

## **Prayer, Healing and Restoration**

**Doug Addison [Episode 282]**

**April 26, 2023**

Hey everybody, Doug Addison here. Welcome to *Spirit Connection* podcast, April 26th, 2023. This week's episode is called "*Prayer, Healing and Restoration.*" I'm on a personal prayer, healing and restoration time, and this is the reason for some of the shorter episodes. But the Lord is moving.

It's time to wait on the Lord to ask Him for the plans and purposes to be revealed.

Lord, the true Lord Jesus, we ask that You would open up things to us. We pray for the ability to break through things that have been holding us back. We pray for the power, the true power to open up, in the name of the true Jesus, amen.

Well, you know, I've been using some verses each week and I'm going to go over some other ones and add one to it as well with a prayer at the end that's going to really help you.

So, the Lord is assigning new angels to us right now. Also, there are some Bible verses that I've been praying and decreeing. And one of them that is a very powerful one is Psalm 27:14, is "Wait on the Lord; wait on the Lord and be strong. Take heart and wait on the Lord."

Another verse that's very powerful right now (I've been focusing on these. Write these verses down begin to pray and decree them) is the Lord is going to reveal His plans and purposes to you. Psalm 33:11, "But the plans of the Lord stand firm forever, the purposes of his heart through all generations."

Another verse I've been using—write this down, pray and decree this. This is really powerful. Psalm 34:7, "The angel of the Lord encamps around those who fear him and he delivers them." This is a time the Lord is bringing new angels. He's assigning angels to you.

And there's a new verse this week I want to add. Isaiah 64:1, "Oh, that you would rend the heavens and come down, that the mountains would tremble before you!" Now, this is just such a powerful time to pray. I want to pray over you and also give you some instructions in just a few minutes here on how to open this up as well.

So, Lord, we pray—, the true Jesus, we pray that You would help us to be able to wait on You, that You would open up things to us, open up the plans and the purposes. Also, that You would give us Bible verses that would help us to bring this stuff into reality. We thank You, Lord, for the angels that are here, the warring angels, all types of angels are being assigned to us. And also, for Isaiah 64:1 "Oh, that you would rend the heavens and come down, that the mountains would tremble before you!"  
In the name of the true Jesus. Amen.

Well, you know, it's time to really take some time. Wait on the Lord, you know, begin to rest—and battle in prayer as the Lord leads you.

But it truly is a time of change for the good. And again, I recommend using the Bible verses to pray. Also, pray by yourself, but agree with others is very powerful, if you can get into some prayer times together. And each week, I've been training about the fact

that we can “repent, renounce and break.” This is going to open up things over us, that’s going to remove ...

So, true Jesus, we repent, renounce and we break anything we might have “in common with” [against] this message or with getting what we need right now, getting the plans, getting the breakthrough that we need to go through this time of transition. We repent, renounce and break anything we might have “in common,” including generational curses—all the way back—any type of soul ties, anything that we may have done, knowingly or unknowingly. I pray, too, for forgiveness. Lord, I actually have been walking through a time of deeper healing and forgiveness. And so, I just ask forgiveness. Anyone listening, if I’ve done anything or my ministry has done anything to harm or hurt anybody. Or if there’s any things about our funds, misuse of funds, known or unknown ...

These are the things I want to clear out right now. I’m clearing things out. You can do this as well.

And as well, to go through a time of forgiveness, repentance, and not only that ... is worship and joy. And that’s the time you add to it. You don’t want to just, you know, get all serious here. You know, it is a serious thing, but you want to add worship and joy to your life as well.

... So, Lord, true Jesus, we thank You for Your goodness. We thank You that You’re opening up things, in the name of Jesus. Amen.
