

The Lord Is Battling
Doug Addison [Episode 271]
February 8, 2023

Hey everybody, welcome to *Spirit Connection* podcast, Doug Addison here. It's February 8th, 2023. This is a very strategic week and month, and in this episode, I'm going to show you how you can stay encouraged. I just released a prophetic word last week for the month of February called [Love Never Fails](#). So, you'll want to check that out because that has some things that's going to really help you get in time with what's happening right now.

Also, check out my website, DougAddison.com. You can [download my app](#), go to the Google Play store "Doug Addison" or the Apple App Store "Doug Addison" and it'll help you to stay out of the mess of things and just get things delivered right to you. On my website you can get several things, but one thing I wanted to mention is my *Daily Prophetic Word*. It's out on the internet, but you can [get it delivered to your email box](#). Just go to DougAddison.com and look for the *Daily Prophetic*. But if you're on social media, #DailyProphetic. I release them every day. And you can also follow me on Facebook—TheDougAddison; Twitter, Instagram and TikTok now is DougTAddison; and YouTube is Doug Addison. Take your pick. [chuckles]

Anyway, Lord, we thank You for Your goodness. We thank You for Your Holy Spirit that is going to rise up everything over the roar of the enemy. We thank You, Lord, that even though things might look messy right now, You have a plan for us to stand and You have a plan for us to break

through and to break out of the old season and break the gridlock and break into the new. So, Lord, we thank You for this. No matter when anyone listens to this, You're the creator of Time. You, the true Yeshua of Nazareth, created time. The Lord God created time. (So, anyone who listens to this later could apply these prophetic words.) So, Lord, we pray for the encouragement of people in Jesus' name.

You know, I want to start out this session this month, you know, this week, actually, is called *The Lord Is Battling*. Basically, the Lord is battling for you. And I saw some things. I want to pull on my prophetic word from the month of February, but also add to ... a little bit to what I felt the Lord doing. And we have a powerful prayer and, also communion at the end. So, you'll want to get your communion. If you don't have it, you could always watch the replay. If not, I don't want you to miss anything.

Colossians 1:20, "And through him we are reconciled. And so, through him (who is Jesus), we are reconciled to himself all things, whether on earth or in heaven, making peace by the blood of the cross." Whoa! "And through him to reconcile to himself all things, whether on earth or heaven, making peace by the blood of the true Jesus." It's the Lord. He's reconciling things right now, the true Lord.

There's been some weird stuff happening, but I'm just saying the Lord is going to make it right. He's reconciling things. He's bringing you into a place of peace. And you know, it's through the blood of the true Jesus Christ and this new power that is being released.

And also, the Lord is going to give you understanding on how to stand. Maybe you're in a storm like me, like us. He's showing us how to stand in the storm. He's calling us to have peace in the storm. Even though our situations, you know, we might not fully understand it yet, but He's releasing greater understanding in how to stand in any situation. And so, there's two verses. I used them last week, but I'm going to pull them together. They are the ones right now that I'm using quite a bit. I pull them together in a

prayer and one of them is Proverbs 3:5–6, and the other is Philippians 1:6. But these are two powerful verses that you can pray. You can decree Proverbs 3:5–6, “Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, he will make your paths straight.” Philippians 1:6 “But being confident of this that he who began the good work in you will carry it out to completion until the day of Christ Jesus.” Now these are powerful prayers.

You can actually—, we just say, “Lord, we ask You to do this.” He will indeed complete what He has started in us, and also, that we might lean not on our own understanding. The Lord is working outside of our own understanding right now, and we need to just trust in Him that He’s going to fulfill the promises and the words and the plans. Some of them might change, based on the situation. But He’s going to do something. He’s going to release the things out to us.

Now, there’s some missing pieces that still need to come together. I released this in my prophetic word for February, the [Love Never Fails](#) word, 1 Corinthians 13:9, “For we know in part, we prophesy in part, but when completeness comes, what is in part disappears.” Even though we might not understand things clearly, the Lord is going to bring the missing pieces together and give us peace. He’s going to bring the missing pieces and give us peace that surpasses all understanding.

That means this: the Lord is battling over us right now, over me, over you. He’s battling. The Lord is releasing warring angels and He is battling right now. I saw this happen yesterday. He put an order in, a heavy-duty order from the Throne of Grace. He’s battling to remove death, defilement, deception. Then He’s going to bring the hidden things into the true light of the true Lord Jesus Christ. He’s also bringing order to the confusion.

This is what the Lord is doing, and the Lord is raising up His armies of true heavenly angels to battle over us. I’ve seen these, you know?

We cry out, Lord, we need to stop these repeated attacks. We're asking You, Lord, that in the name of the true Jesus, that the warfare, resistance, backlash, retaliation would stop. And now we're asking for, you know, You, Lord, to help us while we take new ground.

The Lord said this. We are taking new ground just because you're standing. If you're standing in the storm or maybe you're taking new ground because you're coming out of the old season, but just stand right now and understand ... that you might not understand. And the Lord told me that. He said, "I'm working outside of your own understanding." He said—, but He told me, He said over the next few weeks, we're going to get greater understanding. I've already got a little bit of it. I got a few pieces to get the peace to stand. The enemy of our souls is not happy, but we need to prevail right now. And the Lord is opening up the true heavens over us. And He is removing the bronze coverings and He's removing the cloudiness and the confusion.

And He's also bringing us out of the wilderness, out of dry times. And the Lord is making a new way for us. Isaiah 43:18–19, "Forget the former things; do not dwell on the past" (says the Lord). "See, I am doing a new thing! And now it springs up, do you not perceive it? I'm making a way in the wilderness and streams in the wasteland." The Lord is bringing us out of the wilderness right now. He's bringing this into a new understanding on how to stand. And there was a time, yeah, I tell you right now that I've been getting hit around this, when I say things like this and the enemy comes up and tries to hit me, but the Lord is moving. Every time you get hit, just move forward like this. The Lord is bringing us out of the wilderness. He's bringing us into a new time to understand how to stand ... And there we go. Something shifted just now.

Thank you, Lord and Lord, bring us back into alignment. I bring everything into alignment with what You're doing.

And there is a powerful key from Isaiah 43, “Forget the former things; and do not dwell on the past.” Keep moving forward and watch the Lord to break out. He’s going to break us out of the old season.

And here’s a word of encouragement ... is to hold on, because there is a major breakthrough. There’s major miracles that are happening now or even over the next few weeks and months. I keep hearing 1 Corinthians 13:13, “And now these three things remain: faith, hope and love. But the greatest of these is love.” The Lord is moving right now to increase our faith, to increase our hope, to increase our love.

Watch for an infusion of the Lord, new angels and anointing for these things.

And we just say right now, Lord, that You would release hopelessness. That You would ... yeah, despair. And as we cry out right now, we ask You to increase our faith, increase our hope and grace. The greatest of these is love. So, Lord, we pray to break out of the gridlock. We pray to release, now, the peace beyond the understanding. And even, people need a piece of understanding—to get the peace. We ask You, Lord, to release over us. We ask You to release over us. Get us out of the gridlock, the strongholds, release the plans and the provision of the Lord. We repent, renounce and break anything in common with this word or with the warfare we’re under.

The Lord has told me—, I’ve been in a time of repentance, and that’s the last three or four episodes. I’ve gone into this time where I just been using this humility and bringing it under the blood. Even right now it’s a call to repent.

Lord, I repent. I renounce and I break anything I might have in common, including soul ties, generational curses all the way back. We pray, right [now] and especially, Lord, this word that You’re doing something new in the area of removing the spirit of death or removing death, defilement ...

That You're removing the deeper things that we don't understand—death, defilement, deception, the hidden things.

And it's called today. This is what the Lord—, they're trying to “storm troop” and no retaliation. You know, they're trying to “storm troop” through. You know, it's like getting pulled over at a traffic stop and a SWAT team shows up. The Lord says that the enemy is being held accountable for that. But it's going to help you to understand how to stand in the middle of all this stuff. I'm just saying the Lord is battling for us right now and He's removing the things, the common ground, because we're taking new ground. We're taking new ground.

So, Lord, we repent for any common ground, especially me. I just repent deep. I repent, I repent, renounce and break anything in common with this message, anything in common that I've done ... of anybody or anything—, Lord, I just really humble myself right now in the name of the true Yeshua. I send it to the true Throne of Grace. Lord, we call now for salvation.

Maybe you've never given your life to the Lord, or you want to rededicate because the Lord is moving in a greater way, and we just commit ourselves to You. It's very easy. All you have to do is invite the true Jesus into your heart.

Lord, we invite you in, Jesus, to our hearts.

And if we want to rededicate or even just to—, something new is going on right now ...

We invite You, the true Lord Jesus Christ, into our hearts. We ask now that You would forgive us of our sins. Cleanse us right now and fill us with the Holy Spirit. Connect us with just a good place of encouragement, a church or whatever is needed. We pray, Lord, that You would break off the

discouragement, break off the stuff, break off fear, in the name of Yeshua, Jesus Christ. Amen.

Well, DougAddison.com is my website and we are doing a *Kingdom Solutions*. It's called [Kingdom Financial Solutions 2023](#) and it's seven weeks, seven weeks that will change your life. You need a breakthrough in your finances? This goes way beyond like just getting out of debt. This shifts everything into the biblical understanding, or the biblical principles. Each week, you'll get a video delivered to you—seven weeks of the prerecorded videos of me. Then there's five mentoring sessions with—, these are five live calls with my team. Two are with me, they're Zoom calls. And so, we also have a lot of bonuses. Really, what you get out of this for the mentoring and the ... all of it together would be about \$500 easily. But we're going to do \$197. I want to encourage you to step up and into this, [or] just two payments of \$99. Just go to [DougAddison.com/Solutions](#).

Also, the Break Out Blessing if you've already given to it, great. We just need help from people out there. And I've done some videos on a website called [DougAddison.com/BreakOut](#). And also, if you want to just get started on the finances ... now, this is not conflicting with the “49 days to change your life” *Kingdom Financial Solutions*. It will jump-start you and both of these packages together will be amazing.

So, you could go to the [Break Out Blessing](#) and if you give anything, you get one of the free sessions. If you give over \$100, you get two sessions of—, it's a bundle to get your financial breakthrough now. It's a great jump start, but I'd recommend getting that and then signing up right away for the [Kingdom Financial Solutions](#), because this will get you really going for the new year.

And I believe the Lord's doing something new. We need to break through. We need to break the gridlock. We need to break out of the old season and break through.

Oh, hey, I got the communion! I almost forgot. [chuckles]

So, Lord, we just take the body and the blood of Jesus, the true Yeshua, the body and blood that was shed for us. Now we take the body and blood of the true Jesus Christ for our healing. Whatever is needed ... to hear your voice, whatever is needed. Lord, we're so grateful. I'm so grateful, Lord, for all of the partners with InLight Connection, my wife, my entire team. I'm just so grateful. Also, all of our followers of *Spirit Connection*.

All right. God bless you.

See you next week.
