

A Boost from the Lord
Doug Addison [Episode 272]
February 15, 2023

Hey, everybody, Doug Addison here. This is *Spirit Connection* podcast. It is February 15, 2023, and this is a very powerful and pivotal message and time that we're in right now. And I tell you, there's something powerful happening over the next few weeks. And during this episode, I'm going to tell you how ... or really show you how or pray with you on how to get what you need to get a boost from the Lord.

My website—DougAddison.com; Facebook—TheDougAddison; Instagram, Twitter and TikTok is DougTAddison; and YouTube is Doug Addison. Also, you can [get the Doug Addison app](#). That will really help you. You'll get all the updates. You can stay out of the junk of the internet if you want. Just go to the Apple App Store or the Google Play and you will find it, just put "Doug Addison" in.

And let's just pray.

Lord, we thank You for Your goodness. We thank You that this is a month of love. You told me this month that the prophetic word over this month is "Love Never Fails." And it's Your love that never fails. So, we declare and decree Your love. We declare and decree what is needed for each of us in the name of the true Jesus, true Yeshua of Nazareth. Lord, we just thank You. Yeah.

Wahoo! [chuckles] You know, the Lord is releasing peace and understanding. I've been praying this verse and talking about this verse quite a bit lately, Proverbs 3:5 and a couple of verses after that (five and six, I believe) but, "Trust in the Lord with all your heart, lean not on your own understanding; and in all your ways acknowledge him, and he will make your paths straight." I tell you, this has been a verse for me, these verses, because, you know, it hasn't been clear. So, the Lord has been telling me, "Lean not on your own understanding, just trust during this time."

So, I've been praying these verses through, and I've been including it kind of like at the headline of each week ... and then adding some more to it. But you know, the Lord indeed has been making a path for us, for you, for me, in the midst of the storms.

So now, a couple of things for this week is there's new angels again. My goodness, here they come again. Psalm 91:11 "For he will command his angels concerning you and he will guard over your ways." The Lord is now continuing to bring new warring angels, angels of help, all types of them. Right now, I'm just seeing the powerful angels all around. So, trust the Lord, even though you might not understand. Lean not on your understanding, He is indeed guarding your ways. He's protecting you.

Also, watch for this. Ephesians 2:7—grace, kindness and blessing is here.

Ephesians 2:7, "So that in the coming ages he might show the [incomparable] riches of his grace and his kindness towards us in Christ Jesus." The Lord's rich blessings are here. Now, this is an interesting verse because it really talks about true wealth.

He's really—, that's what this is about. True wealth and blessing is not just financial, it's also ... it is financial as well. But when you align it with the Bible, the Scriptures, with the true Yeshua, with the Lord, you will find out that it's also about spiritual gifts, character and love, especially.

So, my prophetic word this month for February is "[Love Never Fails](#)." You can find it on *Spirit Connection* podcast. It's in written form as well. Take a look at it. "Doug Addison [Love Never Fails](#)." It's a powerful one. Plus, this is a follow-up message right now. By the way, no matter when you listen to this, the Lord's outside of time. He created the true time. So, you can actually apply this at any time. Don't think you missed out later on, because the Lord knows that ... because of the internet.

So, the Lord is going to bring some things around you. He's going to bring some things into place. There's people ... what He's calling you to do right now is to focus on loving the Lord, other people and yourself, and He will make things—, then this will actually get you through this transitional season.

Here's another part of "Love Never Fails" for this month. And it's 1 Corinthians 13:4–7, now this is ... let's just soak this in, right? First Corinthians 13:4–7, "Love is patient, love is kind; love does not envy or boast, it is not arrogant. It's not rude. It does not insist on its own way; it is not irritable or resentful; it does not rejoice in wrongdoing, but rejoices in the truth. Love bears all things, believes all things, hopes all things, and endures all things."

So, wow. I think this is powerful because, see, you know, especially when it comes to the, you know, just getting through the storms, the Lord is having us focus on the good things of the Lord, the good things of God, the good things such as love. As you focus on these, what I was talking about, you know, keeping no record of wrong, doing your best to not be irritable. You do those things, and when you do have a slipup, just repent right away. We're going to go through a repentance time at the end that's going to clear things out again this week.

But if you focus on the goodness of the Lord, on love, then you'll be able to rise above the attacks right now and stay at peace in the storm. You know, and as you draw close to the Lord in love, He will indeed share His heart with you.

So, ask the Lord for help and revelation. Ask Him to speak. I love this verse.

Jeremiah 33:3, “Call on me and I will answer you and I will tell you great and hidden things that you have not known.” Well, there’s one for your refrigerator. [chuckles]
Jeremiah 33:3, I love that verse.

So, the Bible is very clear and powerful. There’s words—, And also, the Lord wants to speak with you. He wants to provide for you. He wants to protect you. He wants you to move in His love, blessings and character. And as you do this, you’ll continue to fall deeper in love. Here’s a secret to everything. You fall deeper in love with the Lord, and He will draw you close to Him. He’ll speak to you. He’ll keep you safe. And He wants to share His plans with you, bring you blessings. That’s what’s going on this month.

And the Lord will reveal His plans for you. Jeremiah 29:11, “For I know the plans I have for you,’ declares the Lord, ‘plans for your welfare and not evil, to give you a future and a hope.’” How good is that? [chuckles] The Lord is pouring out His plans over you and He wants you to walk closely with Him, safely into the protection, kept from evil. And He wants to now give you a hope and a future. So, when trouble comes ... All right, let’s just get real. You know, let’s live in the real world—but we live by faith! We can rise above it by the word of God. So, when something does happen, when you get hit, just simply repent, renounce and break ... And I’m going do it at the end, here. We’re going to repent—every day if you need to. I do. I clean out the things. But when trouble and attacks come, the Lord wants to turn it around for blessing. And that’s happening right now.

He wants to bring new life to you. And it’s Genesis 50:20, “And as for you, you meant for evil against me, but God meant it for good to bring about that many people should be kept alive, as they are today.” So, in other words, here’s the bottom line ... and I love this verse because it says, you know, that God is for you and what is intended for evil will be used for good and release life over you. You just need to stay by faith, you know,

and faith. And you just stay close to the Lord. Stay focused on the Lord. Keep moving forward. And as you do this, He's going to release the double blessings for your double trouble.

Double blessings for your double trouble. Isaiah 61:7, another refrigerator verse [chuckles], "Instead of shame, they shall have a double portion, instead of dishonor they shall rejoice in their lot; therefore in their land they shall possess double portion; and they shall have everlasting joy." Hey, check that verse out that. I think you need to write that one down—Isaiah 61:7. The Lord wants to give you the double blessing for your double trouble. Have you had any trouble? Well, I tell you, this is a timely, powerful, prophetic promise from the Scriptures of the Lord right now.

And I remember I was at a meeting; Linda and I were at a meeting and the Prophet-Apostle Cindy Jacobs—what a powerhouse ... and we're friends with her and we're really close in her ministry. But she gave me a prophetic word last year, and she said this—, she basically gave me the verse that says, "Because you've been under double trouble, the Lord is going to give you a double blessing and a double anointing. Double blessing and a double anointing. How good is that? We've been pushing through for that. And you know, the Lord wants to do this for you. He wants to go beyond just supplying your needs. Yes, He will supply your needs. He will supply your needs. He *will* supply your needs, and sometimes you will rise above that and move into a blessing season. But till then, you just get by and, you know, each day and then, wow, you get a breakthrough, you know?"

Philippians 4:19, "And my God will supply every need according to His riches in glory in Christ Jesus." And my God will supply all your needs according to His riches in glory in Christ Jesus. I think I might say it again—and my God will supply all your needs according to His riches in glory in Christ Jesus.

And so, what do you need? What do you need from the Lord? You know, maybe you need a financial boost, maybe you need some healing, maybe you need, you know, hope right now. Maybe you need a boost. That's what this message is. The Lord wants to give you a boost. So, let's come into agreement. There's power in agreement. So, we're going to pray right now and agree over your needs.

So, think about what you need and here's how you can remove some strongholds and gridlock and delays. We've been getting hit. We've been getting strongholds, gridlocks and delays. We got the word of the Lord. We know it. We got the word of a prophet. We've got the word of the Lord. We've got, you know, we've got the Bible, we've got it. But then, suddenly, we hit a gridlock, or we hit a stronghold, or we hit a delay. That's when we step up and do some cleaning out. I've been doing this on the podcast for a while now, but this week I want to do it again and it cleans things out.

We repent, we renounce, and we break anything that we might have in common, including generational curses, soul ties, anything that we have done knowingly or unknowingly. Also, we come into agreement to break out of the things that have been holding us back. And we ask You, Lord, to forgive us if we've gotten off, if there's even some hidden stuff, we just bring it under the blood, bring it to the true Throne of Grace. Or forgive us and to break off the spirit of unforgiveness. Show us if we need to forgive anybody, including you, Lord.

And Lord, I ask for forgiveness. Me, Doug Addison, head of my ministry. And you know, I tell you, I ask forgiveness. It's going to clear things out. This will indeed clear things out. If I've done anything that's hurt anybody. If I've come into agreement knowingly or unknowingly against what I'm talking about here, this message or anything that would stop us from getting the breakthrough—to break out of the old season, to break into the new. We also ask, Lord, for forgiveness. I ask forgiveness if I've misused

any finances, spiritual gifts, anything knowingly or unknowingly. I mean, you know, I just tell you, it could be generational. It could have been some years ago. We're just going to clean out that place. I just want to clean it out. Lord, we want to flush out the things that are seen or unseen, and we bring them into the true light, into the true Throne of Grace, as well ... to the true Yeshua of Nazareth in the name of Jesus, amen.

Well, you know, right now we're—, this message is: God wants to give you a boost. And so, these verses will help you get the boost you need. Plus, the prayer at the end will help you get a boost that you need, whether it's encouragement, finances. See, this is powerful time.

And so also, my ministry right now, InLight Connection, we've been going for 21 years, Linda, my wife, Linda Addison, and she's just been so committed to me and I'm so grateful. And we've had a group of partners with us, and we've had supporters with us, and my goodness, it's been such a blessing all these years and all the outreaches and all the stuff we've done. But right now, we need a boost.

We need a financial—, we have a financial need I want to share with you. And we just need a boost of finances to get us through to the new. And so, you know, if you can just go to DougAddison.com/Give. DougAddison.com/Give. You can give any amount. There's some different ways on there. And you know, we've got all kinds of different ways.

But also, on there you can find becoming a Partner. Consider becoming a Partner with us. You know that we're actually an online church, InLight Connection. And we're registered with the, you know, with the IRS as an online church. But the reason we do that is the Lord had called us to help minister to people. You know, if you become a Partner, give any amount each month, we have a special website where you can go and it's like a portal website, and it will allow you to interact with our coaches. We have a

Partner Coach, and a couple of them, actually. But we have a power—, it's like a home group. It's—, if you want to use it that way. You know, the Partner Coach prays for your needs. And then we have a monthly meeting, a monthly mentoring meeting, where it's live. It's a Zoom meeting with me and the Partner Coaches and my team (parts of my team) where we prophesy, release the word. That's a Partner—, just go to DougAddison.com/Give or /Partner, either one. We need a boost right now!

I tell you, if my *Daily Prophetic* has helped you in any way, this is a time that we would really need a boost from those who helped us. Maybe the Lord is moving in your life right now and you could help us out. We'd appreciate that ... DougAddison.com.

Anyway ... Also, we want to bless people back! And we're offering right now, [How to Get Ready for the New Year](#), is a bundle. You know, just to hear the hear the voice of the Lord right now on a greater level. And I've been offering the Break Out Blessing. You could do that as well if you want. But this is the boost we need right now. There is the Break Out Blessing and also to [Hear God Now: Get Ready for the New Year and Beyond](#)—it's a bundle, like *How to Transform Your Bible into a Prophetic Road Map*. There's a few different ones. It's normally \$111, but it's \$49 right now. Just go to DougAddison.com/Hear23.

And yeah, I tell you, we got a lot of things that'll help you out. And I don't want to sound confusing. We've been doing the [Break Out Blessing](#), you can give there as well. But right now, we just need a boost from our followers and from the Lord mostly. And we declare, decree a blessing over you as well!

Lord, again, I repent, renounce and break and ask for the power, the true power of the true Yeshua to flow in the name of Jesus.

See you next week.
