

Increase in Peace and Understanding

Doug Addison [Episode 274]

March 1, 2023

Hey, everybody. Doug Addison here. Welcome to *Spirit Connection* podcast, March 1st, 2023. I have a special prophetic word for the month of March, but it's not limited to this time. You can listen to this any time because God is—, the true Lord is the Inventor, Creator of time.

So, this is a powerful word because we're in a time of transition right now and the Lord is going to increase your peace and your understanding. And I've got some ministry at the end here, plus some stuff happening here. So, stay tuned.

So Lord, we just thank You for Your goodness. We thank You that You're opening things up right now to increase our peace and our understanding.

Lord, I pray for each person. I pray that each person would be touched. I pray that we would come away with a greater understanding of what

you're doing and some tools on what to do, in the name of the true Yeshua. Amen.

Well, this month, the Lord is breaking us out and bringing new hope. He's bringing us greater joy. There's peace, there's understanding. Now joy is going to increase. Jeremiah 31:13, "Then the women, the young women will dance and be glad and the young men and the old as well. I will turn their mourning into gladness; and I will give them comfort and joy instead of sorrow." So here it is. The Lord is continuing to remove any sorrow and replace it with gladness. He's lifting us out of the dry seasons and He's bringing us into this new, greater blessing.

So, here's what you do. Continue to pray, continue to press into the Lord to ask for revelation and greater understanding. And right now, understanding will increase. I've been praying this verse a lot. Proverbs 3:5–6, "Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways submit or acknowledge him, and he will make your paths straight." Boy, that's powerful. This is a time for us to move forward and lean not on our own understanding.

And so, as we take some steps, don't look back. That's what the Lord—, the Lord is making your paths straight. Don't look back. [chuckles]

Philippians 3:13. Another good one ... the apostle Paul says this, "Brothers and sisters, I don't consider myself yet to have taken hold of it. But one thing I do: Forgetting what is behind and straining forward for what is ahead." And so, one of the major keys to get through this time of transition is to keep moving forward, to stay in joy. Don't look back. And you know, I've been talking about this quite a bit on my podcast and the need to trust and worship the Lord. And even when, you know, even though we don't quite understand what He's doing (just yet anyway), step out of fear. This is a time. Step out of fear. Trust the Lord.

Isaiah 41:10 is a powerful verse. I love this one, “Do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and I will help you; I will uphold you with my righteous right hand.” The Lord is continuing to remove fear, and He is bringing us strength, encouragement and support. So, reaching out to others and agreeing in prayer is going to be very important. And this will also help you, if you reach out to others, it’s going to help you. So, I have some instructions at the end of this session where I walk you through how I do that. I’ve been training on this. And some Bible verses and some instructions that will help you to be able to break through this.

So, the Lord is bringing peace. John 14:27—Jesus says this, “Peace I leave you; my peace I give you. I do not give you the peace like the world gives. So do not let your hearts be troubled and do not be afraid.” My goodness. That’s a power verse. That might even be a good one for you to write down and consider this. John 14:27, “Peace I leave you my peace (Jesus says) that I give you. I do not give you as the world gives. Do not let your hearts be troubled and do not be afraid.” The Lord is continuing to break off discouragement. He’s lifting up our hearts and also, so that we don’t need to be afraid. The peace of the Lord is with us, and that’s why we need to just move forward and complete—, the completion of what He’s doing. Yep. Completion of what He started. Philippians 1:6, a very, very powerful verse, “Being confident of this, that he who began a good work in you will carry it out to completion until the day of Christ Jesus.” The Lord is indeed completing the good work and He’s bringing about some changes that we need. And He’s also increasing our confidence right now.

He’s bringing new strategies. He’s bringing help. So, watch for financial strategies and ask the Lord to give you confirmations right now. And Isaiah 45:3 (another power verse), “I will give you hidden treasures, riches stored in secret places, so that you may know that I’m the Lord, the God of Israel, who summons you by name.”

This is a month of transition, and the Lord is celebrating greater victories. He’s also taking up our battles. New angels continue to be given, and greater anointing is here.

So, know this, that we can do all things through Christ who gives us strength. Be encouraged. The Lord is with you, and He is with us all right now.

And so, here's how to break through. I mentioned this earlier, and I've been teaching the same thing each week for a few weeks now, because it's a powerful, powerful thing. It will help you to break through.

I'm going to walk you through the process that I use. You know, I find Bible verses and then I pray in the promises, agree with others and do deep repentance—that's a key—on anything that I might have in common that would stop the Lord from moving or blessing us. So, it's important to add worship and fun to this, you don't want to just, you know, get all serious. And, you know, it is a serious time, but you want to have joy.

So, think about it and pray through: What is it that you need right now? And so, what is it that you need right now? What is it? Think about it. Pray about it, specifically. And here's how you can remove the strongholds, the jam-ups, the gridlocks and the delays is—, and I'm going to do it right now.

Lord, we repent, renounce and we break anything we might have in common, including generational ties, soul ties, curses, generational curses all the way back. Things that we may have done knowingly or unknowingly. And we ask that we come into agreement in prayer to break out and break off the things that are holding us back.

And so also, forgiveness is big here.

We forgive and we break off ... We break off the spirit of unforgiveness and we're asking now, Lord. We agree together with other people.

And, you know, I just want to say this. When you're doing forgiveness, you don't have to agree with what the person did to forgive them. And you may not want to contact someone in person, you know, because they may just—, it may open some wounds. You can even write a letter. And, you know, these are the steps that you can do. I've been saying this every week.

So, Lord, we ask for forgiveness if we've done anything. Now, I'm asking forgiveness here. If I've done anything that has hurt anyone, even my listeners or anyone in my life right now, known or unknown, if I've come into agreement with anything, knowingly or unknowingly, that's against this message or would stop You from breaking us out of the old season and into the new.

Also, I ask forgiveness. If myself (or any of us) or, you know, my ministry or family, you know, if we, I (or we) have misused finances, spiritual gifts or anything that You've given us, known or unknown, we repent. Lord, we ask now that You would flush out things that are unseen and bring them into the true light of the true Throne of Grace. And we also ask this in the name of the true Yeshua, Jesus Christ of Nazareth. Amen.

So, what you want to do here (each week, I've been doing this process because this is what really keeps things in a clean place), you can use one of the Bible verses. I like the Isaiah 45:3 right now that "I will give you hidden treasures, riches stored in secret places, so that you may know that I'm the Lord, the God of Israel, who summons you by name." Or anything that the Lord really moves on you. And you could do different things. But it's really good to walk through this process. Remember this, is to be encouraged.

The Lord is with you, and you can get a breakthrough. What you do I'm going to just give you the steps again, walk you through these ... is find Bible verses that back up what you need.

Pray about the promises. Also get, you know, get clear what you want, you know, in a sense, you want to know what it is that you need. And ask the Lord, pray in the promises, agree with others, do deep repentance like I just did—anything that you have in common, known or unknown, that would stop the Lord from moving. And then, it's important to worship [chuckles] and have joy and fun! And so, those are the steps. Once again—repent, renounce and break. I always just say it.

And so, Lord, we just ask again that You would bring this blessing in the name of the true Yeshua. Amen.

All right. Well, you know, this month ... guess what? I am, Doug Addison, I'm turning 64 years old in March. So, we're going to be doing **Doug Addison's Big 64th Birthday Bash**. Now, we don't know exactly what it is yet, my team and I, we're still working on it. And we're saying to get ready. In fact, we're actually starting right now with getting some things, you know, and I just want to say this is that, you know, most people (some people anyway), I don't know, might retire at 64, but the Lord has really put it in my heart ... and Linda, she's 64 as well. Don't tell anybody. But that we're going to re-fire instead of retire, and we're going to—, we want to just really push in, right now.

We're believing the Lord for some greater levels of things. So, you can go to DougAddison.com/Birthday64, DougAddison.com/Birthday64. And you can—this is ahead of things—you can just give right now.

We really do need to break out of the old season. The Lord, wants, really, to bring us into this place where—. We need a boost, basically. We need a boost for InLight Connection, it's one of our needs, financially. This is for our ministry, but go to DougAddison.com/Birthday64.

Also, just watch out because we're going to be doing some specials. We're going to be doing some products and different things throughout the month of March. And as well, if you want to become a Partner with InLight Connection, you'll find it in the different areas, you know, but DougAddison.com/Partner. And you could actually be part of our community online. We have a Partner coach, we do a monthly meeting and stuff, so go take a look at that.

But this is real time, I'm excited. I am so excited. I'm excited that you follow our ministry and our podcast. And I'm grateful for our team, my wife Linda and I, and for our InLight Connection Team.

I am really, really hopeful. The Lord is doing something new right now.

All right. God bless you, see you next week!
