

Rest, Reset & Healing SABBATICAL

For Doug & Linda Addison

October 11, 2023

Dear Friends of Doug & Linda Addison,

As we look back at the last 22 years since the launch of Doug Addison’s ministry, InLight Connection (Sept. 21, 2001), we are in awe of what the Lord has done through Doug’s leadership. Thousands have written about how they have been encouraged and edified through this ministry. In fact, many may not know Doug has been in ministry serving on the pastoral staff at different churches since 1994 until his ministry, InLight Connection, was launched in 2001.

Over the last 29 years of ministry, Doug has rarely taken time off to rest, refresh and rejuvenate in his relentless love to serve you and all of us, along with the body of Christ. We all know that full-time ministry is demanding, and few people recognize the spiritual, physical and emotional toll it takes on a leader, and especially one who pioneers. In this journey, Doug has bravely faced and overcome many challenges. Doug now finds himself in need of spiritual and emotional rejuvenation in this season of life.

Therefore, we, as the Board of InLight Connection, along with its advisors and close ministry friends, write this letter to ask for your support. Doug and Linda will be taking a much needed, one-year sabbatical to heal and rest. Just as Doug has encouraged and ministered to so many of us and countless thousands around the world, he is now in need of our encouragement and committed support in this season.

We ask that you partner with Doug and InLight Connection in two ways:

1. Pray for Doug and Linda—to rest, refresh and receive healing in his body, soul, and spirit.
2. Give and/or continue to give monthly, financially. Your support will allow Doug and Linda to receive all necessary treatments, medical attention, and have personal needs met, as well as the running costs of InLight Connection during his sabbatical.

We are seeking 1000 partners to give \$55.00 monthly for the next 12 months, or a one-time gift of \$555.00. Any amount will be gratefully accepted! Please go to DougAddison.com/TimeOff to give.

You may now be asking, “What will happen to InLight Connection during the sabbatical?” The good news is, with your generous monthly financial support and prayers, the InLight Connection Team will continue the ministry with monthly gatherings, prayers, etc. Also, minister-friends of Doug and Linda Addison will come alongside to speak and minister virtually at a Monthly Mentoring Session specifically for Partners of InLight Connection. As a donor to the sabbatical giving campaign, you will be invited to these monthly sessions to receive impartation, teaching and ministry from well-known ministers! This is a powerful and rare opportunity, and you will receive exclusive notice of the scheduled speakers.

We all want Doug to heal and come back even stronger so he can continue being the gift that he is to you and us ... and to the larger body of Christ. If you have any comments or questions, email us at: help@dougaddison.com. To give and find out more, please go to: DougAddison.com/TimeOff. Again, thank you so very much for your love and support!
