

Doug's Birthday
Doug Addison [Episode 275]
March 8, 2023

Hey, friends Doug Addison here. Welcome to *Spirit Connection* podcast. It is March 8th, 2023. And believe it or not, it's my 64th birthday today [chuckles] and I'm so glad that we could have this special episode to do. I'm going to be sharing some of my favorite Bible verses and how to apply them to your life and also be doing some ministry time at the end. So, you'll want to stay tuned ... and how to celebrate my birthday with me. And also, later in the episode there's some more stuff going on.

DougAddison.com is my website. Follow me on social media: Facebook—TheDougAddison; Instagram and Twitter and TikTok is DougTAddison; And also, you can follow me on YouTube—Doug Addison. Best way (or one of the better ways, anyway) to follow me is on the app and we have a [Doug Addison app](#). Go to the Apple App Store or Google Play and just put "Doug Addison" in. And boy, it's good. You'll get updated. Put on notifications, you'll get updated of everything. You can stay off of—, you know, you just can—, just stay into that positive flow that the Lord has for you.

So, we just pray right now, Lord, we want to just pray a blessing. I know it's my birthday. [chuckles] So, I just want—, I'd like to extend this prayer where I pray ... I pray this prayer a lot. I pray that I want to come into agreement with the Lord over you and over me. And we need a breakthrough right now. And that's what we're going to be walking through in this episode, in the name of the true Yeshua.

Today—my 64th birthday, and I'm really grateful to the Lord for all that He's done throughout my life. And some people are ready to retire at age 64, but my wife Linda and I are ... we're ready to re-fire instead of retire. That means, really, that we're now coming into agreement with the Lord. And we're using the Scriptures, the true word of God. It's so important. It's changed our lives in so many ways.

And so, one of the main Bible verses that the Lord gave me regarding this, you know, as far as where we are right now is Philippians 1:6. And it was also prophesied to me through Prophet Bobby Conner, and he confirmed—, and confirmed through others as well. I remember a spiritual mother that I have ... Apostle and Prophet Cindy Jacobs said the same thing. Philippians 1:6. Powerful, powerful verse, "Being confident of this, that he who began a good work in you will carry it out to completion until the day of Christ Jesus."

Wow. This is really a shot of life for anyone who has suffered or who has gone through a lot like we have. But the Lord is faithful, and He will indeed carry out to completion His promises over us.

And so, we're entering into a new time. And a lot of this is starting to—, we're seeing this starting to take place.

So, there's another Bible verse that's very powerful that right now, actually, one of the major powerful tools or a ... yeah, it's a powerful tool for getting a breakthrough. Ephesians 4:2–3, Ephesians 4:2–3. And it basically talks about being humble, gentle and patient and even more. So, here's the verse, "Be completely humble and gentle; be patient, bearing with one another in love. And make every effort to keep the unity of the Spirit through the bond of peace." Oh, my goodness. So, we're just going to let that flow over people. Let the true presence of this—.

So, the Bible verse, basically, this Bible verse is a promise that also talks about love, unity in the bond of peace. Put it all together and you get: humble, gentle and patient. Then the Lord brings in with that ... love, unity and a bond of peace. So, this is extremely powerful for us all.

You know, the next verse that the Lord has been using with me. It'll get you through the tough times, and it shows you that the tough times turn good. Genesis 50:20, "You intended to harm me, but God intended it for good to accomplish what he has been done and saving the lives of many." [chuckles] Wow, man. Anyway, I'm just going to just say, I'm at a moment right now ... we're just sending this powerful, powerful promise to the Lord, coming into agreement with Him. That's what I said at the beginning. One of the ways I pray is to agree with the Lord over it. And so, anyone who's been through a tough time can trust the fact that the Lord will use things that were intended for evil and then turn them to a blessing.

The next verse that's really powerful in my life right now is Psalm 91:11. It's about more —, basically, more angels and protection, because I've been talking about it a little bit. But Psalm 91:11, "For he will command his angels concerning you to guard you in all your ways." And the Lord is in the business right now of saving lives, of course. But He also wants to protect you. And the Lord is bringing angels to help you. I've been seeing a lot of warring angels—various angels of different types being assigned right now during this time because we are in a time of transition.

So, here's another powerful prophetic promise from the Bible that's going to help you get through. Isaiah 43:18–19, "Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I'm making a way in the wilderness and streams in the wastelands."

Wow. You know the Lord is making a way for those of us who have been through the wilderness. Or maybe you're still going through it or in a dry time. He's also calling us to

not dwell on the past. But the Lord is also going to open a way where there seems to be no way. And so, the bottom line is—Don't give up. Don't quit. Keep moving forward.

And the Lord is also bringing refreshment to us. And I don't know about you, but I sure need it. And one of the favorite Bible verses right now is Jeremiah 33:3, "Call on me and I will answer you and give you great and unsearchable things that you don't know." Wow. The Lord is inviting us. He's inviting you and I to call upon Him. This is in a time of prayer where you can agree together in prayer. You can get revelation and instructions and also understanding into what we need. And it's a crucial time right now.

So, this is my birthday, today, and so I'm really, really grateful for my wife, Linda. Yeah, Linda Addison, my family, my ministry, InLight Connection and all of you and our followers, you know, our Partners with our ministry. It's just a—, I'm so grateful for all of you and those who prayed and supported us over the years. We just want to say thank you so much.

This is a time of transition. So, the Lord is celebrating greater victories and He's actually taking up our battles right now. That's why these new angels are here. You know, He's continuing to give greater anointing and He's bringing angels. Now, know this: that, you know, "I can do all things through Christ who gives us strength." And so, be encouraged right now.

The Lord is with us and He's with us all. He's with you. He's with me. But I want to go through, and I've been doing this every week for a little bit, but don't tune it out. This is so, so important. And it's a little process that I use for a breakthrough. It works. It'll keep you safe as well. So, I'm going to walk you through the process that I use. You find a Bible verse, first of all, what you need. Then you begin to pray in the promises around that. Agree with others. Then do some deep repentance on anything that you might have in common. I do this. I repent for anything that I have "in common." That means

that there might be ... anything that would stop the Lord from moving and blessing us now.

And so, it's important to add worship and fun and joy to this. Think about—, right now, let's just think about it and pray it together. We're going to agree together over our needs. So, what do you need, specifically? And so, here's how you can actually remove any strongholds, jam-ups, gridlocks, delays over things. And here's how you do it. We just come into agreement right now and you repent, renounce and break anything that we have in common, including generational—curses, soul ties, anything that we've done, knowingly or unknowingly. We also come into agreement in prayer to break out of the old things that are holding us back.

And we ask now—, well, first of all, we forgive and break off the spirit of unforgiveness. And yeah. Wow. I just want to say this. First of all, this is not like a formula. You don't have to pray this word for word. You know, this is a time that the Lord can move here. So, it's a freedom to use this as the Lord leads, so that you know. And so, we also break off the spirit of unforgiveness. And we don't have to agree with anyone or the people that we, you know, have unforgiveness towards. You know, in other words, there might be something that would happen. You don't have to necessarily contact them. I say this each week in a different way, but it's a good idea to pray and ask forgiveness and break off any unforgiveness. You don't necessarily have to reach out to them. And again, you don't have to agree with what they did, but continue to seek the Lord on this.

And so, Lord, I ask forgiveness if I've done anything to hurt anyone. If I've come into agreement with anything, knowingly or unknowingly, against this message or that would stop You from breaking us out of the old season and into the new. I also ask Lord, that You would forgive us if, you know, forgive me, actually, if I've misused anything—spiritual gifts, finances, knowingly or unknowingly, or anything that would be contrary to this.

So again, remember, you don't have to pray this word for word. You know, I'm using it ... I use it different each week.

But, Lord, we now ask that You flush out the things, seen or unseen, and You bring them into the true light of the true Throne of Grace. And we ask this in the name of the true Yeshua, Jesus Christ of Nazareth. Amen.

Well, here ... Hey, it's my birthday! I'm 64 years old. I know. I can't believe it. Time flies, huh? And so, today is a time, you know, we actually think about what we need. We need a financial boost. We had a major one, basically, we need a major one. So, if you're able to do that, this would be a good day.

Or this month, we're doing a celebration for my birthday, but we're trying to raise some funds here. And you can go to DougAddison.com/Birthday64, DougAddison.com/Birthday 64. And it's this entire month of March. We're going to be doing [Doug's Big 64th Birthday Bash](#). So, we'll be updating you on specials and products and a possibility of surprise events that might be coming up. So, you can also donate right now. And we'd really appreciate that.

And also, we're offering, right now, an amazing deal. Regularly sell—, this is ... it's a—, it was called the [School of the Supernatural](#) done by me. It's the special birthday discount ... [School of the Supernatural](#). It normally sells for \$297. It's an online set that you can download, but we're doing it (for this month) for \$57 or two payments of \$30. So, the course is actually packed full of trainings, special bonuses and, you know, will help you to grow. Just go to DougAddison.com/SOS for that one.

But remember, the Lord is moving right now. And if you just use the Bible verses and different things like that, just—, it's exactly what I've been walking people through. But remember, it's not a formula. You don't have to do anything word for word. I don't. I kind of make this different each week, but I do bring it before the Lord, and I know the Lord is

going to do something new over you. Happy birthday. [chuckles] And so go to DougAddison.com/Birthday64 and watch for things to come out this month and hopefully you can help us out there.

God bless you all.

See you next week!
