

**Breakthrough Is Here**  
**Doug Addison [Episode 278]**  
**March 29, 2023**

Hey friends, Doug Addison here. Welcome to *Spirit Connection* podcast. And it is March 29th, 2023, and this week I have a special and powerful episode called “*Breakthrough Is Here.*”

My website—DougAddison.com; Facebook—TheDougAddison; Instagram, Twitter, TikTok—DougTAddison; and YouTube is Doug Addison. But you know, one of the really easy ways to follow me is [my app](#). You can get it at—, it’s just called “Doug Addison” at the Google Play or the Apple App Store. And it is free, and you’ll get updated of everything that’s going on and it’s just a really good thing.

We just thank You, true Lord God, we just thank You for Your goodness.  
We pray right now for the power and the peace that passes all  
understanding will guard our hearts and our minds in Christ Jesus. Amen.

Well, you know, the message I have this week is “*Breakthrough Is Here.*” The Lord is opening up new opportunities. He’s—, there’s new understanding, new joy and breakthrough. He is repaying us for all the difficulties, hard times, the setbacks, delays. And you got it ... breakthrough is here! Psalm 16:11, “You make known to me the path of life and you fill me with joy in your presence and eternal pleasures at your right hand.” Prophet Bobby Conner (and a good friend of mine) gave me this prophetic word. And it applies to all of us as well. Especially right now.

The Lord is opening up new paths. He's opening up new understanding and opportunities, and He's bringing new strength, joy ... and breakthrough is here. There's "double for your trouble" is the word that I've been saying for a while. But this is a little bit of a different verse that I've been using. Isaiah 61:7, "Instead of your shame you will receive a double portion, and instead of disgrace you will rejoice in your inheritance. And you will inherit a double portion in your land, and an everlasting joy will be yours." Isaiah 61:7 NIV Version.

This is a prophetic word that Apostle and Prophetess Cindy Jacobs (a very powerful, loving, spiritual mother who is over me and our ministry) gave me. Cindy gave me this prophetic word, and this is a little bit of a different angle on it, a different verse, a different version, but it still applies, especially for all of us right now. "The Lord is removing our shame, disgrace, and He's bringing deeper healing in nearly all the areas of our lives. And we will receive a double portion and the double blessing for our double trouble. And this is a similar theme: that He's restoring joy ... and breakthrough is here.

Well, you know, I have a—, I just want to call for help right now. And my wife Linda and I have been serving the Lord for many years.

Our ministry, InLight Connection, is touching millions of people all around the world. We currently have a need, financial—, we need a financial breakthrough. And so please take some time and pray and ask the Lord if you're able to help us by giving financially or by prayer. You know, maybe you've already done this, and you can just do it again. Go to (right now) to [DougAddison.com/Birthday64](https://DougAddison.com/Birthday64). I celebrated my 64th birthday this month and instead of retiring, the Lord wants us to re-fire; and—, but we do need some time. We need some personal healing. We need some restoration. We need some financial repayment especially. That's why, you know, we need ... we definitely need "*Breakthrough Is Here.*"

So, something I've been teaching each week over this and every time that I do this, I hope you don't see this as wallpaper. This really makes it powerful ... how to get your breakthrough. And I've been showing you and I'll show you again this week on this. So, boy it's so, so powerful. And I'm going to walk you through the process that I use to get a breakthrough. So, find Bible verses that back up what you need. Like right now we're —, this week we're really proclaiming about the breakthrough, financially. And maybe whatever it might be.

So, find some Bible verses. These are promises. The second step: agree with others. That means prayer. And as you agree with others in prayer, things really kind of start to open up. And then do some deep repentance. Or let the Lord search your heart, do some repentance of anything that I might have in common that would stop the Lord from moving and blessing us.

So, it's important in the midst of this because this is part of the word as well, is to add worship, joy and fun, because you don't want to just get into a time of repentance and sit there and, you know—, you need to get things, you know, to where you're able to pray. Pray about it, agree with others for your needs. So, let's do it right now. What do you need specifically? Maybe it's different [for] you. And here's how you can remove any strongholds, jam-ups, gridlocks and delays. That's what we're going through right now. In fact, that's what we need. We need this financial breakthrough.

And so, here's how you do it. Find the Bible verses, agree with others, then repent, renounce and we break.

Lord, this is to the true Lord Jesus. We repent, renounce, and break anything we might have in common, including generational, soul ties, curses, things that we may have done, knowingly or unknowingly.

And we also come into agreement in prayer to break off things that are holding us back. We want to forgive. Lord, that's a big one. So, we ask You, Lord, break off the spirit of unforgiveness ...

And we don't have to agree. By the way, I teach this every week. You don't have to agree with the person who may have wounded you or that you're upset at, but you don't have to agree with them, and you don't have to necessarily contact them. But forgiving is a big thing, and it might take a few swings at this. It takes some time, a process, but you'll reach out to help with others if you need it. And also, you could write a letter or something. You know, maybe you need to forgive the Lord. Maybe the person doesn't have to be alive, even, that you just want to get forgiven. So, the Lord—, right now, I want to break off my stuff here.

Lord, I ask forgiveness if I've done anything that's hurt anybody, if I've come into agreement with anything (knowingly or unknowingly) that's against this message or would stop you from breaking us out of the old season and into the new. Also, Lord, I ask forgiveness for any misuse of finances, spiritual gifts, or anything that you've given me or my ministry, known or unknown.

Lord, we ask You to flush out anything (seen or unseen), bring them into the true light of the true Throne of Grace, the true Jesus Christ, in the name of the true Yeshua, Jesus Christ. Amen.

to help you, walk you through things that you might need, because there's personal support ... but real excited for what's happening.

Breakthrough is truly here. My team's working hard on things right now and we're doing some birthday specials, the [Doug Addison Big Birthday Bash](#) all month. That means that, you know, basically, some of the offers that we've been doing ... And one of them is an online school of ministry called the [School of the Supernatural](#).
