

The Source of All the Craziness

Doug Addison [Episode 154]

November 11, 2020

Hey everybody, Doug Addison! Welcome to *Spirit Connection*. It's November 11, 2020. Yep, 11-11! That's really a number, symbolically, of transition. And it's also Veterans Day here in the United States. If you're a veteran, we want to say "Thank you" as we honor the veterans of wars. I want to honor my father, Glenn Addison, who did two tours in the army during World War II. Now he's serving in Heaven. But we just thank you, everybody who is part of that as well, about the veterans and people who have been part of the service.

In this episode, I want to reveal what the Lord showed me about the source of the strange attacks that we're under right now. Got to admit, it's strange. We're under the pandemic, and it caught us by surprise, pretty much, you know. And there's violence, there's injustices, there's confusion, there's outright ... there's people just doing things that are just outright strange! The Lord showed me this, and I'm gonna go into it and show you the source of this and how to pray.

So Lord, we thank You for the peace that You're releasing in the midst of the storm and the swirl that's happening all around right now. That's going on in the world. We just say right now, Lord, we come into agreement with Heaven, and we rise above every storm. Every political storm. Every storm of sickness. The physical, real storms, the superstorms going on. We just wanna release Your power right now, in Jesus' name. Amen.

Well you know, I pre-record these a week in advance, and so it's ... sometimes it's hard. I sometimes have to go back and make some adjustments and things. 'Cause things happening so quickly these days. You know, last week I released a prophetic word for the month of November. You're gonna wanna get ahold of it. Get it into your spirit. It's a powerful flow from Heaven coming right now. It's called [*Infusions of Hope, Strength, Peace and Power \[Episode 153\]*](#). I asked the Lord last month, "What are You doing in November?" Because I do get monthly words, and I get things like this that will help. I released a prophetic word, by the way, on my website, DougAddison.com and the [*Daily Prophetic Word*](#). So, you can find those, but I usually get a word. I get a prophetic word each month.

And I said this last month, "What is it, Lord?" He said this. He said, "Habakkuk 1:5, Look at the nations and watch—and be utterly amazed; for I am going to do something in your days that you would not believe even if you were told." So the Lord is doing things in this time, right now. He's releasing hope, strength, peace and power. I keep hearing the Lord say, "Do not be afraid. Stay at peace in the midst of the storm." Also, let's take a look at this a little bit deeper. Habakkuk 1:3–4, that's the verses right before that. It shows some deeper things into some of the attacks we're getting right now. This isn't the bottom-line source, but these are the symptoms we're seeing.

I'm gonna unpack this to get to the bottom source of the attacks. And it was based on a dream I had just this week. So the Habakkuk 1:3–4, these are the verses right before the verse 5, which is the "I'm about to do the new thing (you know) that you won't believe." "Why do you make me look at injustice? (This was the prophet saying this to the Lord.) Why do You tolerate wrongdoings? Destruction and violence are before me. There is striving; conflicts abound. Therefore, the law is paralyzed, and justice never prevails. The wicked hem in the righteous, so justice is perverted."

Now, this seems like it's going on right now! I was looking at this, and I thought, "Wow! This is going on." We're seeing injustice, wrongdoings, destruction, violence, strife and conflict are mentioned right there. It seems like the justice is perverted, just like the prophet was saying to the Lord. So, it's important right now to understand that this is not evil people. These are not people doing this. You gotta get this into your spirit because it'll help you to be able to deal with the conflicts and the strife that's going on and stay at peace. There's spiritual forces behind everything, and there's a spiritual root. And I'm gonna uncover this a bit later in this episode. But I asked the Lord what He was doing, and He did speak to me Habakkuk 1:5. He's gonna do something utterly amazing! Now, I'm not fully sure what it means, but it's a word of the Lord. He said it. I believe He's gonna do something amazing starting this month, and we're gonna see some interesting things happen.

Let's just take a look at the attack of violence and strife that we're walking through right now. You know, people are trying to blame shift. They're trying to blame people. They're trying to blame the leadership. They're trying to blame the President. They're trying to blame all the different people or the leader of this group, "They said this ..." I'm not saying that everyone's innocent from possibly doing wrong or hurting someone. But I'm saying the bottom line is there's a spiritual force. There's an undertow underneath things that's going on right now. And so, with the pandemic even, God's getting the blame for things. God's not the one causing these tragedies we're seeing. It's the work of Satan in the world, and many people are blaming God for it. And it's strange, but you wanna not be angry at the Lord right now. Here's the word of the Lord for you. The Lord's saying, "I have not forgotten you." I know I say this a lot, but it's important to get anchored in this, that the Lord says that, "I will never leave you nor forsake you." That's something you gotta get down. He has not forgotten you. He hasn't forgotten us.

There is a turnaround coming, and that's why you'll want to get the infusion of hope, strength, peace and power in. That was in my last week's, my prophetic word for the month. You might wanna listen to that again if you haven't gotten that. But it's [Episode](#)

[153](#). Just get the prophetic word in your spirit. Get it down, because God is doing something. Now, I've already received this. I've gotten it. I've received a second wind in the spirit over the past couple of months. I'm still battling a lot, you know, I battle all kinds of crazy things. I live in a ... actually, I live in a high place—a literal demonic high place that overlooks Hollywood. And the Lord placed me there five years ago. And I battle over things, you know, so there's not always ... like I'm coming from this peaceful place with a cup of tea, you know? I have to get up! And I've gotten a new wind in the midst of all this.

We have a lot of overcoming going on right now, but there's a new turning point. And you know, praying during this time is so important. And you know, I did a podcast last month where I talk about how you can pray for people you don't agree with. How I have a prayer assignment for every single President. I tell you, I have one for President Trump. I had another one for President Obama. It's because it's biblical, and it's very important. If you don't pray for someone because they're not the same political party or you're angry at 'em, it's actually getting you outside of the authority God wants to release through you.

So I did an episode, [How to Pray for Leaders and Those You Don't Agree With \[Episode 152\]](#). And so I also walk through how Jesus and the apostle Paul both refused—They refused to speak against a leader. And this is a misunderstood part of the Bible. And once you grasp this, then the Lord will give you a greater ability in your prayer life. It'll give you a greater ability in all that you do because you align yourself. You don't have to agree with them. I don't agree with leaders. I don't agree with what they do. I don't agree with all the things that I see coming out of the White House, but I don't speak against it. And I'm very careful. I do pray.

So, here's a dream I had on the morning of our elections here in the United States on 11/3. I woke up to a dream. And I was in a church that was dark, yet it was light. And it was strange, dark light is what I kept seeing. I couldn't describe it another way. I was

sitting there with others, and we were praying in a group. Then suddenly, a group began to chant these Bible verses in an ominous ... voices in unison. It was kinda creepy, really. But they were chanting this. I recognized these was true biblical verses, but I knew they were out of context. And so, when I got up ... I woke up and got up and began to pray. And the Lord said that there's a dark light that's affecting people, and they're using ... many people are using Bible verses out of context to support their behaviors that are not of the Lord. And that's why we're seeing violence. We're seeing things come out of this.

So I started to look it up. Well actually, the Lord, He spoke to me these two areas. One from the Old Testament, one from the New. Ezekiel 32:8, "All the shining lights in Heaven I will darken over you and bring darkness over the land." Now, this is not the Lord bringing darkness, but it's showing you that darkness can come. There's a dark light. That was my dream—was the dark light. It's a darkness, a spiritual light. Then in the New Testament, Matthew 6:22, Jesus says, "The eye is the lamp of the body. If therefore your eye is good, they whole body is full of light. But if your eyes are bad, then your whole body is full of darkness. If therefore the light that is in you is darkness, how great is that darkness!" Well, you should study this. And you should grab hold of this. Matthew 6:22 says that there can be dark light, and that was what was in my dream. Jesus says this. He's talking symbolically—that there's a dark light that can cause us to misunderstand the words of the Lord. Misunderstand things especially like the seer gift, which is the eyes. The prophetic gift. That's the attack right now.

So the source of the strange attacks we're under—here we go, drum roll please! — we're getting hit with injustices, violence. We're getting hit with people doing strange and crazy things that don't make sense. The Lord showed me the source is a demonic force. It's actually called—it's from Psalm 125:3—it's the scepter of the wicked. Now, "The scepter of the wicked will not remain over the land allotted to the righteous, for then the righteous might use their hands to do evil." You gotta read this a couple times, and ask the Lord to show you that there's a scepter of the wicked that can cause even

the righteous to use their hands to do evil. Now, the definition of scepter is a staff carried by a ruler; on occasions symbolize sovereignty or authority. So Ephesians 6:12 tells us this, “We struggle not with flesh and blood but against rulers, against the authorities, against the powers of darkness in the spiritual realm.” And so, a scepter is held by a ruler.

So, I’m not talking about high-level spiritual warfare here. I’m just trying to say the attack that we’re under right now is demonic rulers very similar to Psalm 125:3, the scepter of the wicked. Now the wicked is not a group of people, although they might be doing things. The people might be influenced. But they’re being *influenced* by this demonic force. I’ve been hearing this for a few months now. I keep hearing the Lord say about scepters and, you know and I didn’t understand it until this week, actually ... that Psalm 125:3. Write it down. Begin to pray that the ... Begin to decree this, that the scepter of the wicked—which is a demonic force, it’s a ruling group—will not rule over our land. Set us free from this.

So, to recap this word that I’m giving. Good news is God is releasing infusions of hope, strength, peace and power. Get that down. God is releasing hope, strength, peace and power. I’m operating in this. I’m specializing in those things, as opposed to going after powers and principalities in the areas of darkness, so ... just so you know. You will want to get into this place where you’re in alignment with what God has. And there’s an attack of dark light right now, and there’s also the scepter of the wicked causing strange things. So, I wanna ... I’m bringing this out because we need to pray. We can break this.

So Lord, we thank You for Your goodness. And we break off the scepter of the wicked, this attack that’s causing people to do like Psalm 125, gets the hands of even the righteous to do evil. So we ask that You would bind and break the work of the enemy to disrupt the elections, to bring violence in our streets, to bring the confusion and the injustices that we’re seeing all over the place. We ask that this be broken right now. We break the attack of dark light now, using

the Bible out of context to justify ungodly things. And we ask You bring justice. We ask that You would bring light to our eyes, that we would not see anything through the ... any dark light or any dark lens, in Jesus' name. Amen!
