

Prophetic Word: A New Season of Radical Outpouring

Doug Addison [Episode 114]

February 5, 2020

Hey friends, Doug Addison here. Welcome to *Spirit Connection* podcast.

It's February 5, 2020. I have a prophetic word for the new year ... Well, it's actually for the new month, but it's gonna be an extension of the new year word that I spoke last month in January. I'm gonna extend this now into what God's doing through February and in the next couple of months. This is gonna set you up for a breakthrough that you need.

And I'm real excited to bring this, bring the prophetic word of the month or the year, and the first Wednesday of every month. And then after that, I have a weekly podcast show where we talk about the things that God's speaking right now and how to apply it to your life. So let's get going.

God, we pray for the good things to be released. I pray, God, for the Holy Spirit to move. I pray for angels. I ask now, Lord, on Earth as it is in Heaven, You would open the heavens over this podcast, in Jesus' name, and to people. Amen.

Well, if you're watching this on my website, you can type in your questions because we have our InLight Connection team. Thanks to everybody who helps me do what I do. And you can go to DougAddison.com and download my app, actually, if you really wanna stay up on everything and stay out of the negativity of the internet. It's on the Google Play Store or Apple App Store as well. Just type in my name, Doug Addison. Follow me on Facebook (@TheDougAddison), Instagram and Twitter (@DougTAddison). And follow the *Daily Prophetic Words*. Just get those things out of the way right now.

I'm excited! There's a transition happening. And the Lord spoke to me, and He told me that there was some things happening inside of you. Inside of the hearts of people right now and over people. So it's inside and over. And I'm gonna read Psalm 84 from The Passion Translation: "How enriched are those who find strength in the Lord. Within their hearts are the highways of holiness; even when their paths wind through the dark valley

of tears, they will dig deep and find a pleasant pool where others find pain.” Now, this is real important. I love this: “He gives them a brook of blessing filled with the rain of an outpouring, that they may grow stronger and stronger with every step forward, and that the God of all gods will appear before them in Zion.”

Wow. Write this down. If you can just get this Psalm 84 in The Passion Translation. It’s good in all translations, but this one just really spoke to me about what God’s doing right now. And welcome to this new season of radical outpouring. It’s starting this month. The dark valley of tears and uncertainty are coming to an end. Many people have been in, you know, the dark night of the soul, dark night of the spirit, whatever you wanna call it. The wilderness. Many people have been in the wilderness, but God is opening up a pathway for you, right now, for refreshment. And as you step out of pain, this is important, you need step out of the past. Step out of pain and disappointments, and you’ll be a surprising encounter and find refreshment coming spiritually, physically and mentally.

So God is opening up to you, according to Psalm 84, the pleasant pools in the form of deeper intimacy. In the form of, you know, deeper relationships. You’re gonna see some change happening in the relationships and in the form of discovering your life purpose. I’ve been talking about this. Watch for that brook of blessing to begin to open up. And as Psalm 84 says, you’ll start to grow stronger and stronger each day. I know I am. I’m living this word out right now, and I see things happening each day. I can’t wait till tomorrow because it is getting better every day right now. Yeah, there’s some bad days along the way, but just press in right now.

I saw this month starting the wells of refreshment. Places, you know, that people can dig deep into the Lord. It’s gonna be both internal and places to go. And so watch for God to strengthen things starting this month. Proverbs 3:5–6, one of my favorite ones. In fact, I decree this a lot. I don’t know if it’s every day, but I do. It’s “Trust in the Lord with all your heart and lean not on your own understanding; in all your ways, submit to Him and He will make your paths straight.” This is real important. Don’t worry about how things look. Trust in the Lord with all your strength, lean not on your own understanding, is for this month. You wanna put that on a sticky note or stick that up on your fridge because things are gonna start to unfold more.

Now one of the prophetic words that I had for January is the things that weren’t clear are gonna become clear from 1 Corinthians 13. That the unclear times are suddenly gonna become clear. Well, this is another step into that. That’s why I wanna add this to the prophetic word for this year, is God is moving. He’s gonna open up the wells of refreshment. Now I got this word a little bit into January. I wanted to add to it, but I knew that it would be just too big of a word. So I wanna just release it right now. And that the Lord is doing something right now. Don’t look to the past. Don’t look back at the pain. Keep moving forward. Begin to pray and decree Psalm 84. And as you do that, God’s gonna really open things up for you. Decreeing means just to pray. Pray it back to God, basically. Don’t worry if things aren’t clear yet. But in just a short period of time, you’re gonna see some greater understanding come.

He has you covered. God has you covered. He's working things out, even though it may not look like it in the present or in the natural. Just as, as you keep moving forward, don't try to figure it out and just trust that God's got it figured out for you. And He's going to build something for you. Isaiah 45:2 is another verse He told me is going on right now: "I will go before you and make crooked paths straight. I will break into pieces the gates of bronze and the bars of iron." God is busy right now doing things on your behalf. Behind the scenes, He's bringing an increase to you. In this month, you're gonna see an increase of energy and stamina. He's gonna bring an increase in healing and strength. Take it, don't, you know ... Don't think that, oh my gosh, it was just for one day, and the next day it was bad. I'm just sayin' this: Take every day that you can.

And I saw healing setting into people. You know how sickness can set in? I saw healing setting into people, and this shift is happening right now. What seemed impossible before is gonna suddenly start to become possible. And things are gonna suddenly make sense. The light of the Lord is coming. The light is gonna go on for you. So watch for new ideas, new creativity, watch for the plans to take place.

And watch for the places of freedom in your life. You might have to shift it a little bit. I've had to do that in my own life. I've had, you know, I've had an amazing time in my home office. I moved my office back home a few years ago. But now, I've had to shift that because I'm battling a lot here at home, so I had to get an external office, an office outside the house. You know, I'm doing it in a co-working environment. But I'm doing something to position myself. That's what I wanna encourage you. You know, I'm not saying to get an office, I'm just sayin' that you might have to take some moves and look for the wells of refreshing to spring up. And that's what's happening right now.

John 7:37, the last part when Jesus stood up at the feast and with a loud voice He said, "Let anyone who is thirsty come to Me and drink." This is a season, right now this month, we're gonna see outpourings of God's presence. We're gonna see the love and healing start, where it might start small and build. Don't worry about those humble beginnings. The Lord spoke to me that He's going to see once again those spiritual watering holes. Remember those places and churches and communities? Remember where they would have repeated meetings? And we're gonna see that spring up again in different places. Don't put any, you know, any limits on it or think it should be ... look like it used to. Let it happen right now organically or naturally.

And it's John 7:38, Jesus says this, "Whoever believes in Me as Scripture has said, rivers of living water will flow within them." Remember I said there's gonna be pools within and over us. So there's gonna be these individual refreshment times. I'm walkin' in it right now. And also, locations. It's like I said, I had to reposition myself to a different place that God spoke to me through two years ago. It's taken two years for me to get positioned to that other place, and it still hasn't even opened yet. But I'm just going there on a regular basis, and I'm noticing that I've gotten refreshment. So notice when you go a certain place and pray. Or notice when you're around different people. It's a time right now to take note. It's time to step up and ask God to give you the drink that He said, "If anyone's thirsty."

Right now Lord, we release the drink of the Holy Spirit. Doesn't have to be in the form of laughter or renewal or anything like that. We release that over ... And just whatever it is, let it be what it is. Joy. The goodness of God. Let it come over you right now, in Jesus' name.

Now the key to these wells ... I saw the wells of refreshment some places having, you know, starting to have repeated meetings again. They don't have to be every night repeatedly, you know, for a thou- ... or for a hundred nights. You know, it doesn't have to be that. It's just whatever it is. If God's moving, like, once a week at a ... twice a week at a place. Invite people in. Now there's a key to this, to these healing wells as they open. I want you to look at Genesis 26 with Isaac. Now Abraham, Isaac and Jacob, right? So we got Isaac who really doesn't talk a lot about stuff. You don't really quote a lot of Isaac, but he did some amazing things. In Genesis 26, it was during a time of a famine. You heard me talk about it. He went to a place other than what he would normally have gone to by his father, but he went into the land of the enemy—Philistines—and he planted his crop during the famine and reaped a hundredfold. Now that's amazing. He also got visited by the Lord there.

And in Genesis 26:19, he was so blessed that they told him to leave, you know? And so he goes off and he's gonna re-dig his father's wells, the wells of Abraham. And every time he'd try to dig a well of his father's, you gotta hear this in Genesis 26:19, you can take a look at it. Isaac's servants dug a well and they discovered the water, fresh water, there. Now this is a spiritual word, you know? Let's think of a well of revival or like Jesus said, the well of living water or a spring of living water, will flow. And so what happened is that they quarreled over it, and they said, "the water is ours." Then they dug another well, and they quarreled over that one. And they moved on from there and dug another well where no one quarreled over.

So here's the key: Be sure when God begins to move with this ... What's killed these moves of keeping these wells of refreshment and wells of revival and these meeting places, these watering holes in the Spirit. What's killed them in the past is people saying just like what they said to Isaac in Genesis 26:20, where he says, "the water is ours." Or they quarreled. Or they had disputes over it. And so I would recommend this, is don't try to own the move of the Holy Spirit. And don't think it has to operate in a certain way. This is a refreshment that's gonna start happening in places. I hope someone takes this word, you know, and starts trying it and see if they can get something going, you know. Try here. Try it there. Grab hold of this word and apply it or activate it in your life.

Then Isaac, he reopened the wells of his father. And what happened is, finally the third well that he had, it wasn't his father's well. He dug his own well. I hope you can hear this, in Genesis 26:22, you know, he said, "God has finally made room for me." And he named that well the name that meant that "there's room for you." So in other words, don't try to do what you've done in the past. Don't try to do what our spiritual fathers and mothers have done. This new move that's coming right now. I'm prophesying a move, hoping someone will grab it here or there and start, you know, doing meetings. Start doing these refreshment times because we need it right now. I'm hoping that you'll grab hold of this in your own life and find that moment of refreshment. And that God's gonna

open something new for you. You've gotta hear this! Don't do what the others have done, necessarily. It doesn't have to look that way. I hope you get that.

So Lord, we pray over this. I pray and activate this prophetic word. I activate that the wells of refreshment inside people, as Jesus said, wells of living water will spring up, or in the watering holes or the ... in places. Or even in your car you can have a ... I'm having a time right now where I just go to certain places, you know? And I don't care where I am. I just wait for the presence of the Lord, and when it opens, I just take that moment. And that's what I'm talking about. I pray right now for the activation of this word for the Psalm 84. I pray it for that coming out of those times of the past. Those times where things have been very difficult in the past. So now, we come up out of that, Lord. We come up out of the valley of tears. We now, where others have seen pain, according to Psalm 84, we say, "Lord, we dig deep into the wells of refreshment." And we ask for the Holy Spirit, and we ask that You give us a drink, Lord, of Your presence. Doesn't have to be anything on that. Doesn't have to be a drunken feeling or anything.

It's, right now actually, what He's ... for me anyway ... is I'm getting wisdom. When the presence comes, I'm getting wisdom and understanding into things. That's the prophetic word I have for this year is that the Lord's gonna give understanding. In fact, my 2020 word, I saw three books being opened. I wanna remind you. I'm gonna keep reminding you of it. The Book of Understanding from Daniel 12, similar to that, where Daniel did not understand. Ask the Lord for understanding right now. Ask Him to open the Book of Understanding over you. It's a spiritual thing. You don't have to see anything.

And then the Books of the Plan of the Enemy. The plans of Satan are now being revealed. If it's not open yet, you know, I'm telling people grab a hold ... You need to pull on this word. You need to get those books opened. I'm so busy every single day because my Book of Understanding, my Book of the Plan of the Enemy is both ... are wide open. And so, instead of battling, I'm up every day, I'm praying every day what God's revealing to me and I'm tending to those things. And I'm watching the Lord actually open things up.

And then the third book I saw opening for this year, which is in my 2020 word, is the Book of Your Life Purpose, the very reason that you came to Earth. And so, it's gonna be a year of turnaround. It's an establishment of a new era. A new operating system is coming. And your life purpose is now gonna be revealed, maybe not necessarily right away. It depends on each person. You know, this is a "blanket" word, you know, for people. But you can grab hold of it. Your greater life purpose is being revealed this year. And this year your calling and the reason that you came to Earth is now gonna come. Or those who are already operating in it, like me. I'm operating in it. Then, new assignments are coming. You could pick up assignments. Or people who are in different places of maturity can pick up the assignments from the things that other people have laid down. Now I'm gonna go into this a little bit here in a second. But that's the prophetic word for February. It's a kind of an extension for the 2020 word I released in January.

And I just wanna remind you that my *Spirit Connection* podcast is now a weekly show. It comes out Wednesday of every month [week], so you'll see every Wednesday. The easiest way honestly, if you can do it, is to get the app because then you'll be notified. If you turn on the push notifications, you'll get notified right away of my *Daily Prophetic Word* and when my *Spirit Connection* goes live or any other announcements that we have like that. But you can also get it on my website.

So, what we're doing right now, I really wanna extend an offer to you to step into a mentoring opportunity that I haven't done for a few years. And one of the things that God has called me to do ... In fact, I had to kind of move away from this message because it was ... that's what I used to do. I used to do prophetic life coaching. I used to do *Activate Your Life Calling*. I did things like that. Then around 2016, everything shifted for me. And in 2017, I had 50 days of encounters in Heaven, and I started operating in the Courts of Heaven. I started, you know, talking more about that and the *Love, Not Judge* message and things like that. But the Lord said it's time to come back. Come back around to-- (not releasing the same messages, this is way updated).

And in fact, I'm launching a new mentoring program called, *Launch Your Life Purpose: A Breakthrough Experience with Doug Addison*. That's me. Begins on Monday, February 17th and it goes for 49 days. It's 49 days! It's gonna change your life forever. You don't have to be live. It's an internet, but it's also an interactive. So the registration's open right now, and you go to DougAddison.com/Launch. But the course ... the interactive group course, which we use all the things that you might be used to already. In fact, the Lord gave me that strategy years ago where we use video, we use audio that you can download.

It's a weekly ... it's 49 days, that's 7 weeks. And some of them are live. Some of them will be live, interactive things, you know, or training within a group setting. Others will just be delivered to you week after week. And they're strategically designed to get the breakthrough for you to be able to discover what it is that you are created to do. It's *Activate Your Life Calling* from years ago, if you've ever taken it, that I ran it all the way up to 2015. It is that on steroids, in other words. It's a new release of things that the Lord had actually asked me to step back from while I was doing the Courts of Heaven and combining all these things.

So here's the thing. Here's why another reason why you might wanna do it. Is people have wanted me to coach them and do things like that. I just, honestly, it's not that I don't have time, but if I put it out there so many people respond. And I've been very busy, but I'm gonna bring back the prophetic life coaching, so to speak. And if you register to be part of *Launch Your Life Purpose* breakthrough experience, if you register for that before February ... right around February 17 or a little bit after, we're gonna do a drawing for those who register for it.

And three separate people will win a 20-minute breakthrough call with me. It's an individual call over the phone for 20 minutes, and I'll prophesy, I'll do things. It's not paying for prophecy. It's free, actually. But it's a just a breakthrough call that I'll do. Three people get chosen or, you know, we'll do a drawing. But you need to register.

Just go to DougAddison.com/Launch to look at the video as well. Tell your friends about it. It's gonna be a lot of fun. It was very similar to what we did last year, called *Diving Deeper into Your Destiny*. Combination of live and, you know, videos and things that we send you, and activation exercises that make it real for you.

Also, *Hearing the Voice of God 365* has been one of my flagship courses. And it's been a 12-month course that we did for a couple years. Well, now it's out on audio. It's coming out in March of 2020. Just wanna give you a sneak preview of that. Some people didn't wanna take the full course. But it's 36 audios that ... and a training guide as well. And so watch for that coming up, as well.

Consider giving to what we do. We are a not-for-profit organization, but we reach out to people with God's love everywhere using the internet. You can go to DougAddison.com/Give, or you can text L-O-V-E to 45888. Many ways to give. You can give via the app. Or you can become a Partner. Partners actually ... I put you on my prayer list, the Partners ... I've got the Partner prayer list. And, you know, I have it right here. And I do a special mentoring video every month for the Partners. You get invited to things. And Partners are anyone who just supports us on a regular basis. Consider that.

All right, let me do some Q&A. In fact, this month on *Spirit Connection*, I'm going to bring back a little bit more of the Q&A I used to do—almost 20 minutes, 20-30 minutes of Q&A, part of *Spirit Connection* when I release the prophetic word. For years, I spent lots of time with Q&A with people. The Lord told me to pull back on that only because I had to shorten this episode from one hour to 30 minutes. And then my weekly episodes went down from, you know, 30 minutes to 15 minutes. And when I did that, there's been ... Wow! So much happening. Many more people following. But Q&A! ... You can put your questions in. We do take them serious. Now here's a couple of questions that had came in:

What does it mean to position yourself? (I talk about this language) Or to be like in a divine alignment?

Well, think about it. You know, when Jesus went to pray, He went up on the Mount of Olives. He positioned Himself to pray. Another time when Jesus went to do some healing, He said He couldn't do it because of unbelief was in the room. He had to ask some people to leave. So, positioning yourself is doing some things that you might have to do. Maybe changing a time. Or maybe changing a place. Positioning yourself is also getting the right tools. Like right now, joining a mentoring group with me would be positioning yourself because you're being part of positioning on Earth as it is in Heaven. And then that's what divine alignment. That's called heavenly alignment.

So, someone asked: **How do I know God's plan for me in 2020?**

Well, I wish it was that easy. But I've done some training on this, on discovering what it is. And that's what we're gonna be doing together. But here's what I want you to do: Ask God to open the Book of Understanding. If you haven't listened to it, if you don't know

this, go back and listen to my January 2020 podcast where I talk about it. Because if He opens the Book of Understanding and opens the Plan of the Enemy, because usually it's put together by both of those, the enemy's trying to stop you from it. Then ask Him to open up the Book of Understanding over you, and you're gonna see something as far as a plan to unfold.

All right, here's another question: **What does it mean if God gives me a scroll in a vision or a dream?**

Well, that's good because Ezekiel 3 got a scroll. And he was told to eat this, and he was given understanding. That means God is giving you revelation right now. And scrolls or books or being given things like that in dreams, visions, means that God's giving you understanding into it. You need to ask Him to reveal it on Earth as it is in Heaven. So, that came from Heaven. Now ask Him to reveal it on Earth.

Here's another question: **Do I need to move to position myself for a divine alignment?**

Well, the answer is no. You don't have to physically move. You don't have to physically change jobs or anything like that. It might involve that, but if you align yourself with things, spiritually, then these other things will open. What you do on a daily basis. In fact, all month I'm gonna be releasing podcasts, my *Spirit Connection* podcasts, on how to position yourself. How to get the Book of Understanding open. I'm gonna be talking about it in more detail in different ways because I've been talking about it a lot already. But listen. You don't have to physically move. You don't have to physically make changes. It might involve that, but here's how you do it.

First, to "position yourself" is just to ask God. Begin to ask God what it is that you're called to do or maybe what it is that your assignment involves this year. Ask Him to show you those things. Now, once you get that ... Or maybe you need to take a Bible verse, is what I do. I take Bible verses because they're like legal documents in the Court of Heaven, anyway. You don't have to go into the Court of Heaven to do this. But what I'm saying is you can take a Bible verse. Like Psalm 37:4 is "Delight yourself in the Lord, and He will give you the desires of your heart." Also Ephesians, you know, 1:17 ... that "I pray that you would receive the Spirit of wisdom and revelation so that you may know Him better."

Now these are verses. These are good things. Ephesians 1:18 is a verse that I use. I ask the Lord, like Paul says, "I pray that God would enlighten your eyes that you may know the goodness." Now, I'm paraphrasing this, but grab hold of one of those verses. Write a couple of them down. Then, each day begin to pray those verses in. I started to pray in that the mysteries would be opened to me. A few years ago, I started to position myself in asking God. I got Colossians, a few different verses that I've talked about. Don't have 'em here right in front of me, but I'm just sayin' that if you take communion on top of it ... I recommend communion every day because it will allow you to commune with Him. Communion. And the body and the blood of Jesus is so powerful.

Anyway, thanks so much for joining me. Don't forget to check out *[Launch] Your Life Purpose* online training. And get ready for what God's doing. Just go to DougAddison.com/Launch. Or just anything that you might see on my website that might bless you. I pray right now because most of my stuff is free. I do the *Daily Prophetic Words*, most of it I release as much as I can, free. Then I go into a mentoring group like this, but I try to make it affordable. So, I'm so excited for February. I'm excited for you. I'm excited for what God's doing.

God bless you, see you soon.
