

How to Open the Storehouses of Heaven

Doug Addison [Episode 220]

February 16, 2022

Hey everybody, Doug Addison. Welcome to *Spirit Connection* podcast, February 16, 2022. And I want to show you how to open the storehouses of Heaven over you. And I tell you, it's such an exciting time that's going on right now to keep you in the theme of this month's prophetic word which I got was [The Start of Sweet and Deep Revelation](#) which is on my website, DougAddison.com, also on my social media sites. You know, I've gotten some sweet and deep revelation for you, even this right now.

The Lord pulled this together for me, and I'm so excited. You know, I've been getting so much revelation right now and having these sweet times with the Lord. And He wants to do this in the midst of troubled times. He wants to be your anchor and your hope. And so, I have an encouraging word for you, especially if you need a shot of encouragement.

Lord, we thank You for Your goodness. We thank You for Your Word. We thank You for Your Holy Spirit, for the angels. We thank You, Lord, that You're pulling everything together right now for an amazing breakthrough in Jesus' name.

Well, this month ... this year, actually in 2022, I released a prophetic word called [Your Life Purpose Is Being Revealed](#). That's the word for this year, January 2022. And it's true ... the Lord is opening up, right now, deeper revelation and understanding in what

you're called to do. And so, watch as He does this because you need to walk it out in your daily life. So, He's going to give you the plan. He's going to give you some revelation—and the plan. And with this, Ephesians 3:9 was a big part of it, “To make plain to everyone the administration of this mystery, for which ... from ages past has been kept hidden in God, who created all things.” Ephesians 3:9. Take a look at it. The Lord said, “I'm going to do this for you.” There's revelation about your life purpose. This is the mystery that's been hidden over you and also the administration on how to walk it out, how to bring it over your life.

Basically, the Lord is releasing a life-purpose treasure map. Now with treasure maps, that's what your life purpose is really like a treasure map, where it takes time. You've got to solve some of the clues, so to speak. You got to walk things out, and that's the way it works with the Lord. And so, the Lord's going to really reveal the mystery and the administration, which is the divine ability to make it a reality. He's going to become your life coach with this. Oh my goodness, He's the creator of all life, so why not? He's the best life coach you could get.

In the midst of this, the Lord is opening up the ancient paths. I love this. This is out of Jeremiah 6:16. Now, first of all, the ancient path actually means that the Lord is going to give you understanding into things that you're called to, and I'm going to unpack this a little bit with a power punch at the end. But Jeremiah 6:16, “This is what the Lord says: ‘Stand at the crossroads and look; and ask for the ancient path, ask where the good way is, and walk in it, and you will find rest for your soul.’” I tell you, I could camp out on —. If I was stuck on an island somewhere, I'd wish I had Jeremiah 6:16.

There's so much in this. I'd recommend just really soaking in this. He's going to open up the—, ask for the ancient path, ask for the good way and walk it and you'll find rest for your souls. And the Lord is going to bring about some major changes and you're going to find yourself in some major crossroads. That's where you stand, at the crossroads

(Jeremiah). And the Lord is going to release greater levels of hidden revelation that's going to give you deeper-level healing and rest.

You know, that doesn't mean you have to take the time off, really. When you enter into the Lord's rest, like I have entered into the Lord's rest. I get a lot done. It doesn't mean I sit on the couch, really (there's nothing wrong with it), but I'm just telling you there's a misunderstanding about the Lord's rest. We need to rest in His power, rest in His strength, rest in His goodness. And you know, the Lord's releasing a major level of revelation, so watch for new songs, books, strategies to flow this year. [chuckles] Wow, you'll need to sort it out. I'm writing so much stuff down right now. I'm going to go sort it out later because there's a flow from Heaven right now.

So, in the process, the Lord is going to help you with decisions because that's what a standing at the crossroad—, He's going to help you make decisions. So, watch for divine understanding to open up to you and how to pray through these decisions.

The ancient path can also be things that you are called to do from your generational line or your ancestral line. There's greater insight coming—it's part of the prophetic word for this year. He's bringing greater insight in your family tree. And now you know why Ancestry.com and all these ancestry-type things are going on right now. I know I did mine. I found all kinds of good stuff.

I found that the Lord is releasing greater power and understanding into your heritage, and we need to do some deliverance in there. There'll be some things to get some generational ties broken, but this will bring the generational blessings into your life. This, too, is part of the ancient path.

There's a lot of training on identifying generational curses and ties, which we need, believe me. But this is also—, remember that you identify the generational curse and tie so that you can fulfill the generational blessing that's being blocked. So, part of this

discovery in the ancient paths for this year. The enemy has been going. He's been really trying to work overtime. He's been working through hidden generational doors that people don't know ... these access pathways to try to stop us from flowing in the Lord's gifts, from flowing into His blessings in your life. And this is why the gospel—, actually, think about it. The genealogy. A couple of the gospels open with the genealogy of Jesus because it's important to understand where you came from so that you could bring about the blessing. It doesn't matter if you don't know your heritage or anything; you're grafted in. You are grafted into the Lord. So, the Lord ... Lord's going to reveal more about this so that you could actually close some doors to the attacks and the curses and then open the ancient paths of blessing. That's what I've been doing this year. I spent a whole year doing it.

So, in the process, God will direct your steps. Proverbs 16:9, (a man or woman) “In their heart, they make plans, but the Lord directs your steps.” And don't be afraid to take steps. Don't be afraid. A lot of people are afraid to mess up, so you don't do anything at all. Oh no! This is a time right now we need to learn. You know, the Lord will turn your baby steps into bigger things. And just as the Lord does not expect a baby to walk instantly, so you'll have to give yourself grace to walk through this time of discovering more about your life purpose and allow the Lord, really, to use your mistakes. And if something happens, you know what? I don't succeed at everything I do at all! I just get back up where I just keep moving.

And what really, really is important this year because the Lord is bringing you out of the Valley of Trouble and He's opening a Door of Hope. I love this. A Valley of Trouble into a Gateway of Hope. Hosea 2:15 (I love this in the New Living Translation, it says it well), “I will return her vineyards to her and transform the Valley of Trouble into a Gateway of Hope.” Whoo-oo. Boy, that's heavy. And she will—, He's just talking about Israel, too, but you could get this. And then I'm going to give back her vineyards from her. And then the Lord said, Man, I'm going to do some stuff here. I'm going to turn the Valley of Trouble—. It's also called Achor, the Valley of Achor in some translations, but it

translates to trouble. And this is such a powerful, powerful word. I tell you. No matter when you listen to this, God is outside of time, and He could transform your understanding of things. It's happening right now, but it's also happening ... It's just happening all the time. Just like the Lord is limitless. He has no limits. What you could do through the Lord's love and power has no limits as well. You're only limited, you know, by maybe unbelief, but you can break through that.

Here's ... drumroll; I want to hear the drumroll. Yeah, the virtual drumroll. Because here's the power punch I told you was here: The Lord is opening up the storehouses. Deuteronomy 28:12, “The Lord will open the heavens, the storehouses of his bounty, He'll send rain in your land in season and bless all the work of your hands and you will lend to many nations and borrow from none” says the Lord (Deuteronomy 28:12). Woo-Hoo.

I tell you, I love this; and there is an amazing release of financial blessings—plans from Heaven. I tell you the storehouses in Heaven are going to open right now because the storehouses on Earth have been depleted and the Lord is going to increase the finances. And He's going to release financial blessings. He's going to release strategies. He's going to start releasing these things again. The storehouses of Heaven are going to open—are opening, actually, right now. They have been. Because the storehouses on Earth have been depleted by the pandemic, all this stuff.

But you know what? This goes way beyond money. This goes into blessing because He says, I will bless the work of your hands. Yes, the Lord is opening up the storehouses of Heaven over you, and this is a huge part of your life purpose, and this is a huge part of the ancient door. When you tap into these things ... Wooo-eee! Man, I'm talking biblical things here, you know.

And here's a few powerful biblical principles to help you prepare and bring this into a reality right now ... with the first and most powerful principle is the principle of love, but

people miss this. Jesus said this more than anything else. He said over and over, Matthew 22:37–40. He said, “Love the Lord, your God with all your heart, all your soul and all your mind.” A second commandment—, He said that's the greatest (which that, actually, that's the first commandment of the 10). And He went on and He added to it. He said the second one is love your neighbor as yourself.

He says all the laws of the Prophets are hung on these two commandments—that Jesus was referring to the greatest commandment of love.

And you know, He was talking about love in general. But if you take a look at it, this is a triune; there's three loves here. Love God, love your neighbor and love yourself. I tell you, I got those out of alignment a few times in my life. Most recently, if you've ever heard that I got sick for a few years, it's because the Lord wanted me to understand this. I started getting upset in the back of my head over things that happened. You know, some deaths in my family. I got upset at the Lord and then ... then I had unforgiveness in my heart then, you know, I had some low self-esteem. Hey, guess what? That's not loving God, loving myself and loving others. And once I brought alignment, I want to tell you, I got some healing. And the Lord is going to show you more about this.

And so, as you bring these under the authority and the direction of Jesus, you will come into agreement with the Bible and Heaven. And this, friends, is the secret to health and wealth. Everything flows from this—is when you do this. When I brought this into alignment, loving God. I had to go through some inner healing. I had to go through some stuff, but this is how to do it.

And so, here's another one. Another principle of seeking God first. I'm going to give you three principles—seeking God first. Matthew 6:33, “But seek first the kingdom of the Lord and all of his righteousness and all of these other things will be added to you as well.”

So, we must first seek the Lord in prayer in our decisions, and maybe we're tempted to go plow into the day. We need to slow down and ask the Lord, "Is there anything you want me to do right now?" Maybe there's ... anything that's for today. Ask for the Lord's timing. Ask for things and ask what steps you need to take. And also, don't worry about things. He's got you covered. You know, I know it's been a tough time and you can get a breakthrough.

Here's another powerful principle. It's the principle of being proactive. Matthew 7:7. This is right after Jesus teaches on prayer—the Lord's Prayer. He goes on to say how to do it. He says, "Ask and you will receive, seek and you will find; knock and the door will be opened to you. For everyone who asks, receives; everyone who seeks finds; and the one who knocks, the door will be opened." Now, again, He was applying how to activate prayer. Notice, He says, "Ask, Seek, Knock"—A.S.K. An acronym and it's powerful. It doesn't say sit on the couch and wait for the Lord to open the door.

Now there's power in waiting, but you need to be proactive. You need to get up right now. There's people—. The Lord changed my message. You know, I wasn't planning on talking about this, and He put this in this message, and He says, "You need to ask, seek and knock, especially right now." There's a powerful time. Go out, you know. Hey, update your résumé, call some people, find something that's going to, you know—. Just do one small step, basically, and the Lord will add to it.

Here's three power moves for you right now. I do these all the time. Every day. I base my life around them, my spiritual life. And one is decree Bible verses and decree is praying, basically. Job 22:28 it says, "You will decree a thing, and it will be established for you; so that the light will shine on your ways." Wow. How about that? If you need something established, you need the light of the Lord to shine on the way. Find a Bible verse that supports what you need and begin to pray and decree. Decree just means that you could ... you could either sing it, pray it. You could—, you can change the words a little bit. You don't wanna change the meaning, but there's freedom to decree.

Then second is ... take communion. I take communion every day.

And the third is go on a negative-talk-and-thought fast for at least 21 days. A negative fast ... from negativity. Fast from negative thoughts. Take them captive when you get them. Now, I want to give you some Bible verses to decree if you want to do this is, first of all, Deuteronomy 28:12. "The Lord will open the storehouses, the good storehouse, the heavens, and give rain on your land in season, and he will bless the work of your hands. And you will lend to many and borrow from none." That's one. How would you like to be the lender and not the borrower? We moved to that. You know, we have money at the bank, so we actually lend to ourselves, you know what I mean? And it's good because the Lord opened the storehouses, but I had to break these things off to get there.

A second one. Jeremiah 33:3, "Call to me and I will answer you," says the Lord, "and I will tell you great and unsearchable things you do not know."

Lord, I thank You for Your goodness. Thank You for your Word. I thank You that You almost arrested me with this—You just said, "Change this message! This needs to go out right now because I'm opening the storehouses." So Lord, we activate this word. We pray, Lord, that You would open the ancient paths and we stand at the crossroads. We pray, Lord, that You would align us with Your love. The love of the Father, love others and loving ourselves. We pray, Lord, that You would pull us into agreement with what it is that you're doing right now in Jesus' name.
Amen.
