Doug Addison [Episode 279]

April 5, 2023

Hey friends, Doug Addison here. Welcome to *Spirit Connection* podcast. It is April 5th, 2023, and we are celebrating Resurrection Sunday this week, also known as Easter, but also known as a time that the true Lord is breaking through with a breakthrough anointing, healing, angels, new hope and joy. Oh, my goodness. I'm excited for what He's doing. I'm excited for this episode as well.

There's all kinds of fun stuff going on right now.

Lord, we thank You for Your goodness. We thank You that throughout this month and beyond, that You're going to continue to do a breakthrough. Breakthrough is here. We ask now that no matter when any of us listen to this, because of the internet and being—, you know, the Lord is the Creator of all time. (He's outside of time. So, you could actually grab hold of these promises in this episode no matter when you listen to it.) So, Lord, we thank You and bless You. We pray right now to come into

agreement with the Lord over all of us, in the name of the true Jesus.
Amen.

You know, this episode is called “*New Strength and Joy.*” “*New Strength and Joy.*” And, you know, like I said, throughout the month and beyond, the Lord is going to continue to reveal His plans and purposes for us. And there’s some new angels being released to help us right now during this time. We’re in a time of transition. You know, it’s time also to celebrate as the Lord is turning our weeping and mourning into joy and dancing. You know, so wait on the Lord and stay in a place of encouragement, worship and joy; and don’t give up right now. Do not give up. Be strong and courageous and encourage others around you.

So, this is a time of transition, and breakthrough is here. Well, Psalm 33:11 reveals this. The plans and purposes are going to be revealed. Psalm 33:11, “But the plans of the Lord stand firm and the purposes of his heart throughout all generations.” So, watch for the Lord to reveal new plans and purposes. Now, this is a time as we celebrate Resurrection Sunday, you know, the Lord will release revelation, new life, healing and hope. The joy of the Lord is your strength, is our strength. The joy of the Lord is our strength.

So, watch also for angels. There’s more angels arriving. Psalm 34:7, “The angel of the Lord encamps around those who fear him and he delivers them.” You know, I’ve been seeing this in my own life, and it seems like the Lord is bringing new angels almost daily to help us.

And the Lord is battling for us right now. And we’re at a time of a major transition, and it’s a time to be encouraged and to celebrate. You know, the Lord is contending for us. Psalm 35:1, “Contend Lord, for those who contend with me and fight against those who fight against me.” The Lord is battling and He’s fighting for us right now. And this is why

we're starting to see breakthrough to happen. If you haven't seen it yet, don't give up. Wait on the Lord. And He is refreshing us right now.

So, right now it's a time that the true Lord is turning our weeping into dancing. He's turning our weeping into dancing. Psalm 30:11–12, "You turned my wailing into dancing; and you removed my sackcloth and clothed me with joy," verse 12, "... that my heart may sing with praises and not be silent. Lord, my God, I will praise you forever." Now, this is a time many of us have been weary and it's been a time of discouragement for some. But the Lord is turning this time. He's turning our weeping and our mourning into celebration and joy. And the new purpose is here. It's being released to us all. So, here's the key. Do not give up. Breakthrough is here. Do not give up. Breakthrough is here.

Another thing would be helpful for you is—, for all of us, for me, it's what I'm doing as well ... is to wait on the Lord. Psalm 27:14, "Wait on the Lord and be strong. Take heart. Wait on the Lord." Oh, my goodness. This is one powerful Bible verse and a promise for us all—waiting on the Lord. And He's contending and battling for us. Be strong. Take heart. Be encouraged. Right now. Step into joy, dancing. Watch [for] the Lord to speak to us. And even, maybe greater clarity, understanding and purpose. And do not give up right now. Breakthrough is here.

Now, each week I go through this, and the Lord showed me that one of the strong points of how to get a breakthrough and how to bring things into what He's doing. I've been teaching this every month or every week, basically, is to walk you through it (how I do it) and about repenting for anything that you might have in common. So, I'm going to walk you through this. I've got a small little teaching here that will help you, and I'm going to walk you through the process that I use. You find Bible verses. I've been giving you some right there. Find some Bible verses that support what you need. Then pray those promises. You can pray them on your own. Pray the promises in the word, the true word of God, and then pray them with—, agree with other people (makes it another level).

Then, do some deep repentance on anything that (like what I do), anything that I might have in common that would stop the Lord from moving or blessing us right now.

And so, it's important to add worship. Again, I said this, is ... add worship, fun to this and joy. That's been breaking out right now. Worship, fun and joy. The Lord's moving with us right now. So, think about what you need right now. Pray about it. I know that we have some specific needs, and this is what I'm going to walk you through ... our needs right now. We need to break through some strongholds, jam-ups, gridlocks, delays ... financial. We need a financial break as well. But the Lord knows this.

So, what we do, then, is we find some Bible verses and we come into agreement in prayer. Right now, even this message, I just say,

Lord, I and we (my ministry) repent, renounce, and we break anything that we might have in common with this, including generational—soul ties, curses, all the way back. Things that we may have done knowingly or unknowingly.

This is not a legalistic prayer. You know, you can pray this in different ways. And, you know, I use it as a way of connecting with the true Lord. And we also come into agreement right now to break off the things that are holding us back.

Lord—, one of the big ones is forgiveness. Unforgiveness is huge. So, we forgive right now. Now here's the key is ... you don't have to agree with the person or group that may have wounded you to forgive them.

This may take time. You may want to seek, you know, maybe even help—pastoral advice or something. You know, find someone that can help you walk through this. It's usually a process, but one thing in the breakthrough is forgiveness.

So, Lord, I ask for forgiveness. If I've done anything in my life or ministry to hurt anybody, if I've come into agreement with anything (knowingly or unknowingly) against this message, against what You're doing, that would stop You from breaking us out from the old season and into the new. I ask forgiveness. Lord, I ask forgiveness if we've, in any way (known or unknown), have misused spiritual gifts, finances, or anything that You've given us or given me, known or unknown. We apply, also the prayer that I've already done to repent, renounce and break as well.

But we want to add to it the joy. We don't want to just sit and, you know, get down on ourselves. We add the joy and thank You that, and especially this time of year, that the true Jesus died on the cross for us. He died on the cross and we have forgiveness of sins. And if we confess our sins, He will forgive us. And so, we don't want to move into any kind of condemnation. We just send this to the true cross of the true—, let's just say ... let's just send this to where the true Jesus sends it, wherever that might be, that place of healing, the cross, of course.

But we ask forgiveness if we've misused anything. And we ask forgiveness, Lord, if there's something that we don't see. So, Lord, we ask that You would flush this out, seen or unseen, bring it into the true light of the true—, I'm going to just say this would be the true Jesus. And I'm going to type this right now because I might have had something else here. We want to make sure there's no typo in this, but we're going to do the true Jesus, in the name of the true Jesus Christ. And wow, whoo, thank You, Lord.

So, it is Resurrection Sunday, this week and Easter, this week. And I want to really bless you and want to just say thanks for following us. And we do have a need right now and consider giving to what we do. DougAddison.com/Give. DougAddison.com/Give. And

you can see the ways ... it'd be a one-time, or maybe you can consider being a Partner. That's anyone who gives on a regular basis. Just go to DougAddison.com/Give or [/ Partner](#). You'll see that as well.

But oh, my goodness, you know, the Lord is moving right now and we're so grateful for what He's doing.

And we ask, Lord, that we come into agreement with the Lord over all of this during this time of Resurrection Sunday, in the name of Jesus.

Thank you so much!

God bless you.
