

Prophetic Word: The Seer Gift and Anointing Returns

Doug Addison [Episode 140]

August 5, 2020

Hey friends, Doug Addison! Welcome to *Spirit Connection*. August 5, 2020.

I got a prophetic word for the month of August and beyond. I've got the InLight Connection team also in the chat room. If you're joining us live, you can chat in your questions. I'll be doing Q&A at the end, as well.

Be sure to check out my website, DougAddison.com. Also the [Daily Prophetic Word](#) (#dailyprophetic), you'll find 'em all over the internet. All right! Well, let's get going.

Lord, we ask that You would open up the heavens. We pray right now for an infusion of hope, an infusion of joy, an infusion of peace. We break the spirit of fear and hopelessness. And Lord, I pray that You would open up the cures, everything that we need for the COVID-19, for the coronavirus. We break through. This is a month of breakthrough. I feel strongly we're gonna come out of this month looking different than we went in Jesus' name, amen.

All right! Well, this month the seer gift or anointing is returning. And since Pentecost, which was May 31, 2020, I started noticing my ability to see in the Spirit—it started to increase. Then God began to speak to me about this. Acts 2:17–18, “The last days, God said, I will pour out My Spirit out on all people. You sons and daughters will prophesy.

Your young men will see visions, and your old men will dream dreams. Even on My servants, both men and women, I will pour out My Spirit in those days, and they will prophesy.”

I heard the Lord say that the seer anointing or the seer gifting is going to be re-released back on ... It's not just limited to the Church, 'cause this is businesses, this is government, this is available to people right now. And it's a worldwide thing, but you gotta press in to get this. And it's gonna be re-released on the 45th anniversary of the late seer-prophet Bob Jones having his encounter, his first encounter in Heaven. He actually died. And August 8, 1995—45 years ago—and he went to Heaven, and the Lord sent him back! Said, “I'm sending you back to wake up the Church because I'm going to bring a billion youth to Myself in one of the greatest moves of all time.”

So we need to get ready for the Billion Soul Harvest. That was Bob's life. If you don't know, he went back to Heaven in 2014, but his entire life was about raising up the Billion Soul Harvest. This is the biggest revival we've ever seen. The Lord prophesied this. But also, Bob was a seer prophet. We haven't seen his type of anointing. And what happened is Bob thought that that would happen in his lifetime. And there was different variables, but it was a Habakkuk 2:3 prophetic word. In fact, the Lord said He's moving on Habakkuk 2:3 words, “For the revelation awaits for an appointed time; it speaks of the end and will not prove false. Though it linger, it will surely come. Wait on it, and it will come.”

It's one of those words the Lord told me that Bob, you know, he just had this amazing seer anointing that we've been missing. My wife Linda and I, we started our ministry, InLight Connection, 18 years ago in 2001 just after viewing a Bob Jones video about this. About the Billion Soul Harvest. The Lord said to me that I'd be part of fulfilling that prophetic word. Wow! Had no idea. We actually literally at that time at age 42, we sold everything. Everything but our bed, practically, our personal belongings. We sold it all and we went into this. We moved forward into it and begin to, you know, we mentored

with Bob Jones and John Paul Jackson, Larry Randolph and some others. And the Lord has really aligned us for this.

And we've been standing on this prophetic word about global revival. And the Lord said that the coming ... Starting in August, you know, it's not gonna be Bob's mantle or anything like that. But it's gonna be a fresh infusion of the seer type of gifting that he operated in. And the ability to see and discern in the spirit through dreams, visions, the prophetic words. Also prophetic acts, all kinds of different things. And then I also saw an army of seers being raised up for this generation.

The seer gift is not to see in visions. It's very misunderstood. It's using all the senses. We know this because of Isaiah 29:10 says, "But he sealed your eyes (the prophets) and he covered your heads (the seers)." So the prophet gift operates in the ability to see what God says, he covered the eyes. But the seer gift is like a head. A head actually has all the senses. It has hearing, seeing, speaking, sensing. It has it all! And that's why the seer gift is misunderstood. But God's gonna release a new seer anointing right now that's gonna help us get through this COVID-19 storm. It's gonna help align us for what's coming.

You know, I had gotten a prophetic word that December 31st we're gonna enter into a new season. Doesn't mean everything's gonna, you know, it will be a battle. We need to contend for this. But right now the houses of the seers are coming back. First Samuel 9:18, "Then Saul drew near to Samuel in his gate and said, 'Please tell me where is the house of the seer?'" You know, over the years the Lord has positioned strategic seers. Seer types of prophets that could give you an accurate word of the Lord in season. You could go to them. Some of them operate in homes. Others, churches. Other, you know, small meetings at hotels. And the houses of the seers are now gonna increase both number of physical houses, physical meetings, and also on the internet. So watch for internet-based prophetic seers to emerge. If that's you, maybe this is your time.

You know, I used to go to Bob Jones' house. He ministered to millions! I mean literally millions of people over the years because he opened his sofa, right on the sofa, he opened his house up for decades. People would go to his house. I went over every Tuesday, he had a, you know, he had a meeting in his house. And it was the house of the seer. There was also one that influenced my life. Give you couple of examples ... But it was in a guy's garage. It was Pastor Hatfield, the first prophet, the seer type of prophet that I'd met. And when I met him, he gave me a prophetic word that blew me away. I mean really blew me away! He said, "You're gonna come into dreams and visions." This was '92, 1992, and I was not in the place where ... This prophecy was beyond what I actually was at then. But it's what I'm doing now. Coming into dreams and visions, and also the things I'm doing right now, I was told this by a seer type of prophet who had a meeting in his garage.

Then another one that really impacted me was Brother Albert in Campbell, California. I don't know if he still meets. I think his last name is Ramirez. But his door was always open. They had a Thursday night meeting at a hotel room. And you'd get a tape, you know, he would prophesy over everyone. But he's a seer type of prophet. He also is the one who told me that I would get healed of Huntington's disease. When we launched InLight Connection, I was an out-of-work pastor and the Huntington's hit my family. He said, "You're gonna get healed of this disease, and within one year I see you traveling back and forth across the country showing people a new way to do evangelism." And sure enough, that's exactly what happened.

So those houses, you know, one was in a house, one was in a garage, another was in a meeting, you know, in a hotel. Could be in a church, doesn't matter. The Lord's gonna raise up the house of the seer. Gonna be live and online. And I'm gonna just say, if that's you or if you know someone, we need to step up right now and get those accurate words from people. Start opening things up. I've opened up my prophetic consultations. I can't do a lot of 'em, you know, I'm pretty busy. But I opened the house of the seer up

for me to be able to help people get up to a new level. Those who need a breakthrough in their life. And I don't have that many, but I'm just sayin' I'm activating this word.

God wants to open your eyes. Here's what the seer gift's gonna do. It's gonna open your eyes and break fear. Second Kings 6:16–17. If you wanna decree this, this is 2 Kings 6:16–17, “Do not be afraid (this was Elisha, told a servant that was with him); those who are with us are more than those who are with them (or against us). Then Elisha prayed, ‘Open his eyes that he may see.’ Then the Lord opened his eyes and he looked and on the hills he saw the horses and chariots of fire around Elisha.”

I'm gonna say right now, Lord we wanna break the spirit of fear. Help us to see that more is with us than against us. Help us to see now. Open our eyes. You opened my eyes. Now I pray for people to have their eyes opened in this season right now. You don't have to be a prophet. You don't even have to be a seer. You can operate in this because it's access to every gift. So Lord, we pray that in Jesus' name, amen.

Well here's what to expect—or first of all—what not to expect is the goal, really, is not to see angels. Don't expect to see the Lord or be disappointed if you're not. Ephesians 1:17, “I keep asking that the God of our Lord Jesus Christ, the glorious Father, may give you the spirit of wisdom and revelation so that you may know Him better.” The goal of the prophetic is to know Him better. The goal of everything that God is releasing right now. The best thing to do is let go of expectations of what that might look like. You don't have to see the Lord. You don't have to see angels. Instead, look to God and ask what you need. Ask Him what you need. Ask Him to reveal His love and to give you wisdom. Greater level of understanding—that's coming to us right now.

And there's also gonna be an increase in dreams. We're gonna see the dream and the understanding of dreams start to increase. I saw Genesis 28:12, Jacob's ladder, “And he had a dream which he saw a stairway resting on Earth and its top reached the

heavens, and angels were ascending and descending on it.” Now you can expect Jacob’s ladder to open over you. The dreams are gonna start to increase next couple months, my goodness, angels are already there. Jesus refers to this, by the way. He brings it into the New Testament in John Chapter 1, somewhere in the 40s, I forgot it’s ... He was dealing with Nathanael. He gave him a prophetic word that He said, “You’re gonna see angels ascending and descending on the Son of Man.” In other words, this is a real thing. This is real. It’s written in both the Old Testament and New Testament. I saw Jacob’s ladder being placed over people right now. And the ability, whether you see them or not, you don’t have to see to have this happen. I’m a seer. I see stuff, but I don’t see everything. I just know. I just know it’s there. So you might need to take this by faith.

So God’s gonna unblock dreams. Many people have been asking. In fact, one of the frequently asked questions in a training I’ve been doing just recently on the seer anointing and seer gifting was, **“I’ve been blocked from dreaming. I used to dream.”**

Well, here’s the deal. Maybe some people dream and can’t remember, and you’ve been kinda stuck. We are in a global attack right now. Keep that in mind. The angels are quite busy. We’re in a global attack right now, and there’s a storm that the enemy wants to stop you. On top of the storm, he wants you to stop getting revelation from God. And you know, if this is you, I’m gonna do a prayer that’s gonna open this up. It’s gonna open your eyes, it’s gonna open the dream world.

I had to break through. I was getting hit! Man, I wasn’t getting the revelation in dreams quite as much, and I took authority. I took a drive, actually, get out from my area. Take a drive, because one of the things was locally in the L.A. area that was trying to come against me. That’s why I took a drive to be able to break this open, as well. But here’s what I want you to do. Matthew 16:19 talks about the keys of the Kingdom. “I will give you (this is Jesus talking) ... I will give you the keys of the Kingdom of Heaven, and whatever you bind on Earth will be bound in Heaven, and whatever you loose on Earth will be loosed in Heaven.” There’s an attack right now happening on Earth, you’re being

bound on Earth. This attack is happening on Earth to stop you from hearing from Heaven.

So first, Lord we repent for anything that we may have done, knowingly or unknowingly, that has stopped revelation, hearing the Lord, or dreams or any level of encountering You. Now we stand holding the keys of the Kingdom from Matthew 16:19, and we ask Lord, we bind on Earth this attack and we close it off. And now Lord, according to Matthew 16:19, with this authority and the keys of the Kingdom, we bind the attack of dreams, of not getting revelation from God that's being stolen. We bind demonic forces. We bind witchcraft right now.

And we loose or release the dreams, the solution of dreams. The interaction. The revelation. The backlog. Some people have a backlog of revelation coming to 'em. We open the heavens now. Lord, open the heavens and give us insight. Open dreams and visions, and the ability to hear You and know You, and know Your will. The spirit of wisdom and understanding. We activate the seer anointing and the houses of the seer over this prophetic word that You've give me for this month. And it's just an encouraging time. We do this in Jesus' name, amen.

Well, whe-e-e-e-w! That's a powerful one. I know we're gonna hear some people getting opened up. It might take some time. Just keep firing at it. The thing is to get out of discouragement. Don't stay in that place of discouragement. Don't let the enemy hold you down. And it's a time right now that we need that solution. I saw the solution of COVID-19. It was actually released sometime in the month of June. And the anointing for it, also the medical solutions. There's more than one being released. And we need to break off the spirit of fear and hopelessness. We need to step up and not step back. Don't shrink back right now. Step up into what God has.

Be safe and still have faith based on what you need. My needs are different. My wife and I, we social distance a little bit different than other ministers because of our, you know, couple different factors with the health of people around us and things like that. But at the same time, we're standing in faith. We are being, you know, we are standing up and saying, "enough is enough." We're storming the gates of Heaven and saying, "Lord, release the solutions right now. Release the solutions, in Jesus' name. Amen." Whew! Man, it's a powerful time.

DougAddison.com is my website. And I've got a training coming up I wanna tell you about. And it's gonna be a powerful one. In fact, we just did [The Seer Anointing](#). And now by popular demand, I'm gonna be doing a ... something I haven't done in a couple of years. And it's how to discern God's voice. This is called, [Discern God's Voice: How to Know You're Hearing God Accurately](#). How to know you're hearing accurately. And August 22, 10 a.m. to noon. It's an online workshop. It's normally \$37, but if you ... the next couple of days it's only \$32 if you register right now. If you're a Partner you get another 10% off that. DougAddison.com/Discern. Watch the video, take a look at it.

But couple of things that's gonna happen. I really believe that God's gonna move in the area of helping you to be able to distinguish good from evil. To be able to know the difference between your voice, the Lord's voice and the enemy's voice and other sources. And I've been training people how to do this. I did a training couple years ago on it, and it was based on the 5 principles that I was using at that time. This is updated now for our season that we're in now. How to learn to discern. How to know that you're hearing the Lord. It takes some practice, but I'll give you some exercises, some tools, to be able to do it. It's gonna be a lot of fun. So mark the calendar, or actually just sign up right now for that.

Consider giving to what we do. We're an online ministry. We reach around the world. DougAddison.com/Give. Or you can text the word L-O-V-E to 45888. 45888. Go to DougAddison.com or actually you can do it on our app. If you haven't gotten [the app](#), it's

in the Apple App Store, or Google Play, as well. And [pick up my app](#) because if you turn on the notifications, you get notified when I go live, you get notified daily of the [Daily Prophetic Words](#), and different things like that. And it is free.

All right! Wow! I feel a powerful time coming on, and this is definitely a season of shifting. And the thing is to stay on course. Don't get discouraged. Don't get sidetracked. Getting a lot of questions right now, actually, one of the number one questions that I get is **"I'm not able to dream, or I used to be able to dream."** And that's why I just did what I did. I actually changed the ending of *Spirit Connection* this week so that it would include something on dreaming. Because, you know, people aren't able to dream, and we're moving into a season of dream. That's why I changed the end there.

If you're not able to dream or not able to hear God, go back through and listen to this again. Get the keys. I prayed. I said, "Lord, give me a verse. What do we need?" You know, I was looking for a verse to, you know, to decree. Maybe we need to find something to decree when it came to opening up the heavens over your dreams and hearing the Lord. And He told me this! He said, "Just tell [them] to hold the keys of the Kingdom, take authority over and bind that on Earth that it will be bound in Heaven. And loose it over you." And that's what we just did. So that answers a lot of the questions that we got in.

Another question we're getting right now is about numbers.

You know, people notice that there's numbers appearing everywhere, and I get them. I get them a lot. And if you have a clock, as the seer ... boy, you're a prophetic seer already. If you have a digital clock and God's speaking all the time, like the number 333 comes up. And I tell ya, I just saw this one for the first time. Three is usually the number of the Lord, but 333, I just remembered this. Is Jeremiah 33:3. When you see 333, look up Jeremiah 33:3, "Call upon the Lord, and He will answer you." In other words, He's saying, "I have an answer for you. You need to press in and get it."

222 means that things are about to double. Could be a verse, as well. 111 or 1:11 could be Deuteronomy 1:11 which is, “I want to bless you a thousand times,” or things are about to line up. Or 11:11 could be the Deuteronomy 11:11 is when the Israelites moved into the Promised Land. They got out of the wilderness. Deuteronomy 11:11–12 is where they’d gotten out of the wilderness, they’re finally going into the Promised Land. And in verse 12, Deuteronomy 11:12, you wanna decree this. Moses said, “This is not the land you came out of like Egypt, that you had to till by hand or by foot like a vegetable garden.” He says, “Nope, this is a land that drinks from the rain of Heaven.” And that means that you move into a season.

That’s what we’re in. We’re in a season of getting under of the rain of Heaven where we’re blessed in the downturn. We’re blessed to be a blessing. You know, we are in this season where we’ve positioned under that, the Deuteronomy 11:11, and we’ve been seeing 11:11 for a long time. We haven’t fully made it, but I tell ya, we’re paying it forward all the time. And we’re paying back things. My wife and I, we got money from our government, you know, to help us out. You know, everyone got the checks. We paid ours forward and we heard that we’re getting more. We’re gonna pay those forward again. And we just keep giving into. If you have that money, you know, if you have the ability to do this, pay it forward right now, whenever you can, ‘cause it will come back to you. It’s a powerful time!

So if you wanna know more about numbers, my book [Understand Your Dreams Now](#) is one place to take a look at it. [The Dream Crash Course](#) talks a little bit. But also, you wanna do something right now, just do an internet search: “Doug Addison, what do numbers mean?” “Doug Addison, what do numbers mean?” And I have a blog post, actually a couple of ‘em, but I have one particular one that will come up and give you some of the meanings of the numbers. ‘Cause people need that right now, and things are lining up. And there’s no formula for this. You know, a lot of times it could be a Bible verse, or it could be a date, it could be different things like that.

All right! Here's some more questions. These are about the seer gift. **“I have a sense of smell in the spirit. Is that possible? And what does that mean?”**

Well, a lot of people are asking this, and yes, it is a spiritual gift! Remember that Isaiah 29 that He covered the heads of the seers, [it] includes the ears, the eyes. The nose talks about discernment. The ability to discern. It's discerning of spirits. I have that gift too, and you know, when something's fishy ... you smell something. Maybe sometimes I'll get something or I'll smell something and like a foul ... Or I'll smell the sweet fragrance of the Lord will come in. And so that's a discernment level. And you know, or memory. Think about it this way. You can also be in your memories. I'll suddenly get a memory of something. And it's the seer discernment gift is very misunderstood.

And I'm gonna be releasing more on this. On [The Seer](#), boy we had a really big, a very big turnout and response to my Seer workshop. But we're gonna be doing *The Seer, Part 2* very soon. So we'll also be ... if you didn't get a chance to take that, we'll release [The Seer 1](#) again. But this is happening right now. It's gonna happen. I just feel it really strongly. God is releasing that sense of smell and the smelling in the spirit. It's the “discernment of spirits” people. You're very misunderstood. I'm one of 'em. And you just need sometimes just need to listen and obey and pray. Most of the time, it's just to pray.

All right! Here's another question. **“Is there a difference between seer prophets and the watchman calling?”**

Ezekiel 33 talks about the watchmen, and also Habakkuk was a watchman. And the watchman is a prayer, you know, is a prayer and intercession person. And the seer, actually there is ... It's just two ... You can be both. I'm both. The seer is a type of prophet. Now we have two schools of the prophets (schools meaning two streams that people operate in, you know). And one is the *nabi* prophet, n-a-b-i—nabi prophet. That's the Hebrew word for “flow or bubble up.” And those are the types of prophets that just

bubble up and give a prophetic word, “Thus saith the Lord.” They just, you know, go this flow. But then the seers, though, I can do both, but I flow in the seer. The seer sees things. I see the name written over you. I see the word “joy.” I see this. And then you have to interpret it. So the seers don’t just flow. I go back and forth between the two. But my primary gift is to be in the flow of getting that seer where I have to think about it and explain it to people.

But then the watchman calling is how you operate in it. You can be either one of those, but the watchman is where you see things for the nations. I have that. I get up and I see things for people. I see things for the ... I have that watchman gift. I’m up every day early praying and I’m watching. I’m waiting and watching for what God is gonna say. And so the seer and the prophetic gift works, but the watchman is a specific type of calling. It’s similar to prophetic intercession. We need more of it right now. God has called many people to operate and to flow in the intercession gift. And I wanna just say right now, we need to step up. We need to stop believing that we’re going down. We need to not come into agreement with fear. And we need to storm the gates right now. Storm the gates of Heaven.

And we need to storm the gates and just say, “Lord, release this we pray. We come into agreement right now. We say Lord release, release, release from Heaven the things that have been held back from us. The repayment for all that’s been lost with jobs and loss of life. We pray for the repayment of things that we, we should have already been operating in but for whatever reason we haven’t been able to. We speak right now the justice system to come into place. That all the injustices that we’re seeing would now be amended, and the things would start to happen. We ask this now in Jesus’ name. Amen.

Whooooee! All right! Well remember, watch for the seer gift that’s starting to come, the seer anointing’s gonna pop up, come back online. Be sure to sign up or go look at my

video on how to know if you're hearing God accurately, discern God's voice. And it's August 22nd, 2020. And you can go there, DougAddison.com/Discern.

And also, just be at peace right now. I tell you, I've moved into a time of peace. And we're coming out of a 7-year season. I'll talk more about that next month. But 7 years ago, 2013, we walked through a 7-year season in which God is now bringing us into a new time. So just be encouraged.

All right. Look forward to seeing you next week.
