

**Angels and New Hope**  
**Doug Addison [Episode 256]**  
**October 26, 2022**

Hey friends, Doug Addison. Welcome to *Spirit Connection* podcast, Wednesday, October 26, 2022. And I tell you, it's a great day. It's a great time to be alive. The Lord is releasing deeper understanding and revelation into your situation and opening up just a greater level of peace. New angels, hope and power, among other things. I'm so excited.

DougAddison.com is my website and yeah. Whoo-oo. [laughs] Oh my goodness. Habakkuk 1:5, "Look at the nations and watch—and be utterly amazed. For I am going to do something in your days that you would not believe, even if I told you." That's a word of the Lord right now! Watch, watch. Not only watch, but the Lord is moving right now and He's going to do something in your life. And I'm talking about "put your own oxygen mask on first." He's doing something. I'm getting it here. Many people around me are getting a revelation and new understanding of the Lord.

The Lord is going to bring about some surprises—these changes that are really starting now, but they're going to unfold over the next month and the months to come and into the new year as well, no matter when you listen to this. God is outside of time. He's the creator of time. So watch for things to shift radically.

So, He has not forgotten you. The Lord is moving behind the scenes right now to bring about the things that you need. He's actually strategically placing you for a breakthrough and He's helping you.

And I keep talking about the storms because these aren't just physical storms. Some of them are, but some people have been going to the storms, you know, and maybe you're struggling. You can't seem to get set free of addictions or relationship problems have been—, financial. Maybe it's your kids or, you know, whatever it might be. The Lord said, "I'm going to do something new out of the blue." The key here is to stay at peace and trust the Lord.

So, watch for the Lord to bring answers to prayer. And He's going to bring breakthroughs instead of breakdowns. And the Lord said He's actually been sustaining you. He's giving you impartations, especially this week in our time together. He's going to give you some impartations and I've been giving you some keys. And this time I, I brought communion. The last two weeks have been talking about, you know, taking communion and decreeing verses.

This week I don't have any verses to decree, but I sure got the communion. But the last few weeks I did show you how you could actually use anything, you know, in a sense. You know, I prayed over the water, the living water, because that was really part of the celebration that we just came out of—Tabernacles and things like that. But that doesn't matter, the Lord is moving right now. There's impartations of new hope and joy, peace. I heard the Lord say, "There is greater glory, power and peace being released."

Now there's new angels. These are gathering angels, all kinds of different angels being released. There's ministering angels, there's warring angels, there's book-writing angels, revelation angels are being released. The Lord is saying, "Do not be afraid and be at peace." You know, I just took a trip to—, I flew to Houston, the Houston area, and I was getting personal ministry there. You know, we've been walking through it. Bu boy,

when I got back, the Lord brought angels with me. And He also—, I just I tell you, there's just answer to prayer like that. You know, angels are great. I love angels. You kidding? Amazing to have 'em. But I told the Lord on the way back from my trip from Houston, I said, "I thank you for the angels ..." (and it was all kinds of confirmation) "... but could You send someone to pray with me? It would be nice if a man met me." Because if you agree together on Earth as it is in Heaven, it will bring Heaven to Earth instantly. And so the Lord arranged—, I mean, I just prayed that prayer and I almost forgot about it, but I show up at the airport. We arrived, and a man was standing at the edge. It wasn't an angel in disguise. It was a man by the bathroom. He was saying, "Doug Addison, really, man, your words really help me, you know." And so I said, "Wow, great. Thank you." And I knew it was the answer to prayer.

So, we agreed together, shook hands and agreed together. I said, "Let's agree right now." We need to say our needs as agree on Earth as it is in Heaven. I tell you, there are ministering angels. There are ministering people. The Lord is bringing a new wind in the spirit to lift you up. The key is do not be afraid. Be at peace.

There's an impartation of hope coming. Revelation—, oh no, I'm sorry ... Romans 5:5, "But now hope does not disappoint, because the love of God has been poured out in our hearts by the Holy Spirit who was given for us." So listen, Romans 5:5. That's a good word to decree if you need a verse right now. Hope does not disappoint. Get your hopes up right now. Really, just get your hopes up. I'm just sayin' the Lord's about to move. It might be different than what you think but be open to it.

Many people have been experiencing some heavy grief and discouragement. You know, I tell you, that's some of the storms that are hitting. But the Lord is moving right now in the midst of it. The clouds of discouragement and confusion are now lifting. The Lord is blowing them away. I saw some angels going. They that wait on the Lord will renew their strength. They will rise up on wings like eagles. They will run and not grow weary. They

will walk and not be faint. And that is a time, it's ... I'll tell you, the Lord's doing that right now.

He's going to allow you to rise up, run, walk or wait, depending on what you need to do. So watch as God is going to do some things that you'll know that it's Him. That's ... was that guy ... when I got off, it was Luke. I don't know. Hey, Luke, if you're out there ... I don't know who he was, but praise God for people like that. Be open to this right now.

Fun and laughter is going to start filling your place. Prayer—just a time of communion with the Lord. Find a way to get refreshed each day. God is releasing the impartation of hope and breaking discouragement.

There's another impartation coming ... of strength. First Thessalonians 3:13. I like The Message for this one, "May you be infused with strength and purity, and filled with the confidence in the presence of God our Father." Wow. May you be infused or impartation of strength and purity.

Lord, infuse us with this. Impart this to us.

You know, have you felt tired or maybe been ... had the struggles, the season we've been in? Well, I tell you, we are entering into—, I mean, even if you take a look at where we've entered out of is—this is the start of something new and God's going to prepare you for the new year because we just came out of the Jewish New Year, you know, which varies each year, but we just came out of that. But that will now prepare us for the new year of the Gregorian calendar. Either way, the Lord's going to move right now.

God is inviting you to step into supernatural strength and help and get a second wind. Whew. Hey, someone needs a first wind. [laughs] I just heard the Lord say, "I'm going to give you a first, second and a third wind. I've got a list of people up here. I'm going to do

a double blessing for your double trouble.” God is bringing healing to those who have been—, maybe you’ve given a lot, but you’ve not gotten anything in return.

There’s going to be an impartation of peace. John 14:27, “‘My peace I give to you,’ says the Lord. ‘I did not give you what the world gives. So do not let your hearts be troubled and do not be afraid.’” There’s a power verse. John 14:27, “My peace I give to you,” says the Lord. Jesus said this, “But I do not give you the peace that the world gives. So don’t be troubled.” Receive the peace. I’ve had to go—, just go sit in the peace, even if it’s for a moment and breathe it, and then I get refreshed. See that the important thing is here, is to stand in the midst of your storm. Don’t let your peace be taken away. Let the Lord move right now. So, we declare right now peace into your situation. We declare the impartation of all these things. The Lord is going to now release a new ability to stay at peace in the midst of the difficult times and difficult situations.

Watch for the Lord to move right now. And as you step into this, you’ll be able to bring alignment. You know, it might not be something that you expect. I’m seeing things happen right now. Answers to prayer starting to align, but they might not be what you thought. But the Lord is moving right now and it’s going to be contagious. Yeah, you’ll become contagious. People start noticing this on me. I’ve walked through a rough time, but, you know, I don’t focus on the negative.

I tell my intercessors, thank you, everybody, that have been praying for me. But I tend to —, what you’re hearing on my podcast, you know, these are from the battles, but even my intercessors just started to notice in the past week that, wow, even my prayer requests have changed because the Lord is moving right now. Step up into this time.

There’s an impartation of power. Yeah. Micah 3:8 (I love this [laughs]), “But as for me, I will be filled with power, with the Spirit of the Lord.” Micah 3:8 Wow. Let the power of the Lord—, as you begin to get strengthened, watch for the Lord to release new power to stand up and battle. Or, you know, for me right now, He told me I battled enough. You

know, He told me to allow Him to do it and to sit down in peace and say “peace be still” to the storm. So maybe that’s your season that you’re in as well.

The Lord is going to remove delays. Amos 9:13 in The Message, you’ve got to write this down. Amos 9:13 in The Message, “‘Yes, indeed. It won’t be long now.’ God’s Decree. ‘Things are going to start happening so fast your head will swim, one thing faster than another, head over heels with you, and you won’t be able to keep up,’ says the Lord. ‘Everything will be happening all at once—everywhere you look, blessings, blessings! Blessing like wine pouring off the mountain in the hills.’” That is Amos 9:13 in The Message. The Lord is moving right now.

Lord, we pray for that refreshment, that You would begin to move quickly and refresh us with the new wine of the Spirit, the new water of the Spirit. We pray, Lord, for these different things that You showed me.

And He told me this when I was preparing for this message. I was tempted [chuckled] to have to battle for it, you know, because I got hit with some warfare and stuff. But I just decided to sit down and have peace and watch the storm pass over. That just happened just today.

And so, there’s an impartation right now of the new angels. There’s a double anointing coming. There’s a double blessing coming next week. I’ll be talking more about that part of it, that there is—, in fact, it’s a prophetic word that I don’t have a—, that releasing it fully yet, but there’s a double blessing coming to you, and He wants you to break out of your situation.

So, “There’s an impartation of hope,” says the Lord.

We just now—, we pray for the infusion and impartation of the hope of the Holy Spirit. The hope of the Lord will not disappoint. We pray for the

impartation, the infusion of strength, strength of the Lord. Those who wait on the Lord will renew their strength. Woo! We pray for the impartation, the infusion of peace, the peace of the Lord. That peace—, Jesus said ... He looked at the storm and He said, “Peace be still.” That was a powerful peace. He didn’t get up and you know, He didn’t have to do any “kung fu tongues.” [laughs] Anyway, we pray for the impartation of power, the power of the Lord. We pray for the impartation of patience as you’re moving the Lord, we pray that You now decree these things in Jesus’ name.

And you know I brought communion and stuff. You can take any one of these verses. Go back through and write them down and decree. I think right now I’m going to show you how I do it. I brought communion this time, but, you know, I think I needed this, “As for me, I am filled with power of the Spirit.” Well, I didn’t know—, that was a good one. That’s Micah 3:8.

And then, yeah, here it is. The impartation of peace. John 14:27, “My peace I give to you,’ says the Lord. ‘I do not give it as the world gives, so do not let your hearts be troubled. Do not be afraid.’”

Lord, I just decree this. I decree the peace that surpasses all understanding. I decree right now over me and over you. The decree of the Lord, the word of the Lord about peace. Yeah, peace. Not like the world gives, the peace that has power. The peace that goes beyond understanding, in Jesus’ name.

And now this week [laughs], I remembered my communion. So, if you want to take communion, you know I take communion every day—the body and the blood of Jesus. I also pray over everything that I take, you know, drink and I pray over the water. I pray the water, the living spirit, everything that we do. Try to pray over everything like this. Uh-oh, the angels spiked the water again. [laughs] Anyway ...

So I released the peace over you in Jesus' name.

DougAddison.com is my website, and next week I have a prophetic word for the month of November, and it has to do with repayment, a double repayment, a double blessing and the ability to break out of your situation.

And so right now, my team is putting together a couple of things. One of them— [Power Tools for Healing](#). Oh, my goodness. This is my favorite. Absolute favorite. Couple of messages that really help me is the *Power Tools for Healing*. And if just go to [DougAddison.com/PowerTools](#) and you'll find it there. We have a special going on it.

Also, we have the [School of the Supernatural](#). I was asking the Lord that a thousand people would go through this. It is a replay of something I did a few years ago. If you want to know how to discern angels, how to pull in the supernatural, how to have an encounter with the Lord, because a lot of times all you have to do is shift things and take out the expectations and you will have one. [DougAddison.com/SOS](#) for *School of the Supernatural*. It's only \$97 and it's like 9 hours of classic training that I've done in the past.

Also, we have the [Seer Activation Kit](#). There's a bunch of stuff going on right now. [DougAddison.com/SeerKit](#). We're going to unlock things. The Lord is going to unlock something over you. I'm excited for what God is doing and take a look at these things. DougAddison.com, you'll find them.

And then next week, I'm so excited because it's November. It's a November to remember. And the Lord has given me a word that I haven't fully brought yet. But I feel it, it's brewing. I can feel—, I'm a signs times, times and seasons ... (and a sign and a wonder) ... I'm a times and seasons prophet and so, the Lord has given me a word about this breakout blessing. It's coming ... and it's coming next month as well.

God bless you!

I hope to see you next week.
