things break open right now. The thing is, is that receive this.

And then in the encounter still, "I'm now freeing you from the chains that may have held you back in the past. And I'm aligning you with the new season for your life. Stay close to Me," says the Lord, "and watch as I move in the midst of the storms. This is the gate that leads to the very reason you were created. This is the pathway to My presence," says the Lord, "and this is the way of the deeper things of My love and intimacy."

Then in Psalm 118:22. Now the Lord was speaking these things. I was seeing this vision as I was reading it. It's kinda complicated, but very simple. It was very interactive vision. Psalm 118:22, "The stone the builders rejected became the capstone. The Lord has done a marvelous thing in our eyes." I saw many people who had been rejected. Rejected by, you know, the previous movement. Were rejected by your family. Rejected by leaders. Rejected here and there. But the Lord is calling you out of that season of rejection and into the Psalm 118 gate of righteousness. And this is the year, if you begin to pray over this. Pray Psalm 118 as we enter into the year because there's freedom and purpose in this. There's something new. There's strength that's gonna return to you.

As I begin to pray and prophesy, this was part of my healing. I begin to declare, decree these things. And I begin to come into agreement on Earth as it is in Heaven. And that's when things change. The thing is, is that you have to get rid of anything you might be holding onto. Maybe it's anger towards the Lord. I had actually built some things up from the past where I had lost a lot of family members. I went through a difficult time. I was really sick. I'm the only prophet, you know, the healing revivalist calling off of a healing meeting sick, you know. I walked through that difficult time because I was releasing something new, and God was breaking things off me. And that is the restraints and the chains from the past seasons.

And right now, God is now gonna move on the rejected. And this is the time of the new year. Again, I had this encounter December 2017. I released part of this prophetic word. I had this section in my prophetic word for 2018, now it's two years later, I see it happening all over again. There is a plan coming for you for the new year. And God is gonna release you from the past and open that new plan. And I'm just gonna stop right now and prophesy the Psalm 118.

Lord, open the gates of righteousness that the people who have been held back, who have been wounded, who have been rejected, who've been in hidden season. The wounded warriors now arise. I speak right now that the gates of righteousness, a Psalm 118 gate open before us. Open before you, in Jesus' name. I ask, Lord, that just like You said, that the capstone that the builders rejected became the chief capstone. And Lord, we ask that You would bring about these radical changes that are needed right now. Bring the angels. Bring the keys that I saw in this encounter. And here it is happening again to bring the very purpose for which you were created.

And I'm gonna release this out right now. Again, I'm releasing this prophetic word, this piece of it that was for a couple years ago, and here it is again. It's coming back. God is releasing you from the past season, and He has a plan for you.

Isaiah 5:19, I keep talking about this. "The plan of the Holy One of Israel, let it approach and let it come into view so that we may know it." I am praying, and I decree this verse every day right now. Isaiah 5:19. Especially the last half of that verse: "Let the plan of the Holy One come into view so that we may know it." And so, this is to get you ready right now for the new season that's coming. And you're gonna want to get into alignment with what God is doing.

And one of the ways ... I mean, I've talked about so many things here. Very power-packed 20 minutes so far. But one of the things is Psalm 16:11. I talked about it already, is that the Lord is going to make known your pathway for this year. He's gonna bring joy in your presence and the eternal blessings at your right hand. So what I want you to do is pray and prophesy this over yourself. It's called decreeing. But also, ask the Lord to show you, not just what your pathway is, but what the plan of the enemy is.

And you know, when I was going through a rough time this year, I was reaching out trying to get help. And I finally ... I heard the Lord say, "Call Bobby Conner." Good friend. So I, you know, I ended up going to an event, he was near me, and in a city near me. Drove out, went to the event, told him what was going on. And he said to me, he said Psalm 16:11. He says, "You need to do this. You need to cleanse any pathways that the enemy is running on." Because the enemy runs on the pathway of worry, the pathway of fear, the pathway of doubt or immorality. Whatever it might be, you want to break those things. Cleanse those pathways, and then begin to prophesy and pray that the joy of His presence and His eternal pleasures at His right hand would come into your right hand, which is authority.

I tell you, I started that. Spent a couple months, and I got my breakthrough. And I began to work through the plan. "Make known to me the pathway of life." I'd begin to work through my plan for what God has for me this year. Then suddenly, I had this encounter with Psalm 118 once again. And I've had the Psalm 118, the gates of righteousness, so many times. It's so powerful with what God is doing.

And so now Lord, I wanna release this. Release the anointing. The prophet's reward is the ability to hear God. The ability to understand dreams and visions. The ability to interact with the heavenly realm. And I release that. But I ask that You release the reality of where we are right now. I pray that many people who are trying to figure out where they are on the path of life, on the map of life ... Show us like that red dot that you go into a mall, and you're going to a place, and you're trying to find something. And there's that red dot says, "You are here."

So I'm asking now that You would anchor us into where we are right now, to prepare us for the new things that are coming to us. The good things. You're the good, good Father. How great is the Lord's love. Oh, my goodness. Lord, so now we ask that You would also release that pathway of life for us. Show us Your plans. And I pray for the good news to be greater than the bad news, in Jesus' name. Amen.

Well, that's the prophetic word for this month. And, again, you can go to DougAddison.com, and I have some resources. And this *Spirit Connection*, I've been doing *Spirit Connection*, I think, since 2008. I got a dream and a prophetic word that was given to me by Bob Jones. He saw me doing something on the internet, cutting into the wires and frustrating the plan of the enemy. Back in 2007, I started doing broadcasts, a long time. I started blogging way back then, over 10 years ago. Been doing it ever since. And I tell ya, there's something coming right now. The internet is going to explode, and you're gonna want to get into what God's doing. Don't back down in fear.

And so, you can go to my website, DougAddison.com. I've been doing *Spirit Connection* ... We've now turned it into a weekly show. And used to be, you know, part webcast, part podcast. But now it's just a weekly internet show that's also the audios of my podcasts. You can get that. But it's about a 15-minute, normally. The first one every month, I do about 30 minutes because I'm unpacking this prophetic word. And I'm pre-taping. I used to do live. But we broadcast live every week. My team's there. You can enter in any questions that you might have. We still answer questions.

And also, DougAddison.com is my website. Consider giving to our cause. We reach people around the world. Last year, the Lord said, "Did you know ..." He said this to me. I had this encounter, and He said, "I'm raising up prophets to the world." And I knew about prophets to the nations, but prophets to the worldwide web. He's raising people up. I'm one of 'em. And I always tell people I'm a stay-at-home prophet. And I come out once in a while, of course. But it's great to come out. I'm able to travel again, but I don't go anywhere unless God tells me to go. And I have, you know, the ability to do that now because He's blessed me through the internet.

So, consider donating and becoming a partner. Our partners, I pray for the partners every day. It just means that you give something every month to us. We have a partner coach and a special website that you can join. And I do a monthly mentoring video as well with our partners. So you can donate anywhere. Just go to DougAddison.com/Give.

And also, here's what I was telling you about, is *Developing 20/20 Vision: Stepping into Your Prophetic New Year*. December 14 at 10 a.m. It's only \$20.20. It's a 2-hour online training. It's an online training workshop on how to take the things that I'm talking about here, about, you know, opening your Book of Purpose. About how, once you hear God. First of all, open up anything that might be stopping you to hear God. You need to open up the Book of Purpose over you and some practical tools and tips, as well. So just go watch the video I just did. DougAddison.com/2020. 2-0-2-0. And I hope you can be there 'cause it's a special price of only \$20.20. And we'll send you the replay in case you can't be there live. But again, it is December 14, 10 a.m. And we're really looking forward to it.

Also, an upcoming event that I have is in San Diego with Jerame and Miranda Nelson. It's *Decree the Prophetic Summit*. Myself, Jerame and Miranda, James Goll and Charlie Shamp are gonna be there in San Diego, January 1–5. So just go to my website, DougAddison.com/Events, and you'll see that. Come out! I go every year so far over the last few years. It's been a powerful time.

All right. Now I wanna do a couple of questions here because people ask. This is a question people keep asking on a regular basis:

“What's one sign to look for that God has changed my season?”

Wow, that's a good question. And there's more than one thing, but one of the things you look for is the things that used to work don't work anymore. Maybe you're in a time when suddenly you can't ... you stop hearing God or your prayers become less effective. So the signs to look for if you're into a new season is what worked previously stopped working.

That happened to me this year. In fact, I had to change everything around on how I prayed, I was, you know, I still do the basics. But I had to change things as I moved into a new season.

So one of the things to watch for when you go into a new season is also your dreams may change. Maybe you stopped dreaming, or something like that. Those are some signs that you're changing season. All of us are in a massive change right now, and you're gonna see some new things open.

Here's another question that was submitted:

“How can you open your Book of Understanding if you haven’t opened your Book of Life?”

Well, you know, without going into a full teaching on this, each year the Lord opens an assignment over you. Whether you know it or not, He opens this book. Psalm 139:16, I believe it is, is that, that, your Book of Life opens each year. It’s an assignment. So it gets opened all the time. And so the Book of Understanding helps you to see this or know what’s in it. Like for me, before I even ... like I’m a seer now. I’m a seer-type of prophet. I see these things. But I tell you, I go back to years ago before I was seeing like this, and those things were still happening whether I saw them or not. I’m telling you that God is moving right now.

And so He opens assignments up this year. He’s gonna open the Book of Understanding. Ask Him for it. Ask and you will receive. Some people don’t ask. They don’t get it because they’re not asking for specific direction. And it’s better if you can hear God on this and interact with Him. So your Book of Life technically opens, you know, it’s like an assignment each year.

This year I saw that people’s Books of Life are actually the reason they came to the world. Mine is opening this way. It’s the purpose. It’s your greater purpose, and God’s gonna reveal things. It doesn’t happen, like all at once, all of a sudden you have an international ministry and a million dollars in the bank. It usually comes with a battle. You know, usually comes with having to contend for it. That’s why I teach people how to contend for what God has for you. And I’m excited for what’s coming this year. It’s gonna be an exciting year.

So Lord, I pray for the release of this prophetic word. I pray for 20/20 vision to come into our understanding. I pray for the Books of Understanding to open. I pray, Lord, the Books of the Plan of the Enemy to open, and our life purpose to open whether we know it or not. Bring these things about in Jesus’ name. Amen.
