

Don't Give Up
Doug Addison [Episode 267]
January 11, 2023

Hey, everybody. Welcome to *Spirit Connection* podcast, Doug Addison. It is January 11th, 2023, and I've got a message this week that's going to be very strategic and helpful in a lot of ways, and especially encouraging. I felt the Lord say, "People need a shot of encouragement right now."

In case I forget, you know, I forget I have communion here and I forget almost every week. I end up taking it myself. But in case I don't, I'm just going to take it now as a shot of encouragement. But I take communion all the time.

But, Lord, we bless the communion, the body and the blood of Jesus.
Yeah, for our healing, for the breakthrough that we all need.

[chuckles] Whoa! Now we need a breakthrough. That's what the Lord said.

So, Lord, we just pray for that. And we pray for the breakthrough that we all need in the name of Jesus, the true Yeshua.

All right, DougAddison.com is my website and you can follow me on social media: TheDougAddison on Facebook; DougTAddison on Twitter, Instagram and TikTok; and then Doug Addison on YouTube. But you know, the big thing is the *Daily Prophetic*. Make sure you get the *Daily Prophetic*. I've been doing that for years. In fact, I was the

first one to ever use #dailyprophetic years ago. But if you want it [delivered to your email box](#), then you just go to DougAddison.com and take a look there and sign up for it. Or just [get the Doug Addison app](#). I've got the app at the Apple App Store and the Google Play. It's there. Just look for Doug Addison and it'll keep you updated and it'll keep you encouraged. You'll get the *Daily Prophetic* delivered to you.

Stay tuned to the end because I'm going to release a powerful prayer and also talk about a special that we're doing right now, it's going to help you in a lot of ways.

So, Lord, we just thank You for Your goodness. We thank You that You're the creator of time, so You're outside of time. And especially since this is virtual, that it doesn't matter when someone listens to it, these dates and times. What matters is right now, that You're using this time, You're using the internet. This is a time, "For such a time as this," says the Lord, in Jesus' name.

Well, you know, I just released my prophetic word for the year 2023. Go to my website or just google this. Just look up [Prophetic Word: 2023 Hidden Treasures Revealed](#) Doug Addison. *Hidden Treasures Revealed*. Take a look at it because boy, it's packed full of things that you'll need for this year. As well, this week, I wanted to really get into something and I'm going to be doing some different things over the next few weeks, but I wanted to help you to get an impact of refreshment, strength and an infusion of encouragement from the Lord. In fact, this week my message is called *Don't Give Up* because we're about to break through.

Doesn't matter what it looks like. Doesn't matter what it feels like. [chuckles] The Lord is with you. You're going to see a breakthrough happen. So one thing I want to talk about, first of all, is to get ready for an impact from the Lord. Watch for this impact of refreshment, strength, encouragement, a fresh infusion. I just started to get it. And Psalm 92:10, The Passion. I love this. I love The Passion Translation. But Psalm 92:10

in The Passion, “Your anointing has made me strong and mighty. And you’ve empowered my life for triumph by pouring fresh oil over me.” Wahoo! Yeah, Lord, just give us that. The anointing, strong and mighty. Just—, we pray for the power to be triumphal. We pray for the anointing. We pray for the fresh oil to pour over us according to Psalm 92:10.

And also, the Lord is moving right now. He’s going to bring a greater anointing. He’s going to bring greater power, strength. “Get ready for an outpouring of refreshment,” says the Lord. I keep hearing the words “outpouring, outpouring, outpouring,” and [chuckles] whooo, it’ll come in different ways. Some people need to hear the Lord. Some people need to do things, you know, like get out of debt. Others just need to be encouraged. You know, I need this breakthrough out of the old and into the new. And so we’re going to see it.

So, what might appear to be a setback or a delay is actually going to open something new over you. It’s going to bring you into the Lord’s perfect timing. So watch for the Lord to bring changes. It’s going to shift you strategically. It’s going to bring you a new alignment and a timing. It’s going to bring you new aligning and timing that you need. Now, it might be unusual, so I keep saying watch for those things. It might be a strange work. He’s going to do something and shift things.

So, watch also for the confirmations from the Lord. The Lord is saying, “Don’t be discouraged.” This is only a temporary situation that’s going on right now to bring you out of the old and into the new, to bring you into the Lord’s perfect timing and alignment. I’m telling you, He’s going to use things. So watch for literal signs. You know, they might have a prophetic meeting. Maybe it’s a song that’ll come on or, you know, something to —, watch for these things.

And the Lord wants you to know He has not forgotten you. The Lord wants you to know He has not forgotten you. Jesus said, “I will never leave you or forsake you.” No matter

how dark it is, no matter what you've done, no matter what's going on, the Lord is with you, and it's time to boost up your trust in the Lord. Psalm 31:5 in the NIV, "Into your hands I commit my spirit, You have redeemed me O Lord God of truth." It's time now to step up and out of the boat, basically. But step up and out of the boat. Trust the Lord right now that, you know, He has your heart. He has. You can commit things to Him right now in prayer. Ask Him to bring understanding. This is a season to get understanding, to get a plan. So, ask the Lord for the Spirit of truth, to reveal the solutions you need.

Now, your breakthrough is here. I'm going to tell you again, your breakthrough is here. And when you think about the disciples, they got their breakthrough. There was all kinds of times, but it didn't look right ... when Jesus, you know, was crucified, then suddenly, you know, they walk 50 days in this strange time. Then He, you know, He went back into Heaven on the day of Pentecost. Then what happened is, the Holy Spirit fell on 'em. It's kind of like that.

It's kind of like right now we've been in a dark time. The Lord is going to shift things. Your breakthrough is here. It might look a little different than what you think. The Lord is saying right now, "I want you to kick up the dancing and enjoy this time." Enjoy this time. You're going to see a shift as you step into dancing and singing. Now, I tell you, I'll do this whenever the Lord moves. But it's Psalm 30, verse 11 and 12 in the New Living Translation, "You've turned my mourning into joyful dancing. And you've taken away my clothes of mourning and clothed me with joy, and this is so that I might sing praises to you and not be silent. O Lord, my God, I will give thanks to you forever." You know, joy, laughing, joy.

You know, I was hit really hard just this past week. I was praying. I'm doing some stuff. Got—, went under some warfare. I got hit so hard, all I could do was laugh. I laughed at this. Or other times I'll shift into dancing. I'll shift into the music. You know, if you can, do that, it will indeed ...

Joy is returning to the house. You might have to take it by force. I've been taking the joy by force. I take authority right now in the name of Jesus. So get up and dance, go for a walk, laugh, make some small changes to bring the big results in areas that you feel stuck. That's what the Lord says. And there's going to be a power from the Lord to break off things, especially break off isolation, the feeling of being forgotten. This is a time, says the Lord, to step up out of the boat and step into joy, step into refreshment in the name of Jesus. Now, you know, when you're down, you want to get your breakthrough. You can actually put on some worship music. You can start there. But it's—, the best thing is to get out, you know, get out of the—, call someone, get some prayer going. Do something opposite than where you are right now.

But right now, for this month, actually, especially and this year, even in my prophetic word for the year—peace is the key. I saw that—, an attack over people. I saw that there was an atmosphere that they, kind of like, it was almost like it was highlighted. It was the worst fear you'd ever feel. Or maybe it was a covering of fear and doubt and unbelief. That's an attack. That's not the Lord. Break through that.

Philippians 4:6–7, “Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your request to God.” Here we go, verse seven, “And the peace of God, that transcends all understanding, will guard your heart and your mind in Christ Jesus.” That's Philippians 4:6–7. But I love verse 7 because I get this all the time, the peace of God that transcends all understanding. In other words, sometimes you don't understand it, and you just walk on through it. Don't be anxious. And raise up prayer. I tell you, I have prayer all the time. I love prayer.

You know, the enemy, the enemy of your soul wants to get you out of the place of peace. And the Lord is bringing, you know, He's going to bring it, the Lord, He is. He's going to bring down the fear, anxiety and stress. And, you know, you can enter into peace while others are freaking out around you. [laughs] You just sit down or whatever. You'll have to shift the atmosphere sometime.

But the key to it is worshiping the Lord, praying, being grateful, dancing, doing something opposite. That's a key, I tell you, here's your breakthrough plan, right here. Let's ask the Lord to give you a plan from Heaven, to give you a plan from the Holy Spirit. And here's a prayer that I use:

Lord, show us what the enemy does not want us to see. Lord, show us what You want us to see. And Lord, we ask You to speak to us through the Bible, dreams, visions, through the Holy Spirit, in any way that we can—, songs, art, whatever.

Then Colossians 3:2, "Set your mind on things above." So we're asking the Lord, show us what You want us to see, and then show us what the enemy doesn't want us to see.

And then, ask the Holy Spirit to speak to you in some way and set your mind on things above.

So, Lord, we ask that You would align us with Your perfect will for this season, we pray that You would break off the ties, the chains of the past. We also ask that You would reset our connections with You.

I just feel really strongly about this word about rebooting. I'll be talking more about it, about rebooting your gifts, rebooting things right now.

Lord, I know that You're calling us into this new season to reset our spiritual clocks, you know, into the "Jesus time." And I pray right now that would happen, in the name of Jesus.

Now, here's how to get healed or get reset of about anything. It's found in Proverbs 17:22 (it's a secret that ties in because it's medicine), "And a cheerful heart is

good medicine, but a crushed spirit dries up the bones.” Proverbs 17:22, “A cheerful heart is good medicine, ...” (that’s why I’m saying get a shot of joy), “... but a crushed spirit dries up the bone.” Some people get all stressed out. You just need to—, you know, this was actually part of my ... the key to my healing, the healings. I have gotten a lot of them: chemical sensitivity and Lyme disease, different things that have happened. You know, I’ve gotten healed of a lot of stuff and it had to do with Proverbs 17:22 about getting into the joyful time and then getting rid of the crushed spirit.

There’s some inner healing you might need. Go to DougAddison.com/Healing-Resources to see some of our inner healing ministries that we know and trust. And some of my research is on there as well. You know, when you lose your joy and you get a broken heart and you come under stress, that can open up changes in your body and it can attack your immune system. You know, we’re integrated. So, God wants to bring the strategies for your health. He wants to bring you a freedom right now. [laughs] Oh, my goodness.

Freedom is here. And also, repayment is here! Joel 2:25, “I will repay you for the years the locust has eaten.” And this is a time that the Lord is releasing the opportunities to flow from Heaven. These are plans and opportunities of repayment. They’re here. We also might get businesses and people who are entering in this time to reap so that you could sow into a hurting world. Or maybe like Linda and I, we’ve sown and sown, we’ve sown a lot. We’ve sown over half a million or more just into the last seven years in the ... Hollywood and the project that we’ve been doing here in L.A. [laughs] Sounds crazy, but we’re asking the Lord for repayment.

What’s your—, what do you need? Do you need a repayment plan? Do you need a breakthrough plan? Do you plan do you need a healing plan? Do you need a hear the God plan? Well, I tell you, the Lord is moving right now. Be encouraged and do not give up.

So, Lord, we activate this word. We ask that You would release things. Oh my goodness, that You would release the power, that You would open up the financial—, yeah, I saw this. The financial blessings, that You would break out the old and into the new. (In fact, we've been breaking out. We've been trying to break out, trying to break out of the old to break through to the new.) We pray, Lord, that there would be a plan. But also revelation, dreams, visions, angels of encouragement, so many angels right now. We pray for that in Jesus' name, amen.

DougAddison.com is by website. Hey, check this out. We're doing something. This is 49 days that will change your life forever. Now, we usually do this this time of year, but this year is a little bit different. It's a very similar strategy, but we're going to add to it this year. It's 49 days, it's seven weeks, and it's called [Kingdom Financial Solutions 2023](#). It's a Breakthrough Mentoring Experience with me and it's seven weeks.

Now, it's very, very interesting because, listen, I have prerecorded some things that have an anointing on them. They have—, and we have a ... kind of an online workbook, kind of—, you can print out and go through it with—there's seven weeks of those. Plus, I will be doing two live sessions to answer questions and pray for you. Plus my team ... this is brand-new, my team, they've been trained by me and others. I mean, these guys are good.

We're going to have five mentoring calls, two with me and three with the InLight Connection Coaches. We'll have a special website that you can log into and do the sessions together, pray for each other. We have—, I tell you, this is something that the Lord showed me how to do—how to use the online and mentoring together, using all these different things. Just go to [DougAddison.com/Solutions](#). And we're updating this, if you've taken it before. We're updating this from previous years. But it's normally \$497, but we're going to be doing it for \$197 or two payments of \$99 [DougAddison.com/Solutions](#). You'll want to be part of it. I'm so excited.

Also, Linda and I, and InLight Connection, we are doing the Break Out Blessing. I know that you're probably tired of hearing me say it, but you can give one time or if you want to give again ... if you go to DougAddison.com/BreakOut, if you give anything ... you'll get—, go there, you'll see. You'll get one of the bundles, you'll get a Financial Breakthrough Package. This is kind of a starter to the 49 days. If you want to do this, it'll be a starter kit, sort of. Go to DougAddison.com/BreakOut.

Or you can become a Partner with us. We have a Partner Coach. We take it seriously. We're an online church, really. We're licensed and registered that way. We're also a ministry that meets the world. So, I do a monthly meeting. We have a mentoring session where we do a live mentoring session and prophesy. Just go to DougAddison.com/Partner to become a Partner and you can join us there. Hey, it's almost like a small group, a home group. It's like an online church. If you need help or discouraged, you'll want to go there.

All right, guys, you know what? I'm so excited!

I pray for the blessing from the Lord to flow upon you with all your needs being met, in the name of Jesus!

See you next week.
