

Remain in the Lord's Love
Doug Addison [Episode 273]
February 22, 2023

Hey everybody, Doug Addison here. Welcome to *Spirit Connection* podcast. It's February 22nd, 2023. I tell you, this week I want to talk about ... that it's time for us all to move close to the Lord. In fact, the message this week, it's called "*Remain in the Lord's Love*." This week, in this episode, I'm just really going to partner with the Lord right here. And the Lord is going to do some stuff. He's going to release deeper understanding into where you are right now, where we are, and give us some tools and resources to get to the next level.

Dougaddison.com is my website. Facebook ... You can follow me on social media. Facebook is TheDougAddison; Instagram, Twitter, TikTok is DougTAddison and YouTube is Doug Addison. Also go to the—, actually, you'll want to [get my app](#). It's the best way, really, to follow everything. Go to the Apple App Store, look for Doug Addison. That's my app. It's free. And also, for Google Play, you'll see it there as well. The Doug Addison app.

Also, the Lord is moving right now.

So, we pray, Lord, for this time. We pray for Your blessings to flow. We pray no matter when we listen to this—because the Lord is outside of time. He created the true time, the true Lord created time. And because of that, you could listen to this later. And because of the internet, as well, you

can listen to this later and it will apply, no matter what. You just step in right now. We just ask that You would cause the blessings to flow in the name of the true Yeshua. Amen.

Well, this week, you know, I want to take this thing a little bit further. I've been talking about how to really move in the Lord's love this month. And so, the blessings of the Lord are going to flow right now. The Lord wants to bless you beyond what we can imagine.

He's now moving things to bring about some things that He's promised us, including financial blessings and more. Deuteronomy 1:11. Love this verse. Oh wow, "May the Lord, the God of your fathers make you a thousand times as many as you were and to bless you as he has promised you!" So, that's a big blessing. We just ... Wow. The Lord has truly blessed Linda and I, my wife Linda, our ministry, InLight Connection. This is—, we've been going for a while now, but I wanted to really give a good report.

The Lord's been moving in the midst of things, in the midst of the storm. And the report is Linda and I, you know, we're in the deepest love we've ever been. We're the closest we've ever been. We've been married 27 years, and we made it through the storms. And I'm so grateful for my beautiful wife, loving wife, Linda Addison. And I'm also the most accountable that I've ever been right now. This is a good report. You know, I'm under the apostolic leadership of Harvest International Ministries. That's Apostle Ché Ahn ... Papa Ché and Mama Sue Ahn. We ... oh, my goodness, we love them and love just all that they're doing.

And I'm also part of the Ministry of the prophet and the apostle Cindy and Mike Jacobs' Ministries and their ministry that they have called the Apostolic Prophetic Council. And, you know, this is a time that the Lord is moving. This is a change that I've made just recently. Well actually, not recently, but a few years ago. But I've stepped into this place several years ago to where the Lord's using the blessing of close accountability relationships that we need.

But now I want to shift this. That's a good report, but I want to shift this to a word of encouragement.

The Lord is now repaying. He's repaying you for the double trouble. It's Isaiah 61:7, "Instead of your shame there shall be a double portion; instead of dishonor they shall rejoice in their lot; therefore in the land of their possession, a double portion; they will have everlasting joy." What a powerful verse, Isaiah 61:7. And the apostle and prophet Cindy Jacobs gave me a prophetic word in 2022 using this, it was basically this. She said that I've been through double trouble. But the Lord is going to use it and repay me double. How good is that? We're going to get repaid double for all of our trouble. And you know, this is available to you as well.

The Lord's promises. I want to talk about them. It's a theme that's going on right now is to get a hold of the promises and get a hold of His love, because that's what they are rooted in. The Lord's promises are going to be fulfilled over you, over me, over us. You've got to step up, though. And Isaiah 55:11 talks about this, "So shall my word be that it goes forth from my mouth. It shall not return empty or void, but it will accomplish all that I had purposed for it. And it shall succeed in the very thing in which I sent it." Another powerful, powerful promise, words of the Lord. And the Lord has promised us that He will give us new life. And it's very important to find the biblical promises. Bible verses—begin to pray them into your life.

You know, He's promised us healing, new life, victory, hope and a future, to name a few. But also, we can ask for wisdom and revelation right now. This is really, really a strong, strong verse. Ephesians 1:17, "That the God of our Lord Jesus Christ, the glorious Father, may give you the Spirit of wisdom, revelation in the knowledge of him." Now, this is one of my favorite verses. It's a great verse for you to begin to pray in ... and begin, you know, to call it into your life. And it's wisdom and revelation.

So, Lord, we're going to just come into agreement right away. So, we ask for the true Spirit of wisdom and revelation. We ask you to open it up to us. That we may hear Your voice, and yeah, move into this new season. Well, next—. in the name of Yeshua. Amen.

The next is ... the Lord is ordering our help. Psalm 91:11, "For he will command his angels concerning you." And He will—, they will guard your ways. "He will command his angels concerning you to guard you in all your ways." And so, there's another version that actually talks about the Lord. He's going to actually order His angels concerning you. So, the Lord is releasing angels right now, but also, He's releasing order. He's ... He wants to order things, order your steps. And He's going to start moving quickly. Watch for miracles, watch for fast turnarounds and "suddenlies" to start happening.

You know, the Lord loves you. The Lord loves you. I'm going to say the third time ... the Lord loves you. This is the main part of today's episode, and it's also the prophetic word for the month ... is about the love of the Lord. And the main thrust of this episode is John 15:9. Jesus says this, "As the Father has loved me, so I have loved you. Abide in my love." You know, many of us have been in a season of John 15, I don't know if you know John 15. But it's the season of pruning in which the Lord removes the things that He needs to remove, I used to say, "Oh, no." I hated it. You know, it's not always pleasant.

But now, I want you to consider this, that we're now in a time ... many of us have been in a season of pruning, which we have. I have been. And it is important to understand as you do this, that God is not mean or an angry Father. Now, notice Jesus says, "As the Father has loved me, so I love you." The "John 15 pruning" needs to be done through the understanding of the love for you, the love of the Father. Jesus loves you. And, you know, the Lord is now taking us into a new season of pruning. And He's doing this through His great love for us all.

John 15:2—now, this is the thrust of everything here. Jesus (it says this) ... He says, “Every branch that does not bear fruit he takes away, and then every branch that does bear fruit He prunes.”

So, He’s removing some things. He’s pruning, He’s moving some stuff around. He’s doing some stuff so that you can bear more fruit. I want to encourage you to read and study John 15 during the season, even this week ... or the season we’re entering into right now.

But now, I want you to do it through the eyes of the loving Father, the Jesus that loves you, the Father that’s not mean. I want you do that. And you know, I’ve been in a season which I’ve been sharing every week about how I repent, renounce and I break anything I have in common, and I’ve been doing this repentance time. It will clean out the spiritual atmosphere, so to speak, in a good way. So, let’s move forward in this.

Now what do you need? Because the Lord wants to supply your needs. He wants to speak to you. Jeremiah 33:3, “Call to me and I will answer you, and I will tell you great and hidden things that you don’t know.” So, what is it that you need right now ... you know? “Call to me,” says Lord, let’s agree together. First of all, let’s call out to the Lord.

Lord, we pray that You would speak to us. We pray that You would now give us the hidden things, Jeremiah 33:3. And throughout this entire podcast, I’ve been talking about the different things—the Ephesians 1:17 wisdom and revelation. Jeremiah 33:3—we need to understand. We pray that You would speak to us right now, but also in the context of this message of love and John 15—pruning and preparation.

So, let’s agree together right now. We agree with the Lord over your life. I agree with the Lord. Let’s agree together. We cry out to the Lord right now.

Lord, speak to us about what we need. Speak to us what we need to walk through and let go of. We pray right now that You would open things up in the name of the true Yeshua, Jesus Christ.

Now, take some time. Go back, maybe go back and listen to this again if you need to. But write down some things that you need, and I'm going to walk you through the process that I use. I use this process that will help you to hear the Lord and prepare you to move into this next level.

The first thing is: I find Bible verses and, you know, like Jeremiah 33:3 and Ephesians 1:17 talks about asking the Lord for the wisdom and understanding and revelation. So, you know, the first thing you want to do is find some Bible verses. There's so much, my goodness, you can use the internet, google it, and find the Bible verses for whatever you need. And I'm going to walk you through a process a little bit right here.

Here we go. So, we find the Bible verses, we agree with others, and then we ask the Lord to do the deep repentance work that we might not have anything in common with this. In other words, we want to repent, and we want to stop. You know, like right now, we're not—, If I have anything in common in my life, known or unknown, I want to repent of it. And it's keeping You from blessing us or me or us moving forward.

So, it's important to add worship, fun and joy to this process, because we're walking through pruning. You don't want to do that. You know, we're walking through this time of repentance, do it with joy as well. And, you know, think about what the Lord is doing or what you need from the Lord. Pray about it. Let's agree together. And then what specific things.

Now, here's how you can remove strongholds. See, we're hitting strongholds, gridlock and delays right now ... us personally and, you know, as a ministry. So, here's what I do. Every week, I've been walking you through this ...

I repent, I renounce and I break anything that I have in common, including generational curses, soul ties, all the way back. All the way back.
[chuckles] Things that I've done knowingly or unknowingly. Also, I ask now that we could just come into agreement with the prayer to break off the things that are holding us back. Show us what they are. Speak to us in a loving way, Lord. We forgive. We want to break off the spirit of unforgiveness. And we—, you know, we want to agree with Your word.

We also—, as we're doing the unforgiveness part, we don't have to agree with what the person or people or groups might have done to us. But it's good to do forgiveness. You don't necessarily have to contact people, you know, but we forgive and walk through this level right now.

So, Lord, I ask forgiveness if I have done anything that has hurt anybody, if I come into agreement with anything (knowingly or unknowingly) against this message, you know, against the pruning time, the hearing the Lord, against being able to step into this new season or anything that would stop us from breaking out of the old season and into the new, getting the revelation, getting the blessing we need right now. Also, I ask forgiveness for any anything that I have done, knowingly or unknowingly ... generationally, even, that may have been a misuse of anything that You've given us—spiritual gifts, funds, finances. (Now, I don't know of anything now because I've repented of everything all the way back that—, just saying I'm cleansing this stuff out right now, knowingly or unknowingly.) And we ask now, Lord, flush out the things that are unseen and bring them

into the true light of the true Throne of Grace in the name of the true Yeshua, Jesus Christ. Amen.

Well, wow. It's a powerful, powerful time of preparation.

Right now, I'll just share with you, *our need*. You know, we need a boost right now. We're trying to get out of the previous season.
