

Prophetic Word: Infusions of Hope, Strength, Peace and Power

Doug Addison [Episode 153]

November 4, 2020

Hey friends, Doug Addison! Welcome to *Spirit Connection*. November 4th, 2020.

And I have recorded this prior to the election, so I'm not sure exactly how it came out. But I just want to speak peace into this whole spiritual atmosphere that's going on right now. And I have a prophetic word for the month of November.

My InLight Connection team is in the chat room if you're on my website, which is DougAddison.com. You can actually put in your questions. We monitor all of the channels that we're on right now with social media. We value your questions! And I'll be doing some Q&A at the end, as well.

You can follow me on social media: Facebook (theDougAddison), Twitter and Instagram (DougTAddison) and on YouTube (Doug Addison). The reason I have all the different ones is because I started on this a very long time ago before I realized that I probably should've had one name, that social media was gonna be that big. Yeah, that's how long ago! But you can grab my [Daily Prophetic Words](#) (#DailyProphetic). Let's get rollin'!

Lord, we thank You. We have the elections in the United States and, no matter what happens—You're still in charge. We pray for peace in the atmosphere. There's a spiritual atmosphere that is all stirred up right now. And we just pray for peace. We pray, Lord, for the anointing to heal coronavirus. And we ask,

Lord, for the supernatural anointing plus the cures to be released, as well. We pray for the ones who are the first responders in the hospitals and things, and just are very tired right now, I can imagine. Or anyone who's lost a loved one or lost a job, we just ask for the supernatural grace to come, in Jesus' name.
Amen.

Well, I've got a prophetic word for the month of November. It's *Infusion of Hope, Strength, Peace and Power* is here. I saw the Lord releasing angels and infusing people with a new wind to get through the situation we are [in] right now. Habakkuk 1:5, the Lord spoke to me this, He said, "Look at the nations and watch, and be utterly amazed. For I am going to do something in your days that you would not believe, even if I told you." The Lord's gonna bring about some surprising changes starting this month. It's gonna unfold over the next couple of months.

He's not forgotten you. He's moving behind the scenes, beneath the surface. He's really bringing things into place for a breakthrough in the midst of the storm. Now, the key to this is to stay at peace, and trust. Stay at peace, and trust. Watch for God to answer some prayers and bring some breakthroughs in your life. And He's been sustaining you, really. Now is a time that He's sustaining everybody to take us through this time because the enemy is the one who unleashed this in the world. But the Lord's still been ... He's still in charge. He's still working things out.

But He's giving people infusions of hope, strength, peace and power. And there are ministering angels being released right now to help people get a new wind in the Spirit. I'm gonna release this. It's a powerful word and an anointing that's coming with this. And so, I heard the Lord say, "Do not be afraid. Stay at peace."

So, the first thing that He's releasing is the infusion of hope. Romans 5:5, "Now, hope does not disappoint because the love of God has been poured out in our hearts by the Holy Spirit who was given to us." So, it's that hope of the Lord. It doesn't disappoint.

Many people have been experiencing this heavy grief and discouragement. Have you felt it? I feel the vibe of that, but I won't stay there. I rise above that. I don't stay here on this level where there's all kinds of confusion. There's, you know, a vibe and there's negative stuff. You rise above that. And when you rise above that, you can get into the peace of God. You can get into the hope of God.

And there's been a cloud of discouragement, and the Lord's clearing it out. So, watch as God does things that's gonna really surprise you. You'll know it's Him. He's gonna leave His calling card this month. And if you really wanna jump into this, it's fun and laughter will help you. It's the joy of the Lord will get you out. I have to do this for myself. I have to put on some fun worship, put on the joy of the Lord, you know, or step into the joy of the Lord, as well.

So Lord, I release that right now, the infusion of hope. I break off discouragement.

And the next one is strength. An infusion of strength. First Thessalonians 3:13, I love this one in *The Message*. "May you be infused with strength and purity; filled with confidence in the presence of our God." Maybe you've felt tired lately. Some people have been tired. I tell you, I can find myself getting pulled into it, especially if I'm listening to the news or, you know, start to think about the situation. I just rise above that. And maybe you've felt like things have been so discouraging. Well, God's inviting you right now to step into supernatural strength and get a second wind of the Spirit.

He's bringing about healing for those who've been giving a lot. Like I saw people who were giving a lot and not getting much back, and maybe have been feeling down from the whole situation maybe you're in or something. I've just been ministering to these things the Lord showed me. The Lord's gonna reveal more into your health and show you how the areas of attack and bring that supernatural energy. Now, this isn't just for

people who are down. The Lord's doing this at all levels. God is releasing a supernatural infusion of strength and a new wind of the Spirit.

So Lord, I release that—I release that supernatural strength and the new wind of the Spirit, in Jesus' name.

The next one is the infusion of peace. John 14:27, "My peace I give you," Jesus said. "I don't give it as the world gives it. But do not let your hearts be troubled, and do not be afraid." That's for today. If you want to get through this time, if you've been discouraged, start to decree John 14:27 because the peace of God is there. And breaking off fear, breaking off these things that's in the world today. So, it's very important to learn to stand in the midst of any storm.

Satan has over-attacked. He's overplayed his hand against us. And he's been trying to take away our peace. But the Lord is releasing a new ability to stay at peace in the midst of the difficulties in any circumstance, in any situation, to stay at peace is important. And as you step into this, you're gonna become contagious in a good way! You're gonna positively affect those around you. I do this all the time. I walk up the street, or I'll do things safely, of course, during this time ... but I'll walk into an area, just release the presence and the peace. People start laughing. They don't know why. They don't know. Doesn't matter. I don't say a thing. Just your presence is gonna come and shift things.

Right now, Lord. I release this over you. I release this in the name of Jesus, that God would give you that infusion of supernatural peace. Receive that right now. Breathe it in! It's here.

The next one is the infusion of power. Micah 3:8, one of my favorite verses, "But for me, I am filled with power, with the Holy Spirit of the Lord." I tell ya, that's one I used to decree all the time when I was running low on energy and, you know, when I was

walking through some times, I decree Micah 3:8 every day. And I'd breathe in this new power. Breathe it in! It's here. You know, God is actually ... He's strengthening you. So, watch for Him to release new power that you can stand up and battle. You're gonna get a power to battle over your situation. And we need to overcome the attacks that have come against us. Many people have felt powerless against the pandemic, against all the stuff going on, maybe against losing your job. Whatever! Powerless over 2020, the attacks of 2020. But God is bringing you new power of healing, the ability to overcome, that anointing is coming right now.

So Lord, I release this over people. I release the infusion of power. Sh-o-o-o.
Yeah, let that soak in right now. Let that ... soak in the ... Who-o-o! Soak in that presence and the power. Wow. Let that come over you right now, in Jesus' name.

There is an infusion of hope, strength, peace and power coming. And God is gonna do some greater things right now. That's what He said to me. Habakkuk 1:5, He said, "I'm gonna start doing some things that you won't believe if I told you." 'Cause I asked Him, I said, "What are You gonna do?" And He says, "I'm gonna do Habakkuk 1:5. I'm gonna release things that's gonna surprise people, no matter what it looks like on the outside." He's doing something, and He's moving right now.

So Lord, we just take this word. We ask that You would apply it to our life. That You would activate it. We pray for those things to come now on Earth as it is in Heaven, in Jesus' name.

Well, it won't be long. The Lord said Amos 9:13 in *The Message*. I really love this verse. "Yes indeed, it won't be long. Here's God's Decree. Things are gonna start happening so fast that your head will swim, one fast thing over the heels of another. You won't be able to keep up. Everything starts happening all at once—and everywhere you look, blessings! Blessings like wine flowing on the mountains and the hills." Now see, that's

coming to us. It's not quite here yet. You can step in it. I'm in it right now. But just overall, you need to battle to get this. I'm walking in this right now. I'm walking in Amos 9:13. Things are happening quickly around me. You know, it's like wine dripping off the hills. You know, you can do this. You can step into this place. It's coming! This is what's coming in the near future, as well. I just meant overall, you know, in the greater level.

There's a flow of refreshment that's available to you right now. And you can get it early. And there's a shift happening in the spiritual realm with the pandemic as well as, you know, things that we still need to deal with. The Lord's raising up a remnant to walk in these blessings that I'm talking about here. He's raising up a remnant so that you can go out on the battlefield because that's where we are right now. Bring His glory. He's shifting the spiritual atmosphere to prepare us for what's coming.

So, I just wanna give this word. He's calling you right now to no longer be under your circumstances but be over them. Instead of being under your circumstance, you need to be over them. Wow! It's a powerful time right now. And I'm expecting things to happen at a greater level. I just wanna release this. Just the peace, you know, especially in the United States where we've just had the elections, and you know, I didn't ... The Lord didn't tell me, actually, who was gonna win the elections here. He didn't say anything at all. You know, I've been praying over it. Been really praying over things, and really just ... What I'm all about is helping you to get through this time, get into this new season and grab hold of what God has. And there's a shift coming. The enemy overplayed. He came with a wave against us. And it's like a ... you know, when the enemy comes in like a flood, the Lord says that He raises up a new standard. And he has, indeed, come in like a flood. And the Lord is raising up a new standard.

So, here's the thing is don't get hung up in arguments. The Lord told me, He said, "You need to really be specific about this and begin to pray." And I had released a prophetic word last month, the call to pray. It was on Episode 149 of *Spirit Connection*—[Prophetic](#)

[Word: Urgent Call to Pray in October!](#) But it wasn't just for October. It was over the next few months. So, I want to encourage you to stay in that place of prayer. God is releasing the watcher anointing. Habakkuk 2:1, "I stand at my station and watch." Whether you're an intercessor or not, the Lord is releasing this special anointing for us right now to pray. And you gotta step into it. Doesn't matter how long you do it, or whatever, but Jesus modeled for us the power of prayer.

We also can shift the spiritual atmosphere from complaining to believing, from fear to faith and from protest to praise. The Lord showed me this is that we need to step ... I mean, I'm not saying you can't protest or anything like that. But that there's a spirit of protest that gets in there and tries to turn things. But we need to get out there and start praising in the midst of the protest, and we're gonna see some changes happen. As we're walking through these storms, now Jesus, He did this several times. In Matthew 8:24, a furious storm came and swept over the boat. Satan tried to kill them. You know, big storm comes. Demonstrated. He was sleeping in the boat during the storm. Then He gets up and rebukes it. So, He does take authority. He slept, and then He commanded it, "Peace, be still." And the water listened to Him!

So, I believe that you can speak to your storm in the same way. And you know, Jesus said in Matthew 14:27, in the midst of the storm, He said this, "Take courage. Do not be afraid." Matthew 14:27, "Take courage and do not be afraid." So, here's another one. Isaiah 59:19, "When the enemy comes in like the flood (like he's doing right now), the Lord will indeed lift up a standard." And so, no matter what your storm is right now, God has promised you, and He is raising up a new standard. In fact, the Lord says this, "I will never leave you. I will never leave you."

And things are moving quickly right now, and I believe the Lord's using the storms right now to mature us, to help us. To make sure that we stop grumbling and blame shifting and giving in to fear and hopelessness. We wanna be prepared. In Hebrews 13:5, He says this, that "Never will I leave you. Never will I forsake you." So, here it is. If you're

having trouble with that, with isolation and loneliness, Hebrews 13:5. It's the Lord's promise. You can take that to the bank. You can take that to the Courts of Heaven. And the Lord is gonna cause things, you know, to suddenly shift. We will see this. I'm not sure when, but Satan has unleashed everything against us to try to stop revival from happening. And we need to break out and move forward by trust and faith.

Also, repayment will come. Joel 2:25, "I will repay you for the years the locust has eaten." The Lord's gonna be ... He's moving right now to repay for the injustices that are happening, as well as financial. And we will see through this, I'm tellin' ya. And it will require you to come into agreement with Heaven and God's character, and not the plan of the enemy. It's important to do that. And when you do that, it will shift. And we need to respond with love and do the best we can to stay at peace and stay out of discouragement. This is important right now, especially with the negative spiritual atmosphere that's around us. Wo-o-o! It's stirred up everywhere.

So Lord, we pray and activate this prophetic word. We pray that You would raise up that new standard. Bring in the flood from Heaven to overcome the flood of the enemy. We pray for the justice system to kick in. We pray, Lord, that You would bring things on Earth as it is in Heaven. Increase the anointing. Increase peace right now. Increase the hope that we need. Hope does not fail. We pray, Lord, that You would increase these things. Increase our strength. Increase our love for one another. We pray these in Jesus' name. Amen.

Wo-o-o! It's a powerful prophetic word! You can take that one to the bank, too. The Lord's moving right now. And wow! I'm excited for what's coming. I've got a new training coming, and I do ... it's like a school of ministry, almost. It's like being part of one. My monthly, online paid sessions—a "live"—I do two hours of training. But you don't have to be there live. If you can't, I give you my notes, and sometimes there's handouts and exclusive ... There are always exclusive offers inside them. And they're very affordable. And they're available every month I do one, usually.

But I'm doing a really powerful one that's coming out this month, in the month of November. And it's called, *How to Be at Peace in Any Storm*. [How to Be at Peace in Any Storm Masterclass](#). It's Saturday, November 21st. It's at 10 a.m. Pacific Time. Again, you don't have to be there live. We have an early bird offer, \$32 until November 8th, and then after that it's the regular price of \$37. [DougAddison.com/Peace](#). Go to that page. I recorded a little video, too. Talks more about it. And I think it's gonna be, my goodness, I'm gonna show you how to operate in the "new abnormal." I'm gonna talk about perfect peace, how to step into it. Also, how to develop a 3-cord attack against the enemy using peace, love and hope. How to overcome the spirit of fear. How to eliminate stress and anxiety in your life. How to deal with isolation and cope with those who maybe you don't agree with. Also, some biblical strategies and biblical principles that will help you. [DougAddison.com/Peace](#).

Consider donating to our cause. We are a non-profit organization, been going now for 19 years! My wife, Linda, and I founded InLight Connection 19 years ago. And so you can give, [DougAddison.com/Give](#). Or you can actually see the different ways to give there. Become a Partner! Actually, our Partners are people who give every month. If you just commit to giving every month, we invite you then ... There's several fun things that'll happen. You get discounts on everything, and also you get invited to my Monthly Mentoring Session. It's a monthly mentoring meeting with the Partners and Students in the behind-the-scenes stuff. Been doing it for a long time. It's a live video where you can ask me questions. You can interact. We also have a private training portal, a Facebook group, and we always have a Partner Coach. Used to be called a pastor, but she's a coach. And our Partner Coach and our whole team that supports you is part of being a Partner or a Student, as well.

So, anyway. Wow! Real excited about what's coming. And I wanna encourage you to be encouraged. So, I've got a few questions here. We do the Q&A every month. And these are some things that we didn't get to on some of the other events that I had done.

So, here's something from Anna. She says ... she asks this, **“What do you do when you don't know what the 3-cord attack of the enemy is?”**

Now, I talk about 3-cord attacks. It's Ecclesiastes 4:12, “One can be overpowered, two can defend themselves; but a cord of three strands is not easily broken.” Now, that's a principle of the Lord. That's why, when you start going through things in your life, you don't wanna be alone in praying. Listen to me, 'cause it says, “One will be overcome.” You can be overpowered. You come into agreement, you can at least defend yourself. You get three people or more, then, you know, it's harder to break. Now, the enemy has learned this principle, as well. He tries to come at you. It's one of my teachings I do. It was a revelation I got about the 3-cord attacks against you.

And so, Anna was asking, “What if I don't know what it is?” Well then, if you don't know then, you know, maybe there isn't one, you know what I mean? What I'm saying is if there's areas of your life where the enemy's kind of overpowering you, the Lord might show you that it's a 3-cord. Doesn't always have to be. It doesn't have to be a 3-cord attack. So, to bring some balance to my teaching, it's these areas of your life where the enemy tries to come in. He comes in like a flood, and he actually gets open doors. That's the key here. Open doors can happen if we have areas of sin that we haven't dealt with or maybe some generational curses or some things like that. Those are called “open doors.” And it takes time, though. You can learn to discern these, as well, and you can get them closed.

And here's the thing. I am a believer. In fact, I live just the fullness of the cross of Christ. And you know, I live in that ... Jesus did it all, the blood of Jesus, the Word of God is everything! And so, some people say to me then, “Well then how come you're doing these deliverance and different things like that?” Here's the thing. If it's working for you, if everything is hunky-dory. Everything is good. You're not seeing any attacks in your life. You're blessed financially. You're not sick. Then sure! My goodness! The cross of

Christ, the fullness of the cross of Christ is enough. But if you are seeing attacks, there's a leak in the system. And that's what I'm specializing in is helping people find that leak. You know, maybe there's a leak in the system that's getting in. A generational curse you didn't know about. Maybe there's something that's going on. And so, this is what I'm talking about here.

And so, here's another question from Blair who asked, **“Are attacks always because of open doors?”** She says, **“I've heard that Satan will attack if you're doing the right thing to detour you. So, are there just attacks ... are bound to come?”**

Yeah, you're right, Blair! This is true. There's an attack that comes, you know, open doors get the bigger ones, usually. But you could be experiencing warfare because you're doing something. We notice this in our ministry when we do evangelistic outreaches. My goodness, we get warfare! Now, there's a difference here. Warfare is kind of different than a direct attack. Warfare is the stuff that comes, you know, like there's a lot of confusion that might come, you know, there's a few mishaps here and there, you know, things like that. That's warfare, you know, you drop something, you break it over ... things like that. That's warfare.

But, if you're getting hit with sickness or you're getting hit with stuff more higher level, you know, that's causing you to go to a hospital ... Now that, that's what I'm talking about. Those are the attacks. Warfare is something that you can deal with. In fact, you can get backlash. I don't focus on it. But you can get backlash for doing good things. Yes. But attacks are the ones that come in. They start messing with your body or your metabolism and different things like that. So, you can break this.

So, yes, attacks are bound to come, Blair. Good point. It's good to know the difference between it. And actually, I did a ... You can take my online training I just did on spiritual warfare, and the [Spiritual Warfare Masterclass](#) that I just did, where I walk you through this, as well.

Here's one from Gabrielle, **“Do I have authority to bind things in my life over the loved ones who have walked away from the faith?”**

Yes, you do. You have authority, especially if it's someone in your family. You have authority to stand on their behalf and stand in the gap. And you can go into the Courts of Heaven, or that's just a place of prayer. And you can actually ask the Lord, based on this, family members who have walked away from the Lord, you can indeed do this. You have the power and the authority. You can do it with friends, as well.

Here's another question, **“Is there a prayer to stop the very chatty, undisciplined mind that I have?”**

That's a nice one. Yeah, I'm sure I can probably find one. But you know what you can do is ask the Lord to take authority because we need to renew our mind. And one of the prayers just didn't come off, you know, like the top of my head. I didn't think about which one it might be but begin to ask the Lord to work through some things in your life. We walked through this on how to renew your mind. I do a couple of different ones in my training. The most recent one, which we'll be re-running again, it's my school of ministry. It's a 49-day school. In fact, we just are finishing the one we just did, and we just finished it. We're gonna re-run it again next year. But it's called, *Launch Your Life Purpose*. And I walk you through how to take authority over those things. How to recognize that negative self-talk and to renew your mind.

Here's another one. **“Once curses are broken (this is from Debra), can you stop future ones or any of those from trying to reoccur?”**

Well, you can, actually. They might come back. In fact, they will try to come back and try to get in. So, yes. Once a curse gets broken or something gets broken in prayer, yes, they will try to come back. And you need to arrest them, you know what I mean? You

need to take authority over them, and they will stop if it's truly broken. If there's no other open doors or something else. But they will come back and try to hit you again and again. And you start taking 'em ... take it back into the Courts, into the place of prayer, and say, "No! I broke this." And you do that, then you'll see they will eventually stop. And there's some things like that.

Now, I just wanna say this because I notice that there's people who don't ... If you have things in your life that is hitting you and you don't know why, then there is a prayer that's on, I think it's AslansPlace.com. Aslan Place is Paul Cox's ministry. Just do an internet search and say, "The Backdoor Prayer." And this is a prayer, a general prayer that closes the back door to anything that you might have. Or it'll reveal if there's things like that. So, just to do an internet search, "Backdoor Prayer, Paul Cox or Aslan Place." It's free. Pray that prayer and see what happens.

All right! Well, it's been a great one. I really love this. And be at peace in the storm. Remember that we've got the training that's coming up on [How to Stand in Any Storm](#). And the Lord's gonna move right now in your life. Wanna say thanks to our entire InLight Connection team. So blessed by you. And they're really been a powerful, powerful force that helps me. Anyway, see you next week.
