

Prophetic Word: An Urgent Call to Pray

Doug Addison [Episode 261]

November 30, 2022

Hey everybody, Doug Addison here. *Spirit Connection* podcast, November 30th, 2022. Usually on the first Wednesday I do the prophetic word of the month, but because of the urgency of this word, I'm doing the December prophetic word today and then releasing this out to the world. In fact, it's called *An Urgent Call to Pray*.

So, Lord, we just thank You for Your goodness. We thank You that You're calling us to the higher level, that You're going to release new angels, that You're releasing financial strategies, that You're releasing strategies to pray and all that we need, in the name of Jesus—Yeshua. Amen.

Well, my website is DougAddison.com. Follow me on social media: Facebook—TheDougAddison. Instagram, Twitter, TikTok is DougTAddison and YouTube is Doug Addison. I got all these different ones because I've been doing this for so many years. I didn't realize when we started out ([laughs] I know I'm prophetic), but anyway ...

DougAddison.com if you want to find—, take a look at our [Daily Prophetic Word](#). You can actually get it delivered to your email box or get it on social media, #DailyProphetic. Also, I just really highly recommend [downloading my app](#) on the Apple App Store or Google Play, but it is available. It's called Doug Addison and you get everything delivered right to you. If you want to go on a social media or internet fast, you can use my app and still stay connected with all the prophetic words, get notified and everything.

And so the Lord is doing something new.

He's raising up people to pray. He's raising you up right now. And here's the good thing. We're moving into the new year. Now this is December. I realize it's November 30th, but the Lord said, "Get everybody, because as we mobilize the troops, we're going to see a major shift happen." And the Lord is raising up people everywhere to pray. And you don't have to be an intercessor. Oh my goodness, it's so fun. Habakkuk 2:1 (one of my favorite verses), "I will stand at my watch and I will station myself on the ramparts; and I will look to see what the Lord has to say to me." Oh, I love that verse, you know, because I've been a watchman-kind of person. I've been an intercessor for years.

The Lord's raising up people right now, though, doesn't matter what your gift is or what's going on. Also, Ezekiel 3:17. Now this says, "Son of man," but that's to all of us. It says, "Son of man, I have made you a watchman for my people, Israel; so hear the word that I speak and then give warning to them." Now that one is kind of like ... give warning. You don't have to give a warning. You just have to stay alert, and you can maybe even develop a small prayer team. I have these little, mini prayer teams. You know, two or three people who gather together on text or social media, and it's so powerful right now that you can do this.

So, how to pray ... you know, people always ask me, "Well, how do I pray?" And I asked the Lord, He actually told me, He said, the Lord said, "I want my people—, I want you right now to begin to pray and ask that there would be an end to the violence." And Psalm 7:9, "Oh, God, who searches the hearts of men, put an end to the violence and let the righteous be secure." Oh, wow. There's your decree verse for this month. It was Psalm 7:9. Ask the Lord to put an end to the violence and make the righteous secure or be at peace.

So, there's a major shift happening. There's a major change. First Peter 4:7–8 ... it will be a powerful guiding thing for you right now because it says this. Now there's a misunderstanding to a lot of people in this, what Peter was saying. But in 1 Peter 4:7–8, "The end of all things is near. Therefore, be alert and sober minded so that you may pray. And above all, love each other deeply, because love covers over a multitude of sins."

Say no more. Some people [chuckles], we need that just there. But see, there's a misunderstanding. I think even right now where we are, some people look at that and say, "Well, you know, he's talking about the, you know, the end of all things." And I'm a prophet, you know ... No, not at all. I want to just say this is not the end of the world. It's not the second coming of Christ yet. It's the Lord saying in 1 Peter 4:7, he's talking about the end of a season, and we now need to do what Peter says, actually.

You know, he said this a long time ago. He made it sound like it was the end times, but it wasn't. He was calling people to end a current season and then be alert, sober-minded and pray and love each other deeply. Be alert, sober-minded and pray and love each other deeply. You can't go wrong.

You know, I've been doing that right now. I've just been focusing on that part. I've been staying at peace in the storm the best I can. I've been doing the things that Lord shows me. And so, in 1 Peter 4:7, he does. It is not limited. Now it might translate to something else, you know, prophetically. And the application that we can give it right now is the Lord wants us to prepare for this new season. We have some things that we need to do and I'm going to talk about 'em here.

He's going to give you a plan. That's the thing. The Lord wants to break off the spirits of the world right now—hatred, violence, division, to name a few, the spirit of fear. There's things like this that He wants to break off of you and me.

And that's easy. Just, you know, do your best, confess your sins each day. Find other people that you can pray with, you know. Stay in love. And as you love one another, then the people ... there's going to become an alignment with you. And in fact, Matthew 22 says it's the perfect alignment. Jesus said it was the greatest commandment, "Love God with all your heart, all your soul and all your mind and love your neighbor as yourself."

So there's those three loves, I talk about them all the time. Loving God. So, if you have any anger, get rid of the anger towards God the best you can. Maybe you need to even talk to someone about it or pray to the Lord. Then, love other people. Maybe there's some forgiveness. You don't have to agree with the person to forgive them, but sometimes unforgiveness can leave you in the prison still, right? You don't have to reach out or talk with them, you know. Then love yourself.

I'm just saying as we do these things, then you're aligning with the greatest commandment and the secret to all things that I found is, well, most of my healings that have taken place came through those verses of love and aligning with love. And that's how I'm able to hear the Lord in the storm, even.

So, as we're moving into the new year, ask God to give you a plan for the new year.

Oh, I love this Passion Translation of Isaiah 5:19, "Let the prophetic plan of the Holy One of Israel come to pass so that we can see what it is!" Oh my goodness, put that on the fridge, guys. Isaiah 5:19, The Passion Translation, "Let the prophetic plan of the Holy One of Israel come to pass so that we could see what it is!"

Lord, we ask right now that You would reveal Your prophetic plan for each of us. I pray right now, we want to come into agreement with Your prophetic plan as we're moving into a transitional time, 2022–2023. And now I just release this right now. (In fact, some people need ... maybe

even do this.) Lord, I just—, we want to cleanse this thing out. (If you have anything in common with what I'm talking about), we repent, renounce and break. Yeah. All the way back as far as needed. Anything we may have been involved with knowingly or unknowingly, generational things, hooks, ties, soul ties, any agreements that we might have made knowingly or unknowing, cleanse them out right now.

I just felt the Lord say it. He's doing this, He's cleaning things out for you, but we have to step up.

Now, the storehouses need to be replenished. Malachi 3:10, "Bring all the tithe, the full tithe into the storehouse so that there may be food in my house," says the Lord, "and test me or try me on this," says the Lord of hosts, "and see if I will not open up the windows of heaven and pour out so much blessing that you won't have enough room for it." Now whether that's tithes, offerings ... but, you know, some people are turned off by giving. But I tell you, giving is a doorway to receiving. Maybe you need even ask forgiveness, I did. I had to get through this time where I was upset at, you know, I was just upset at preachers always wanting money and stuff like that.

So, you know, in my ministry, we try not to focus too much on it, but it's still a spiritual principle that when it's applied, and especially right now; if you catch a season, you catch the season that the Lord wants to move, and He wants to free things up. He's doing something right now. So, whether it's tithes, or giving on a regular basis, or giving one time, or maybe even just giving as a Lord shows you when you give, you do receive.

But even on top of that, the Lord's saying right now, He's saying that the storehouses on Earth need to be replenished and we need to get the strategies from Heaven, the strategies from the Lord to get financial blessing and to get this thing. You know, you can break off—, wow, we to break off the spirit of poverty and things like that, to be able

to move. And, in fact, I'm going to talk about this at the end ... a course I have that you can get, really, for nothing ... well for almost nothing.

I'll show you how to get it, where I'll show you how to get a financial breakthrough in your life. The Lord just keeps telling me it's time to release the financial breakthroughs. It's time to get out of debt. It's time to get the financial strategies on Earth as it is in Heaven.

So, as we're moving into this time right now, the Lord is bringing clarity and joy, clarity and joy. First Corinthians 13:9–10, "For we know in part, we prophesy in part, but when completeness comes, then what was in part disappears."

Now this is a misunderstood verse for many years. But just think of it this way. Sometimes, you know, you don't have to be a prophet to prophesy, by the way. Sometimes we can know—, in fact, quite often we only know part. I've been noticing this, that the big picture of things in my life and ministry are now coming together. But it's not just me. I have to pray with other people also to come into agreement. If two agree together, Jesus said, two or three agree together, it will be done ... I'm there with them. Then He says this: one can easily be overcome, two can defend themselves, but a cord of three strands is not easily broken. Now that's the power you want to step up into.

The Lord is releasing a new level of prophetic anointing. And again, you don't have to be a prophet. He's raising up people to hear His voice right now and to understand things a little bit more completely. He's going to give you understanding into things that have been hidden, maybe even in plain sight. Jeremiah 31:13, "I will turn their mourning into gladness; and I will give comfort and joy instead of sorrow." Like I said, right now, Jeremiah 31:13 is going to be a powerful time. He's going to turn your mourning into gladness and your [sorrow] into joy. He's going to break off sorrow. The Lord is going to turn things around. He's going to do this deeper comfort, break off depression, the spirit

of despair, unbelief. Yeah, I'm seeing all this stuff. Unhealed grief is going in the name of Jesus, the true Yeshua. He's doing something new right now.

There's new angels being assigned. Psalm 91:11—this talks about—, I've seen these, in fact, my goodness, I've been prophesying about the angels, but, boy, some big ones are now showing up. I haven't seen the size of angels or these types of angels in a very long time. It's very exciting. You have them, too. And so He will command (this is Psalm 91:11), "He will command his angels concerning you to guard you in your ways." The Lord is assigning His angels of all types—worker angels, revelation angels, writing angels, warring angels. You know, there's actually a whole group of high-tech angels. Oh, my goodness. Financial angels are here. You name it, whatever you need. Reach out to the Lord, through the Holy Spirit. Don't be afraid to pray and ask to do that through Jesus and the Holy Spirit ... that will keep you safe.

Bring the unity right now. Lord, we're asking because the unity will indeed change things.

Colossians 3:13–14 says "Bear with each other, one another in love. And as you do this, as you get rid of your grievances against someone, forgive as the Lord has forgiven you. And overall of these put on the virtue of love that binds us in perfect unity." Colossians 3:13–14. Wow. So there's a—, there's that forgiveness thing I was talking about. You don't have to agree with someone to forgive them. And there's this thing about clearing the air right now.

Also, there's this whole power in love and unity, coming into agreement with others. I get a lot of people line up right now when I go, you know, I'm out in public or, you know, at a church. They just say, "Boy, your *Spirit Connection* podcasts have changed me, they've helped me" because they're based on the word of God like this. These are based solidly on the word of God, but it's also in season. It's a word in season. So, love and unity come together in agreement right now and it'll break things off.

So, there's new understanding right now into the Bible. Watch for the word. I love this one, Luke 24:45 and Jesus said (He did this), "He opened their understanding that they might comprehend the Scriptures." "He opened their understanding that they might comprehend the Scriptures."

The Lord is going to bring you understanding into the Bible. He's also going to speak through the Bible. He's also bringing confirmation through the Bible. He's going to set your Bible on fire. I tell you, it's a time you can't go wrong right now if you stay in the word, stay with other people, stay in prayer.

It's a time to step up and not step back. It's an urgent call for prayer. It's an urgent time right now. The Lord is going to move and it's going to be an amazing month of breakthrough and changes, especially right around Christmas, we're going to see some miracles, breakthrough gifts and understanding come, in the name of Jesus.

So, Lord, we just release this prophetic word. We ask that You would do it. You do this, Lord. You step up and bring the angels. You step up and bring the anointing that we need to pray, the financial strategies. Prepare us for the new year, in Jesus' name, amen.

Well, yeah, right now I have been doing—, I've been talking quite a bit about the Break Out Blessings. There's two things. One, we have Giving Tuesday. That's a national thing, Giving Tuesday, and it's this Tuesday.

If you want to give to a non-profit, you can always just—, we have a special thing going right now. I said this earlier. If you give any amount, someone say, "you can't go wrong with this." Come on, you can't go wrong with this. The Lord told me to set this up. I've been talking about it quite a bit, but He told me to set this up so that you would give any amount at all. You've got to go to DougAddison.com/BreakOut. It's the Break Out

Blessing. If you give any amount at all, then you get one of my breakthrough strategies that actually includes ***How to Get Your Financial Breakthrough***. This is a two-hour training that I did. You'll get access to it for free. There's no strings attached. You give any amount, you'll get this. It includes how to get out of debt. It includes the strategies of the Bible.

But if you give \$100 (now that's hardly anything) or more—it'd be great if you can give more—but if you give \$100 or more, then you get that one (it's a bundle) and it's ***Restore [Your] Financial Storehouses*** masterclass plus a digital copy of my book, ***Flip Your Financial Future***. DougAddison.com/BreakOut.

I just want to say this: If we've helped you in any way, we have just sown so much. Linda and I, we're at a place right now that we've given, you know, you'll see this on the website there DougAddison.com/BreakOut. But we've given a half a million dollars or more and two houses that we've sold and put back into the Kingdom, and we've just done our half a million of our own money to be part of the of the last seven years and the Hollywood Project.

We're still here, but we need a turnaround. We're in our sixties. We're doing, being responsible as possible, but we need a breakout of the previous season and a breakthrough to the new.

Also, oh my goodness, I love this. My team put together the [Dream Mastery Course](https://DougAddison.com/DreamMastery) and it's all of my material on dream interpretation. How to fast-track your understanding into the dream language, your dreams. It's got over my 25 years of experience of interpreting dreams in one masterclass, 6 hours of training, bonuses—a bunch! It should be ... honestly, all my stuff is always priced well. The Lord told me to price things so that—, you know, I'm the “working man's prophet,” so to speak. But boy, don't think it's less because it should be \$497 easy, but it's \$97. And then go to DougAddison.com/DreamMastery ... DreamMastery. DougAddison.com [chuckles] is my website. I've said

it a bunch of times, sorry. But the Lord's moving. He's moving in your life and I'm excited!

We'd love to hear from you. Just reach out to us and we'd—first and foremost—we need your prayers. We're doing a breakthrough right now, break through to this new season.

Commit to praying for us ... thank you so much!

God bless you!

See you next week.
