

Prophetic Word: Coming Out of the Valley of Trouble

Doug Addison [Episode 122]

April 1, 2020

Hey friends, Doug Addison. Welcome to *Spirit Connection* podcast April 1, 2020 ... and no April Fools here!

I have a word of hope about the coronavirus, about the timing of it. And at the end of the broadcast, stay tuned because I'll be releasing some free training because I know a lot of people have time on their hands right now. And I'm also gonna do some frequently asked questions. So you can put your questions in depending on how you're watching it. If you're doing one of the live broadcasts or watching this on a replay. It's gonna be a good time.

I wanna just say, at InLight Connection we wanna thank everyone for all the ways you've supported us. And we want to support you. We will remain open during this time. Our office in Santa Maria has two people there, and they're both from the same household. And so, we're grateful for Julia and her son, who runs the office there. And also the rest of our team ... we're virtual. We're in Los Angeles and we're, you know, around the United States. So we will remain open during this time. We'll be praying for you. I mention about the 5 free trainings that'll be coming. And also, I believe the Lord's just gonna open up the doors this month for amazing things.

And so Lord, we pray, open the heavens right now over this broadcast. Open the heavens over each person that's listening. We bind the spirit of fear. We bind the spirit, the coronavirus. And we ask, Lord, that You would release now healing. You would release the open Heaven because this is a time we're gonna walk through and go into the Door of Hope that lies at the end of this at a short distance. In Jesus' name. Amen.

Well, as I was praying for this and I had some visitations from the Lord. Hosea 2:15 is what He spoke to me. He said, "I will return her vineyards and transform the Valley of Trouble into a Gateway of Hope." You know, during April we are now walking through what seems to be, and what is, a valley of trouble. The Lord did say it was a Hosea 2:15 Valley of Achor (is what it says in some translations), which translates to "trouble." But by the end of April, we are gonna walk through a new doorway of hope.

I heard the Lord say, “I’m gonna turn this difficult time through the Valley of Trouble into the Doorway of Hope. And there’s gonna be things that are gonna change forever.” You know, in the midst of difficult times, as hard as they are, I wanna impart this word of hope right now. The COVID-19 coronavirus attack is a storm. It’s global, obviously. But it is a storm, and storms blow over. And this is not anything permanent. This is not “The Judgment.” This is not the end of the world. This is not Armageddon. It’s nothing like that.

This is attack against the coming revival that’s been prophesied by many prophets, including myself. It’s attack of the enemy to stop us. This is obvious. We can’t meet together. You know, it’s closed things down. Social distancing that we have to do right now to be safe. But it’s closed things down. That’s a plan of the enemy. But the Lord’s releasing something in response to this.

And there are wells of refreshment in the spirit that’s opening up to you right now. Reach out and take it. And this is the prophetic word I had for March, the wells of the spirit, wells of refreshment in the spirit are opening. This is still happening. In fact, my goodness! My entire life is changed. I’m still, you know, still having to walk through this time. Thankfully, we’re healthy and everything. But my dream life has changed. Revelation is flowing. The well of refreshment has opened. And I wanna invite you into that. If you haven’t read my March prophetic word, [it] still stands for now. Wells of refreshment or the time of refreshment’s here. Even though we might have to walk through the Valley of Trouble, I saw the Door of Hope.

And expect to see dramatic changes in April. Especially during the Jewish festival of Passover and, of course, Resurrection Sunday, aka Easter. Depends on what you call it. But Passover is April 8th through the 16th, and Resurrection Sunday, I think it’s the 12th if I’m not mistaken. But during that time, there’s a period of time that God is gonna open things up. And I heard the Lord say things are gonna break through in May. And it might take some time to get everything back on track, you know, there’s a ... I’ve heard some prophets say it’s a time of reset. I heard the Lord say it, too. This is a time that it’s gonna take a little bit of time to work it out.

But the storm that’s going through will blow through. It’s not a permanent situation. And the Lord will bless you during the storm. You can get the blessing in the midst of this. And He’s raising up the cities of refuge. And cities of refuge very similar to Isaiah 32:2, “Each one will be like a refuge, and the wind and the refuge from the storm. Like streams of water in the deserts, and a shadow of a great rock in a thirsty land.” That’s what a city of refuge is. It doesn’t have to be a city. You can be an individual. It can be a group. A household. It can be, you know, a community. But the Lord is raising them up. And I saw God raising up these refreshment places. These cities of refuge during Passover. And I saw places start to carry the healing anointing to become, you know, safe places for people to come from the storm.

And here’s the word I have, is be wise right now. As I record this, April 1st, we need to wait on the Lord for the timing. Then not start meeting too soon. Because the Lord did speak to me specifically back in March. He said that North America—this is for me,

anyway, the United States ... He said North America—He told me this on March 8th—is gonna come to a pause or a standstill. North America's gonna come to a rest. I didn't understand it at the time, but I do now! And that we would need to do this. It was a needed time to pull back. And some people don't understand that God's rest doesn't mean that you, you know, you have to lay down and sleep or spend all this time with the Lord. That just means you wait on Him.

And during this season, right now, here it is. Let me give you this word: Dreams and prophetic downloads from Heaven are gonna increase. And this is a strange time. We're in isolation, having to be responsible with social distancing. But let me tell ya. The Lord's gonna make up for this by the releasing of a season of dreams, visions and prophetic words this month in April. In fact, it's already started. I'm one of the "signs prophets" where I experience it first. I've had, like maybe the last three or four nights, I've had massive prophetic dreams. And I know that when I usually get these things, it's a sign for people and what's going on in the world.

So get ready, 'cause this month the Jewish Passover, April 8th through the 16th, get ready to (quote) "pass over" into a new season. The Jewish holiday actually reminds us of God's greatness when He gave the instructions to Moses for the Israelites to cause the destroyer to pass over in Exodus 11 and 12. So this month there's a release of prophetic "pass over strategies" for you. And when uncertain times come, like we are right now. It's economic. It's spiritual. Environmental. The health and personal attacks on your family and finances.

Let me tell you, God will release what you need. A strategy to pass over through the midst of difficult times. And we see it in Genesis 26:12 and 41, but in Genesis 26:12 we see Isaac. He reaped 100-fold during a huge downturn. And this is the time when you can ask now. Ask God right now.

Lord, give me a pass over strategy that I can move beyond just provision and provide for others. And we ask now, with the pass over strategy, that there would be repayment for all the suffering and loss of protection, in Jesus' name. Amen.

Well this is a time to be at peace. Philippians 4:7, "And the peace of God that transcends all understanding will guard your hearts and your mind in Christ Jesus." And this is the time to get into that. It's important to walk as best you can. I know we're confined to our homes and some people have, you know, the kids are home. Or maybe everyone's ... like irritable, but it's important if the best you can do is to walk in peace, even for moments, to walk in peace. God has you covered for what's going on right now. It won't continue for a long time.

He's releasing ... There's a couple of things that He's releasing right now. But there's a supernatural release of peace. I release that over you right now. I'm walking in supernatural peace. I release the supernatural level of peace that transcends all understanding. And now you might have to stop and take authority over fear, anxiety or panic when it comes to you. Bind it. Cast it out. God is releasing strategies for yourself

and for others. And we are in a time right now it's affecting people financially. Global markets are being affected.

I heard the Lord say, "Do not be afraid. Do not worry. You will recover from this. You will recover it all." I keep seeing David, like, when Ziklag was burned in 1 Samuel 30. He recovered it all. He recovered it all. If you wanna read that, 29–30, you'll realize that God's doing something new. I mentioned Genesis 26:12, Isaac planted his crop during that year in a famine. And he reaped 100-fold because the Lord blessed him. The Lord is releasing financial strategies for businesspeople right now in order to bless those who are suffering. Or is at different levels.

But this isn't the same as capitalizing off of people's suffering. You gotta hear me. In other words, those who are out hoarding things like surgical masks, gonna try to sell them later, or you know ... I guess toilet paper's not included, but who are hoarding these things are trying to make money. That's not this. The Lord is not, I tell ya, He's not in that. That is not the type of blessing that He wants to bring. But we're not gonna capitalize, but He will show you over the next couple of months especially, how you can be blessed in the midst of the downturn.

In an encounter I've had ... I think I've had four encounters with the Lord since the coronavirus has been going on. I saw the root of it. The first thing is if you wanna just go back and just google, do an internet search with my name and coronavirus updates, you'll see 3 or 4 videos that I've already released, in case you're not familiar with them. But I also had just a recent encounter about the "Joseph People" being awakened in the month of April and beyond.

But if you're not familiar with it, the Joseph People, Genesis 40 and 41. Joseph was the son of Jacob, who was later became Israel, but Joseph was a dreamer. And he ended up in the courts of Pharaoh, and he ended up interpreting a dream for Pharaoh and coming up with a strategy. He interpreted the dream of an ungodly king. You gotta hear this. And he spoke into finances. He released a strategy for Egypt to prosper in the downturn that was gonna come. Huge famine that was gonna come. Joseph got that from the Lord. And he also worked hand-in-hand with the government.

Many people have ... Maybe you've heard, you know, different people like Johnny Enlow, and Lance Wallnau and different people talking about the "Joseph anointing." I feel, you know, called in this. That I've always been in business, and the Lord blesses us. So that even right now, during this time right now, we saved up just like Joseph in Genesis 40. They saved up. I didn't realize it, but we saved up so InLight Connection, we're fine right now. I'm just sayin', we ... We're still here, in other words. We're not worrying or anything like that because we used a strategy. And I wanna release the strategy for you.

Early in Joseph's life, he dreamed. He had dreams from the Lord that God was gonna give him great authority. And then in Genesis 41, he was far from what it looked like—the fulfillment of those prophecies. He was in prison. And he ended up in prison for being wrongly accused. Then he was called on the scene to go interpret Pharaoh's

dream. Well, I wanna tell you, I had a vision. And I saw those who were a part of the financial move coming with this Joseph People (both men and women by the way). It's not male, it's both. These businesspeople, or it could be just people at home who get a business strategy.

I'm a stay-at-home prophet, and I get this stuff all the time. And I saw those who had similar callings as Joseph. But like Joseph, nothing had been working for them, and they were in a spiritual prison of fear and doubt. And they thought that they'd actually missed the Lord. And then they were positioned ... In this vision I had, this was one of my heavenly encounters in 2017 where I was actually taken into Heaven in the Treasury Room. And I was shown the Joseph People that were in front of a door that was closed. But they knew the door ... They knew it was where God had called them. And then suddenly the light of the Lord came upon them and the strategy to open the door was released. I wanna tell you, I saw this happening. And this is happening right now. Many people who have this Joseph anointing or calling that you've been waiting on. Maybe you've even lost money because the enemy's come against your finances. Maybe you thought you heard God.

And I wanna say, this is the time that God's gonna use the Joseph People. They're gonna start waking up from the wilderness in the month of April ... and May. We're gonna see over the next couple of months. And then suddenly, God is gonna give a command that's gonna bring you out of obscurity, and the plans of Heaven are gonna be released just like that Joseph got with the dream over Pharaoh. This is over the next few months, this isn't just April or May. But April it's gonna start. And it will be used, not to line your own pockets or anything, but it'll be used to help the world with finances. It's important that you become a beneficiary. A benefactor, where you can actually bless other people. I don't know about you, but I really want that.

We're doing that right now as much as we can. Like this month, normally, you know, we have the money saved up so that we don't have to charge. We do have a couple of things that we are running. We're running one or two things. But we're gonna release 5 things for free. And that's just to try to help people. But right now, there's something coming in the financial area. And God's releasing the financial bailout to the world to help open this door. So look for your Door of Hope, your Hosea 2:15 Door of Hope is gonna open. Look for the things to happen. Don't look to the natural right now. Don't look to the storm, or you might get discouraged.

And in the midst of this prophetic word, I didn't expect really to see those Joseph People, but I saw it happen. In fact, I had my own encounter with the Lord and what was just this past week, and in the midst of it I saw ... I guess the only thing I could say is they were certificates or deeds of prosperity. How to ... In fact, it said on them that it's called a Deed to Prosper in the Downturn to Bless the World. And it's to help bail people out. And so, I saw them being given out. And this is a time to get yours.

We got ours back in 2008 during the terrible downturn when the housing market crashed. And it was a terrible downturn. We sold our house ... Remember when God called us to sell our cabin in Moravian Falls, North Carolina. During the downturn, He

calls us to move. I'm thinkin' my goodness, it could be a ... you know, a different way, a different time. Lord, we just wait. But you know what happened? He had given us a strategy, and we made \$30,000 in the downturn—on our house. Because we listened to a prophetic word that a prophet had given me. Prophet Bob Jones gave Linda and I a prophetic word. And we didn't realize it that three years later he gave us the word on how to prosper. And he told us to make sure we get the water rights to our land. And that's what went up. The land and the house went down, the house went down, but the water rights caused it to go up. And I didn't know anything like that except that we made \$30,000 on a house in the downturn. I'm releasing faith over you right now. It was the downturn. It was a horrible time! And we moved during that time. We were still in debt, but then God released a strategy a short time later on how to get out of debt and never go back.

And I wanna say right now, I saw it happen with many people right now. And very similar. It was during the downturn. During the time where it looked hopeless. God's releasing something right now.

So Lord, I pray over this prophetic word. I pray that You would take the Valley of Achor, the Valley of Trouble, Hosea 2:15, and that You would turn it into the Doorway of Hope.

I saw it happening. The Lord said, "This is the time. Just walk ahead." I saw people walking through the valley, kind of like the valley of, you know, of tears. Just keep walking forward. But don't cry. Rejoice right now because God has you covered. The doorway is just ahead. It's in May. The doorway in May is gonna change things, is gonna shift everything. We are in an unusual time. We're in a time where the Lord is bringing out, you know, He's ... He's pointing out things that need to be changed, you know? He's breaking the strongholds off the Church right now. This storm is not from Him. It is from the enemy. But He will use it, of course, to break off things. And again, it isn't judgment.

So Lord, we pray right now for decrees to prosper during the downturn. We pray for the Joseph People, both men and women, to get their strategy on how to prosper in the downturn. Not capitalize, but prosper so that we can supply medical needs. So that we can supply people around us. So that we can do things, you know, for the Kingdom. And we would be never caught off guard again. We ask this now. We pray for the encouragement. We pray for the healing that needs to happen right now, in Jesus' name. Amen.

Well I tell ya, I had more to say, but I ... I'll be releasing updates, prophetic updates. I do a weekly *Spirit Connection*. And so, the best thing to do is ... Because I used to record a few ahead of time, you know. But then this, the coronavirus hit, and I had to go back and re-record because there's so much going on. So now I'm recording just one week ahead, and I'm keeping you updated. The best way to stay updated because I do release weekly and sometimes bi-weekly videos and blogs and different things like that.

So get my app, the Doug Addison App. It's in the Google Play Store for Android, or the Apple App Store, you can get it. Just search on Doug Addison App. It's free. You'll be notified, especially if you turn on the push notifications on there to get notified when I go live. You'll hear the latest, plus you get the *Daily Prophetic* delivered. And the Lord's doing something new right now. You know, last month I released a free how to break the spirit of fear, *Breaking the Spirit of Fear* online training. It was a masterclass. And it really had a great response. Thank you everyone! We enjoyed doing it. My team worked so hard on it. And the Lord told me ahead of time. We weren't trying to capitalize. The Lord told me ahead of time that before we knew about the coronavirus, I was supposed to do a free workshop online on the spirit of fear. Then this happens. And, you know, He gave me the time in March. We were already prepared for it. So then, after that, that one was free. But you could still go get the replay. DougAddison.com, just you'll see the ... see it on there.

But we also went into calling people into a *7 Day Breaking Fear Challenge*. Just go to DougAddison.com/Challenge. It starts April 2nd through April 8th, and we had planned on charging \$97 for ... but because of everything going on, we're only gonna charge \$27. Now we're not trying to capitalize. In fact, you're gonna see here in a minute that we're giving away so much. And my online training for this month is coming up as well ... will be free again. So we do have this one paid opportunity, but you have to register by tomorrow. So get that DougAddison.com/Challenge. Get in this *Breaking Fear Challenge* because it's one of the most powerful things that I've put together on how to break the spirit of fear. You get a video each day. You get some decrees to pray. I'll walk you through how I broke through the spirit of fear, as well. So again, we are gonna respond to the world right now.

We wanna build hope. The prophetic word for this month is Hosea 2:15. I'm gonna take the Valley of Trouble and turn it into a Doorway of Hope. So we're offering for free ... but you do have to sign up ... 4 of my online trainings that we really, my team and I, really like these. But you get one a week. Just go to DougAddison.com/Hope. DougAddison.com/Hope. And you'll get a weekly release.

March 30 starts *Disarming Difficult Times*, how to get through it. This is a previous training that I did. Then once a week, my favorite I refer everybody to, *Accelerating Your Time to Heal*. That was when I got healed of Lyme disease, and I got healed of multiple chemical sensitivity. And how I took a hybrid of a lot of the trainings out there, and how I was able to get set free and get out of my time of healing. That will be on April 6, free. Then *How to Change the Spiritual Atmosphere over Your Relationships*. We know that people are struggling right now because maybe you're cooped up in the house, and you might need that. And then on April 20, it's *Knowing God's Voice and Timing*. So you get ready, how to know God's voice and His timing on April 20. Again, these would be \$37 each, normally. But just due to that ... DougAddison.com/Hope. Sign up right away. They're totally free. No strings attached. If you wanna give an offering during, we'll have

a donate button. But, you know, we're not like pushing anything here. We just wanna bless you.

Then the online training that I do every month, that I normally do. I do a \$37 school-of-ministry-level training. Again this month, we want to offer for free, even though it's usually our main, one of our main, you know, ways that we are able to operate our ministry. But we wanna bless the whole world—the second month in a row. So it will be on April 25. And save that date. And it will be how to revive and thrive in difficult times. It's called *Refresh! How to Revive and Thrive in Difficult Times*. And we'll have three showings like we did before, 10 a.m. live, the 3 and 6 p.m. encores, because we know a lot of people are probably gonna sign up for this. I'm releasing a strategy on how to get out of the wilderness and how to break free of things. So that registration will be coming soon, as well. You can also donate if you want to, if you're not affected financially by this. It's great. DougAddison.com/Give tells you how, as well.

All right. Well, I wanna release just a couple of Q&A because people ask me these things all of the time.

Here was a question that someone asked: Is it God's power ... **Is God able to stop the coronavirus? And we know that God's more powerful than Satan. Why doesn't He just overcome Satan right now and stop this today?**

Great question! And the answer really lies in ... look this up 'cause sometimes the enemy will overplay his hand, like he's doing right now. Look up Daniel 7:21. This is the Court of Heaven, where Daniel saw in the midst of these end-time visions, he saw the Courts of Heaven. "And as I watched, the horn (or Satan) was waging war against the holy people and defeating them ..." So there is a place in the Bible where Satan was defeating, or is defeating. "... until the Ancient of Days (that's the Father) pronounced judgment on behalf of the holy one, on behalf of the people of the Most High, and they possessed the Kingdom."

This is where we are right now. God is issuing this, but the enemy is overplaying his hand. He's been raging war against us. Read it for yourself. That's the best way I could describe what's going on right now. It's not what God really intended.

So here's another question from Michelle, is: **Didn't God allow the enemy to do this virus release?**

Well actually, everything must be allowed, but it's like a legal ... Because notice that when this thing in Daniel 7 was in the Courts of Heaven, right? And during the Courts of Heaven, it's like a trial. And so, Satan will attack areas that we have open doors. The Lord showed me that the coronavirus is Isaiah 14:29. It's involving a snake, a viper and a venomous serpent. And you can just google this, you know, previous videos I've done on it. But snake represents deception. The viper is an unloving, religious spirit, just like Jesus called the Pharisees. And then the venomous serpent that is the coronavirus, is also a venomous serpent could be false doctrine.

So, we have an open door today. I'm not saying you do, necessarily, but we do in the Church. We might have the open door to the religious spirit of not loving people, any kind of deceptions and kind of false doctrines. This is the time that maybe the enemy may be attacking, based on that door. That's why if we have anything in common, we wanna close off these things. We wanna repent of any strongholds that's stopping revival. The religious spirit is stopping revival right now.

Some people are wondering about isolation. What do you do, you know? Because it's during this time, you know, you're stuck in the house.

I just say honor what your governments are saying about, you know, social distancing. And wait on the Lord, and wait on things to be released from Heaven. But also, you wanna stay connected with people. That's why, you know, if you can do that, if you can do it through safe ways, anyway. And the one way is the internet. If you're one of our Partners of our ministry, we do have a portal or a Facebook page that we can go to. Stay connected right now. Encourage people. Be safe at the same time. And I want you to be encouraged to help others deal with the fear and not buy into it.

And so, all right. Well, our time's come to a close. It's been a good one. Remember the *7 Day Breaking Fear Challenge* starts tomorrow. Just go to DougAddison.com/Challenge. Also the 4 trainings on Building Hope, and then the free webinar we have coming up this month.

All right! Lord, we pray that You would open the heavens right now. I pray for the anointing You gave me about this prophetic word. I pray for the heavens to open to hear Your voice to receive the decree of prosperity. Also for dreams and visions and encouragement. I push back those powers of darkness that would try to isolate and kill people, you know, socially. That's what's going on right now. And I pray that the spirit of death be bound. The spirit of fear be bound, in Jesus' name. I release peace over you.

All right. God bless you. See you next week.
